

IMPACTED MAJORS FALL 2016

San Francisco State University

All transfer applicants from a US institution must meet minimum CSU requirements (*International transfer students from foreign institutions are not held to minimum CSU admission requirements including the 4-basic subject areas*):

- Complete 60 or more transferable semester units or 90 or more quarter units
- Be in good standing at the last college or university attended
- Complete 30 semester units (45 quarter units) of general education, including four basic skills courses:
 1. One course in oral communication (grade of C or better)
 2. One course in written composition (grade of C or better)
 3. One course in critical thinking (grade of C or better)
 4. One course in mathematics or quantitative reasoning, with intermediate algebra as a prerequisite (grade of C or better)

In addition, students must satisfy the following supplemental requirements to be considered for admission to one of the following impacted majors:

Impacted Major	Freshmen/Transfer Applications	Course Recommendations* and Requirements* (minimum grade of C unless stated otherwise)	Supplemental Application	Other Information	Department website
Accounting concentration in Business	<p><u>Domestic Students:</u></p> <ul style="list-style-type: none"> • Freshmen apply to pre- Accounting. Admission to the pre-major does not guarantee admission to the major program. Students must apply to enter the major before their junior year. • Upper Division Transfers apply directly to major <p><u>F1/J1 International Students:</u></p> <ul style="list-style-type: none"> • Freshmen & Lower Division Transfers should apply to the pre-Accounting major. Admission to the pre-major does not guarantee admission to the major program. Students must apply to enter the major before their junior year. • Upper Division Transfers apply directly to the major 	<p>Recommended Courses:</p> <ul style="list-style-type: none"> • Microeconomics • Macroeconomics • Business Calculus • Statistics • Information Systems • Financial Accounting • Management Accounting 	No additional supplemental application required.	Applicants will be ranked according to data provided on CSU Mentor application and official transcripts.	bulletin.sfsu.edu/programs/cob/business#400307

Apparel Design and Merchandising	<p>Domestic Students:</p> <ul style="list-style-type: none"> Freshmen apply to pre-Apparel Design and Merchandising. Admission to the pre-major does not guarantee admission to the major program. Students must apply to enter the major before their junior year. Upper division transfers apply directly to major <p>F1/J1 International Students:</p> <ul style="list-style-type: none"> Freshmen & Lower Division Transfers should apply to the pre-Apparel Design and Merchandising major. Admission to the pre-major does not guarantee admission to the major program. Students must apply to enter the major before their junior year. Upper Division Transfers apply directly to the major 	<p>Required Courses:</p> <ul style="list-style-type: none"> College Level Drawing, Sketching, or Drafting course (3 units) Computer-Graphic related course (such as Adobe Photoshop, Illustrator, In Design, or CAD (3 units) 	Yes. Due November 30, 2015		http://design.sfsu.edu/undergraduate/prospective-undergraduate-students

***Recommended Courses for Domestic Students:** *Students should complete as many of the recommended courses as possible. Students who have not completed these courses before transfer will have difficulty making progress towards their SF State degree in their selected major program. Although these courses are not absolutely required for admission, the impacted department may review completion of these courses when making admission's decisions.*

***Required Courses for Domestic Students:** *Students should complete all courses listed as required for admission by impacted programs. Students who have not completed required courses will not be considered for admission by the impacted department.*

***International Students:** *Transfer students from foreign institutions are not held to minimum CSU admission requirements including the 4-basic subject areas. For recommended courses, students should complete as many as possible. Although these courses are not absolutely required for admission, the impacted department may review completion of these courses when making admission decisions.*
