CSU ADVISING FORM

CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION (CSU GE) 2013-14

Due to periodic revision of transfer requirements, use www.assist.org for the most current CSU GE info.

Directions to students:

1. Review CSU GE information and restrictions listed below.
2. Use DEGREE WORKS AUDIT to identify how courses completed at CSM, Skyline, or Cañada are applied to CSU GE
3. Be aware that there are instances where a course at CSM is approved for CSU GE but the same course at Skyline or Canada is NOT approved for CSU GE (or visa versa). Look at the CSU GE list for the college at which you are enrolled in the class to confirm CSU GE applicability!
4. Use www.assist.org to determine if courses completed at any California community college can be applied to the CSU GE form and write them in the blank line.
5. If you have completed courses at a college/university outside of the San Mateo District or completed an external exam (AP, IB, CLEP) and you plan to complete your transfer requirements at CSM submit a Transcript Evaluation Request form (www.smccd.edu/transeval) to have prior coursework and/or external exam results applied to CSU GE certification.

Important information regarding CSU GE

1. Request a CSU GE Certification be sent with your final transcript to your transfer destination. Make this request through your WebSMART under "Transcripts."
2. Courses listed in more than one area can be used to satisfy only one area, **except** courses completed to meet the U.S. History, U.S. Constitution and California State and Local Government requirement. Many of these history courses can also be used to meet GE Area C2 or Area D.
3. Completion of CSU GE does not guarantee admission to any CSU campus.
4. A maximum of 39 units of lower division general education units required by CSU can be completed at College of San Mateo. Of the 39 units, a maximum of 30 can be certified in Areas B, C, D, and E.
5. Courses applied to meet areas A1, A2, A3, and B4 must be completed with a grade of C or higher (C- grades are not acceptable). Outside of Areas A and B4, up to 9 units of a grade of D can be applied to CSU GE. However, if the campus or major in which you wish to transfer is competitive or selective, grades of D could negatively affect your admissions.
6. Transfer students pursuing a high unit major that requires extensive lower-division major preparation may not be able to complete all lower division general education requirements prior to transfer. Speak with a counselor about course selections.
7. Students who have completed coursework at colleges or universities outside of the San Mateo County Community College District but within the United States should use the SMCCCD Transcript Evaluation Service (www.smccd.edu/transeval) within the first semester of attendance to determine how prior coursework can be applied to CSU GE certification. You can find all California Community College transfer course information on www.assist.org.
8. PASS ALONG policy: CSM can certify coursework completed at another California community college, at an independent institution that participates in certifying GE coursework to the CSU, or at a CSU campus, only if the courses are on the approved certification list at the college when and where they were completed. Coursework from other accredited colleges/universities that do not have established articulation with the CSU system may be approved as long as the courses meet CSU standards. However, the Critical Thinking requirement (Area A3) is a course developed with collaboration from the CSU, UC, and CCC systems and, typically, out of state courses will not be considered equivalent.
9. Generally, CSU campuses urge transfer students to complete all lower division general education and pre-major courses prior to transfer.
