Hi Alma and Ada,

In checking with the faculty, the only change to the Coaching Certificate is the inclusion of KINE 107.

Thanks for your assistance in this matter.

Hi Ada,

Let me check in with some of the faculty and get back to you.

Hi Andreas,

If you recall, the CS in Coaching had erroneously included KINE 107 Women in Sports, even though the course was not approved. Since we had to remove it, would you like to add it back in for the next catalog? Also, would you have any additional changes to the CS? I'm trying to determine if we should just do a technical memo or actually put through a modification proposal.

Thank you.

Ada
