# CSU ADVISING FORM

## CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION (CSU GE) 2011-12 EDITION

Due to periodic revision of transfer requirements, use [www.assist.org](http://www.assist.org) for the most current CSU GE info.

### Directions to students:

1. Review CSU GE information and restrictions listed below.
2. Print your unofficial transcript from your WebSMART account. Log into WebSMART and select **Student Records**.
3. The WebSMART transcript lists courses completed at College of San Mateo, Skyline College, and/or Cañada College.
4. On your transcript, look for courses completed at College of San Mateo.
5. Find College of San Mateo courses approved to meet CSU General Education requirements and check those completed courses.
6. If you have completed coursework at another California Community College, including Skyline College and/or Cañada College, use [www.assist.org](http://www.assist.org) to determine if courses completed at the other institution can be applied to the CSU GE form and write them in the blank line.
7. If you have taken International Baccalaureate exams, refer to the College Catalog for more information. AP information is included on the form.

### Important information regarding CSU GE

1. **Be sure to request a CSU GE CERTIFICATION be sent with your final transcript to your transfer destination. Make this request through the Admissions and Records Office.**
2. Courses listed in more than one area can be used to satisfy only one area, **except for** courses listed for Area D and U.S. History, U.S. Constitution and California State and Local Government. Any courses used to meet the U.S. History, U.S. Constitution and California State and Local Government requirement can be also used to meet GE Area D.
3. Completion of CSU GE does not guarantee admission to any CSU campus.
4. A maximum of 39 units of lower division general education units required by CSU can be completed at College of San Mateo. Of the 39 units, a maximum of 30 can be certified in Areas B, C, D, and E.
5. Courses applied to meet areas A1, A2, A3, and B4 must be completed with a grade of C or higher (C- grades are not acceptable). Outside of Areas A and B4, up to 9 units of a grade of D can be applied to CSU GE. However, if the campus or major in which you wish to transfer is competitive or selective, grades of D could negatively affect your admissions.
6. Transfer students pursuing a high unit major that requires extensive lower-division major preparation may not be able to complete all lower division general education requirements prior to transfer. Speak with a counselor about course selections.
7. Students who have completed coursework at colleges or universities outside of the San Mateo County Community College District but within the United States should use the CSM Transcript Evaluation Service within the first semester of attendance to determine how prior coursework can be applied to CSU GE certification. You can find all California Community College transfer course information on [www.assist.org](http://www.assist.org).
9. Coursework from other accredited colleges/universities, other than California community colleges, may be approved as long as the courses meet CSU standards. However, the Critical Thinking requirement (Area A3) is a course developed with collaboration from the CSU, UC, and CCC systems and, typically, out of state courses will not be considered equivalent.
10. Generally, CSU campuses urge transfer students to complete all lower division general education and pre-major courses prior to transfer. Use [www.assist.org](http://www.assist.org) and [www.csumentor.edu](http://www.csumentor.edu) as resources.
