3. COURSE DESCRIPTIONS:

Catalog Description:

This course is designed for students with experience in studio art, digital media, architecture or other fields requiring a portfolio for transfer, internships, jobs and exhibitions. Students learn to develop a cohesive body of work, prepare the work for presentation, and identify appropriate venues for submission. Students initiate, develop, and complete individual projects culminating in a digital and hard copy portfolio as well web presence. A materials fee in the amount shown in the Schedule of Classes is payable upon registration.

4. STUDENT LEARNING OUTCOME(S) (SLO'S):

Upon successful completion of this course, a student will meet the following outcomes:

1. Initiate, develop and complete individual projects designed to form a cohesive body of work.
2. Lead a discussion and critique in small groups.
3. Identify and develop personal style and aesthetic in one's chosen field.
4. Plan and acquire quality image representation of one's work, resulting in a portfolio ready for presentation to the public.
5. Identify and create promotional materials such as a resume, written statement, hard copy and digital portfolios and web presence.
6. Investigate appropriate venues for portfolio submission.

5. SPECIFIC INSTRUCTIONAL OBJECTIVES:

Upon successful completion of this course, a student will be able to:

1. Identify and discuss one's personal style and aesthetic in image making.
2. Recognize and develop common themes which will allow one to create a cohesive body of work.
3. Research and assimilate past and current trends and developments in one's chosen field.
4. Lead critiques of their own work and that of other students.
5. Create and present their work and ideas verbally, in front of an audience.
6. Write an artist statement, cover letter and CV.
7. Research and assemble a list of appropriate transfer institutions, internships, employers, and/or exhibition opportunities for their work.
8. Compile and create a hard copy and digital portfolio and web presence.

6. COURSE CONTENT:
