Important Resources for COI:

www.assist.org -

ASSIST is an online student-transfer information system that shows how course units earned at one California community college can be applied to transfer to a CSU and UC campus. It is the official repository of articulation for California public college and universities and provides the most accurate and up-to-date information about curriculum in California.

Select COLLEGE OF SAN MATEO (scroll to CSM)

Then look under “College of San Mateo Courses Applicable for Transfer” and find

- CSU Transferable Courses
- CSU GE approved courses
