In fall 2014, the Associated Students approved funding to support the CSM Peer Educators. These students are specially trained in helping to address the stigma surrounding mental illness, particularly among college students. Peer Educators are coordinated through the Center for Student Life and Leadership Development in cooperation with Psychological Services. The Peer Educators do outreach events, conduct classroom presentations, and refer students and others to available resources on and off campus.

As a condition of funding the Peer Educators, the Student Senate asked for a report at the start of the fall 2015 semester and a request to release the remaining of the funding. For the 2015/16 academic year, the Center for Student Life is requesting \$5,000.00 to support the Peer Educators.

Make a list of all the estimated expenses that will be incurred in order to fund the program outlined above. Be as specific as possible. Attach estimates for items or services over \$100 when possible. Include labor, materials, supplies, equipment, rental fees, advertising costs, etc.
