Mr. Roe also stated that the Senate will review participatory governance committee appointments at the next meeting, so if anyone cannot still attend their committee meetings, they need to inform President Roe as soon as possible.

Finance Director Kaffl stated that he enjoyed the Winter Retreat. He also reported that he would still be able to attend all his participatory governance meetings this semester.

Vice Chair McReynolds reported that the first Inter Club Council meeting for the semester will take place on Wednesday, Feb. 1. Student Life and Leadership Manager Schaefer welcomed the Senate back for the spring semester. He encouraged members of the Senate to give their full support to the Programming Board and Reboot Week. He reminded the group that Reboot Week will be an opportunity to recruit new members for the boards, and that these new recruits will most likely end up as members of the Senate next year. Mr. Schaefer also announced that the delegation for the Washington, DC advocacy trip has been selected. They are: President Roe, Senators Topete Eng Goon and Gomez, and Advocacy Board members Mondana Bathai, Jacob Abney, Nathan Storey, and Kristiana Wolf-Blake.

Mr. Hamadeh reminded the group that eligibility checks for the spring semester will take place after the last day of the Add/Drop Period, which is Monday, Jan. 30. As a reminder, members of the Senate must be enrolled in at least 6 units of credit at CSM, have a cumulative GPA of 2.0 and a minimum GPA of 2.0 in their last semester, and must be in good academic standing (have a 50 percent or better completion rate). FUNDING TO ATTEND AMERICAN STUDENT ASSOCIATION OF COMMUNITY COLLEGES NATIONAL ADVOCACY CONFERENCE

Mr. Schaefer introduced the item, stating that the Senate has traditionally sent a delegation to the United States Student Association annual conference in Washington, DC. However, as of last check, USSA had not posted any information about this year's conference on the group's website. Therefore, the Advocacy Board is proposing to attend the American Student Association of Community Colleges National Advocacy Conference. The conference will be held between March 11 and March 14. Expenses will be slightly higher for this conference due to additional local travel and increased registration costs.

Motion to approve allocating \$15,000.00 from the Student Representation Fee trust account to send a delegation to the ASACC National Advocacy Conference by Senator Riley; seconded by Senator Storey. By a vote of 14 in favor, 0 opposed, and 0 abstaining, the motion carried.

REVIEW OF ASCSM GOALS AND ACTION STEPS FOR 2016/17

President Roe and Mr. Hamadeh led the Senate through a review of the group's goals and action steps for the academic year.

Goal #1: Increase collaboration and insure greater communication among the Advocacy Board, the Cultural Awareness Board, the Programming Board, and the Student Senate.

Action Step #1: Board chairs should provide updates at Senate and Executive Cabinet in order to provide greater awareness of events and activities.

The group felt this action step has been fulfilled and should continue.

Action Step #2: Boards should increase the scope of their events in order to incorporate other groups. The group felt that there is room for improvement on this goal. The Burmese Light Festival held during Fall 2016 is a good example of an event that involved multiple groups. There was a suggestion to focus on collaborations with the Ambassadors, the Learning Communities, and the Clubs. The Our Voices event was another example, but may not have been fully realized. There was also a reminder that culture doesn't only include ethnicity.

Action Step #3: Board Chairs should make attempts to sit in on meetings of the other Boards. This can be challenging due to class and personal schedules. Board Chairs will make an attempt to find opportunities to collaborate more, with a special emphasis on how to integrate Advocacy Board into Cultural Awareness and Programming Board events.

Action Step #4: Hold a mixer for Board members and the members of the Senate.

The mixer was held in Fall 2016 and was very successful. Several members of the Senate who were part of the Boards praised the event as an opportunity to learn about the Senators and get to know them. There was interest in the possibility of hold an event at the end of the semester to reward board members for their work.

Goal #2: Increase outreach, communication, and collaboration with campus learning communities, such as EOPS, Mana, Puente, and Umoja.

Action Step #1: Hold a joint event between student government and the learning communities prior to the closing of Building 17 for construction.

Mr. Hamadeh stated that he and Mr. Schaefer have a meeting scheduled later this week to talk about the timeline and other details for moving out of Building 17 in preparation for the remodel of the building. After we have more concrete information about when we will be moving, we can begin to plan the event.

Action Step #2: Designate liaisons between the Senate and the learning communities.

Not completed. Mr. Hamadeh stated that he and Mr. Schaefer may do some outreach to the Learning Communities coordinators to help facilitate.

Action Step #3: Conduct outreach to the learning communities.

Same status as Goal #2, Action Step #2.

Goal #3: Provide greater support for club activities both on and off campus through Senate involvement.

Action Step #1: Members of the Senate who are in clubs should make announcements of club events at the Senate meeting.

The group felt this action step has been fulfilled.

Action Step #2: Members of the Senate should make a commitment to attend club-sponsored events.

The group felt there has been good communication about club events, and that the Senate knows about them due to the funding requests that come before the group. It was suggested that Senators should make an effort to "drop in" at events that are taking place in the quad.

Goal #4: Enhance the marketing and branding of ASCSM through various means.

Action Step #1: Increase the use of social media such as Facebook and Snapchat to promote events and engage students.

There has been more activity on social media, especially on Facebook and Instagram. Snapchat proved to be a tough fit for the Senate's purposes, so it has not seen as much activity.

Action Step #2: Develop an ASCSM newsletter.

The Center for Student Life needs to work with the Publicity Commissioner to develop a system for developing and providing content, such as upcoming events, etc.

Action Step #3: Ensure that events, programs, and groups receiving ASCSM funding highlight student government support on their promotional materials.

The group felt that it needs to be more proactive in making this happen. Announcements will be made to the clubs at ICC meetings to remind them of this requirement.

Goals #5: Strengthen outreach to promote the goals, the mission, and the role of the Associated Students.

Action Step #1: Educate members of the Boards so they can help students understand the role of ASCSM on campus.

The group felt this action step has been fulfilled. The mixer was a good example and opportunity.

Action Step #2: Develop/update the ASCSM brochure.

Mr. Hamadeh will work with Commissioner of Publicity Chin and Marine Kazaryan, one of the Student Life student assistants, to update the brochure.

Appointment of Election Commission for Spring 2017 Student Trustee Nominee Election and ASCSM General Election

Establishment of Faculty Evaluation Recommendation Task Force

We, the students of San Mateo County Community College District, hold our elected student representatives, administrators, district employees, board of trustees, and chancellor accountable to protect and address the needs of our marginalized communities. This need has been exacerbated due to the 2016 presidential election, and the current political and social climate of the United States of America. The ideas of intolerance, xenophobia, and racism have become increasingly normalized. Deep rooted systemic and institutional social, political, economic, psychological, and spiritual oppression has been unveiled as an underlying issue within the fabric and foundation of the country. We expect unconditional transparency and involvement now, in the event that our freedoms and liberties are compromised. We are calling for the SMCCCD to protect the most vulnerable and marginalized members of our community from violations of their civil and human rights.

We, the students of the San Mateo County Community College District, understand and commend the efforts currently taking place to better the conditions of the most vulnerable communities on our campuses. To further accelerate this process, a committee of students have collectively composed a list of concrete demands in order to meet the needs and catalyze the growth of opportunities for all students in our communities. These changes may be perceived imminent or long term. However, we expect nothing less than what is presented.

We, the students of the San Mateo County Community College District, expect to be included throughout the entirety of the process to evaluate and implement the demands presented. This is not only to be transparent, but to create community and strengthen our district. With a sense of urgency, we ask you to join us in this effort to ensure the protection and belonging of all members of our community, on and off campus.

If we do nothing, then our stated commitments to defend our shared values of inclusion, justice, and humanity will reveal themselves to be empty promises.

In Community,

SMCCCD Student Demands

- 1. **WE NEED FROM OUR DISTRICT** positive and immediate action to ensure the safety of our undocumented students who are currently protected under DACA and those who aren't, through the following measures:
 - a. Make all three SMCCCD colleges sanctuary campuses.
 - i. In doing so, the U.S. Immigration and Customs Enforcement (ICE) cannot arrest, interview, or search students on the basis of immigration status. Every student has the right to an education free of fear.
 - *More specific information about sanctuary campuses can be found at:*http://tinyurl.com/guqbqom
 - b. DREAMers centers and free legal clinics (such as Sparkpoint at Cañada and Skyline) at all campuses to provide undocumented students and their families legal advice, counseling, and other services.
- 2. **WE NEED OUR DISTRICT AND CAMPUSES** to strive for complete transparency and equity across all three campuses.
 - a. Students from all three campuses should have the ability to communicate and be fully knowledgeable of the resources, programs, associated students (AS), academic courses, public safety, and other entities that are on their campus and sister campuses.
 - i. Information must be easily accessible for students and members of the community to understand the function of each campus and their components.
 - ii. Information regarding appropriation of funds and fiscal capacity for on campus resources must be available to the public.
 - b. Student should not have to travel from their home campus to a sister campus in order to receive necessary resources. For the reason that the majority of these resources are intended for marginalized communities, lack of transportation is an issue that may arise. Thus, this problem must be confronted and resolved. These resources must be equitably distributed fiscally throughout the district.
 - i. A DREAMers center or similar legal clinic and resource center should exist on each campus to ensure the protection of our undocumented students. [REFER TO (1.b.)]
 - *ii.* The implementation or expansion of disability resource centers on all three campuses.
 - iii. The implementation or expansion of a Veteran's resource center to support those who worked in the armed forces.

- 1. Extensive counseling and support must be added or enhanced within this program.
- iv. The implementation or expansion of a multicultural center (MCC) on each campus.
 - 1. This includes a director of the MCC in order to assist with events specifically planned by this resource.
- v. The implementation or expansion of psychological support services for LGBTQ+ students and other marginalized students on each campus.

 [REFER TO (7.)]
- vi. Prayer or spiritual rooms must be present on each campus in order to ensure the safety of all students, regardless of religious identity.
- vii. The implementation or expansion of EOPS and/or other similar services across the district to assure the importance of education.
- 3. **WE NEED OUR CAMPUSES** to continue to promote open and safe campuses for all students, regardless of personal identity.
 - a. Each campus must be committed to physically, mentally, emotionally, and spiritually protect their students and members of the community when on campus grounds.
 - b. We need at least one building on each campus to be readily accessible 24/7 for student use.
 - i. This is to assure students they matter on campus and their education and/or their passion is respected.
 - ii. Student ID must be used to enter said building after certain hours.
 - iii. The current issue of housing and gentrification must be interjected within conversation. [REFER TO (6.)]
- 4. **WE NEED OUR DISTRICT AND CAMPUSES** to expand workshops centered around cultural sensitivity and ally awareness for administration, faculty, staff, public safety, student senate, or people of any student-serving position.
 - a. Professors and people in student-serving positions must go through cultural fluency and microaggression workshops each semester as part of their contract.
 - i. We envision the ability of professors, not only within the ethnic studies department, to hold the capability of creating a broader cultural and ethnic representation within their department curriculum than usual in science, English, psychology and other courses. In this regard, students will learn about the contributions of other groups of people, not only in the context of ethnic/sociological studies.

- ii. We need of our faculty to plan out alternative curriculums with focus on the experiences and contributions of historically marginalized groups and not solely that of the Eurocentric narrative.
 - 1. Whitewashing or failure to acknowledge and understand marginalized communities' oppression is unacceptable. Even if the class is centered around European or Anglo-American history, the implications of European/Anglo-American imperialism and influence throughout the globe should be reiterated as a root cause of instability and oppression throughout many regions and people.
- b. Every student who enrolls at Skyline, CSM, and Canada must go through a cultural sensitivity and ally awareness workshop before registering for any class.
 - i. Any student who is already registered must complete this workshop before fall semester of 2017.
- 5. **WE NEED OUR DISTRICT AND CAMPUSES** to ensure the protection and expansion of Diversity Studies, including without limitation: LGBTQ+ Studies, Ethnic Studies, and Women and Gender Studies.
 - a. At least 6 credits of Diversity Studies courses must be completed in order to be able to receive a degree/certificate or transfer to a UC/Private College/CSU.
 - b. The implementation of a general committee to advocate for an ethnic studies department which would span across all three sister campuses.
 - i. Although CSM has a larger student body, Skyline and Canada are also in need of capable ethnic studies programs to address social, political, and economical perspectives from different ethnic groups. It is necessary to develop a program which will focus on bringing forth the experiences, negative and positive, as well as the accomplishments and failures of marginalized groups.
 - ii. In order to expand the department, more funding for ethnic studies professors, programs, and curriculum development.
- 6. **WE NEED OUR DISTRICT AND CAMPUSES** to engage in efforts for housing assistance programs and homeless resources on each campus, especially for high-risk students.
 - a. Due to the current housing crisis in the Bay Area, tools should be provided to students facing rent hikes, displacement, eviction, or homelessness.
 - i. Housing support in the form of legal assistance and exposure to available outside organizations that help families/individuals find or keep sustainable and affordable housing.

- 7. **WE NEED OUR CAMPUSES** to extend and expand cultural community gatherings on our campuses for all races and ethnicities.
 - a. Creating more opportunities where all students can meet, greet, and share individual experiences with their peers across all campuses.
 - b. Have school-sponsored cultural awareness and diversity celebration events for marginalized communities.
 - This should be extended to all people regardless of race or ethnicity.
 These must be places for people to learn and understand others for who they are.
- 8. **WE NEED OUR CAMPUSES** to strive for the expansion of psychological services, specifically pertaining to counseling for hate crimes, LGBTQ+ issues, and other problems our most vulnerable students may encounter.
 - A. We need comprehensive training for mental health services that will be provided for all three colleges. Students of color and other marginalized students face economic and social hardships that contribute to higher rates of depression and other psychological problems. If counseling/psychological services were able to attend to the needs of students, there would be an increase in academic and social achievement. We should focus on training that would incorporate the experiences of historically marginalized groups.
 - B. In response to the increase in hate crimes, we need support and security from all campuses. In order for students to focus on studies, our psychological/physical needs must be obtainable through representation and proper instruction. This includes; ethnicity, religious affiliation, sex, and gender.
 - C. Mental health services for marginalized students should be emphasized through outreach, staff assistance, and effective communication. This could possibly be executed through a committee of faculty and student leaders.
 - D. Sexual assault and other title IX victims must have the necessary tools to receive psychological help in regards to their experience(s).
- 9. **WE NEED OUR DISTRICT AND CAMPUSES** to have our Public Safety facilitate themselves in a more community oriented manner than a police oriented one.
 - a. No further arming of public safety.
 - i. This includes restricting the introduction of local police departments on all 3 campuses.
 - 1. The current social and structural interaction between armed officers and marginalized communities includes heightened tension that must be understood. The fears of our most vulnerable students

regarding correctional officers must be respected and wholeheartedly communicated.

- b. Conduct yearly evaluations on the Public Safety staff and trainings.
 - i. Have a public forum about perception of public safety officers each semester. This must be open and inclusive to all students and members of the SMCCCD community.
- c. Have a direct filing system for complaints against public safety that administrators have to evaluate.
 - i. The inclusion of students within this process is recommended in order to ensure proper procedure.
- d. Research must be conducted regarding the predatory ticketing job of public safety on all 3 campuses.
 - i. Giving tickets to students who lack parking passes is not a portion of safety. Thus, consideration of removing role should be an option.
- e. Thorough training on understanding the effects of implicit biases and the concerns of mass incarceration/police brutality in regards to social, political, and historical conditions must be presented on a semester basis to public safety and other similar positions.
- 10. **WE NEED OUR DISTRICT** to comprise a specific board that includes a student senate member, a minimum of one administrator, one diversity faculty member (race and ethnicity studies, gender studies, etc.) and grievance/disciplinary board to hear students who report hate crimes.
 - a. Students of all background must be included in these processes in order to sustain an equitable decision making structure.
- 11. WE NEED OUR DISTRICT AND CAMPUSES to commit to addressing ongoing issues regarding environmental sustainability.
 - a. This includes the funding of educational programs on each campus.
 - i. The expansion of environmental sciences and sustainability efforts on campuses must be included.
 - b. The entire district should consult San Mateo counties' new energy provider, Peninsula Clean Energy, in order to procure more renewable sources.
- 12. WE NEED OUR DISTRICT to strive for free community college.
 - a. That all three colleges be free and accessible with the understanding that education is a right for the residents of San Mateo County.
 - The district should implement and support the proposal and make a tuition free college district.

ii. Implement outreach programs for ex-felons and other similar potential students.

Please provide any comments, concerns, or suggestions you may have regarding Public Safety.

Question type: Open ended Number of responses: 108 Number of respondents: 360

Not answered: 252

Date	Respondent	Answer
1/13/2017	Anonymous	No guns on campus
1/15/2017	Anonymous	Armed forces might result in accidentals based on discrimination. I don't feel comfortable with weapons on campus.
1/17/2017	Anonymous	The public safety officers have a presence that is not approachable. Having a police force on a school campus is already an example of how the administration views it's students and faculty members. By dedicating a space and funding for an additional police force outside of the city or county provided law enforcement set a precedence that the students and faculty need to be monitored in order to maintain a semblance of safety. This is disagree with, I feel it adds to the negative stigma surrounding campus safety.
1/17/2017	Anonymous	N/A
1/17/2017	Anonymous	I do not believe we should have armed security on a school campus regularly patrolling even if it is a police officer. The fear of a shooting or violent acts should not be the deciding cause to have armed security on campus. I believe that by having armed security they would be more harmful on campus than beneficial.
1/17/2017	Anonymous	None
1/17/2017	Anonymous	Maybe students need to have as part of a sillabus all the emergency info.
1/17/2017	Anonymous	Public Safety Officers a have been very helpful in the two times I have needed them, once for a jump start and once for opening up a classroom for my instructor. One time, however, I called on the building phone to Public Safety and no one answered. it seems that should never happen in case of an extreme emergency, I would like to know Public Safety is available at all times.
1/17/2017	Anonymous	this survey should have asked for gender. I think you would find that women feel less safe than men on campus. Why only 3 answers to services provided question?
1/17/2017	Anonymous	Bad
1/17/2017	Anonymous	Please let more officers work on campus at night or before 10 p.m
1/17/2017	Anonymous	So far, I have no concerns.
1/17/2017	Anonymous	lol nope.avi
1/17/2017	Anonymous	Stop following around the African American students (including me). When the security people do this it seems like they have too much time on their hands.
1/17/2017	Anonymous	Good work
1/17/2017	Anonymous	good.
1/17/2017	Anonymous	Need armed security.
1/17/2017	Anonymous	yes

1/17/2017	Anonymous	I feel that campus is safe but I don't think it's really addressed on what public safety services are provided for us
1/17/2017	Anonymous	Keep up the good work!
1/17/2017	Anonymous	Maybe there should be a lesson to teach students about public safety
1/17/2017	Anonymous	As far as I can tell, all you do is write tickets.
1/17/2017	Anonymous	Be a little nicer and act like they actually care about the class
1/17/2017	Anonymous	Last semester, I had an night class ended at 10pm. The campus seems so unsafe as I walking.
1/17/2017	Anonymous	Keep up the great work
1/17/2017	Anonymous	Its good
1/17/2017	Anonymous	None
1/17/2017	Anonymous	Late at night I feel nervous on campus when class lets out at 10
1/17/2017	Anonymous	I want to see more officers in campus
1/17/2017	Anonymous	public safety in CSM are like Mixican police when we need it they are not there but when we don't need it they are there just bothering.
1/17/2017	Anonymous	I feel safe on campus
1/17/2017	Anonymous	I appreciate the service public safety provides.
1/17/2017	Anonymous	I think it's important to have more light sources installed on campus at night, as it gets quite dark, especially on the way walking from class to the parking. It also would make students feel safer to have more campus policers.
1/17/2017	Anonymous	I don't know where the safety office is or how to contact someone if I am feeling unsafe. Maybe that should be published in an e-mail at the beginning of each semester to educate/remind all of the students.
1/17/2017	Anonymous	NA
1/17/2017	Anonymous	At night it would be nice to have some security officers checking the perimeters. It would also be nice to inform students that security members will be on campus 24/7 even when the office is said to be closed. After 5pm it is rare to see any officer around campus. It would just be nice to confirm that they are there and that they are being seeing around campus.
1/17/2017	Anonymous	Thank you!
1/17/2017	Anonymous	Some areas do not have enough lighting at night. Slope next to Bldg 19 going towards Galileo parking lot should have safety rails as parts of are very steep and falls are possible especially in rainy weather.
1/17/2017	Anonymous	Students should be able to park closer to campus during evening classes. The staff lots are always virtually empty, yet students are still required to park in distant lots and walk alone through poorly lit parts of campus to get to class. As a female, I feel unsafe doing this at night.
1/17/2017	Anonymous	N/A
1/17/2017	Anonymous	I don't think the public safety is very known. I don't even know where it's located or how to access them. The only place I see flyers is on the restroom door for safety escorts.
1/17/2017	Anonymous	Its good but it needs to be better.
1/17/2017	Anonymous	They're great!
1/17/2017	Anonymous	might need some improvement in locker room.

1/17/2017	Anonymous	We need to have a mandatory class to get along with all the rules and regulations that we are supposed to know.
1/17/2017	Anonymous	N/A
1/17/2017	Anonymous	More light at night on parking lot area
1/17/2017	Anonymous	I would like to see more campus officers around the campus during the night walking where the students walk to go to the parking lots
1/17/2017	Anonymous	It's great.
1/17/2017	Anonymous	My night class starts tomorrow so I'm not sure how I feel at night yet.
1/17/2017	Anonymous	Excellent services.
1/17/2017	Anonymous	A visit from an officer to familiarize students with campus safety and establish rapport would be helpful. I would think that the proper venue would be at the orientation for incoming students.
1/17/2017	Anonymous	They are doing the best and I wish they do their best in coming days as well
1/17/2017	Anonymous	I think the fact that I don't know that much about the public safety department is a concern possibly due to lack of promotion.
1/17/2017	Anonymous	Everything is safe and well organized
1/17/2017	Anonymous	They are working nicely
1/17/2017	Anonymous	They are good
1/17/2017	Anonymous	n/a
1/17/2017	Anonymous	It is pretty good. I will suggest when i have any.
1/17/2017	Anonymous	None.
1/17/2017	Anonymous	I walkways see them around in the parking lots which i think is good but not so much in the buildings. Only reason I gave a lower score for how safe I feel at night is because it's dark but I do feel like our school is in a safe area
1/17/2017	Anonymous	at cañada college the fire lanes need to be marked better
1/17/2017	Anonymous	None
1/17/2017	Anonymous	Thank you!
1/17/2017	Anonymous	Thank you
1/17/2017	Anonymous	Rarely see the cars patrolling and never see officers on foot. Don't see any emergency phones for contacting security if necessary. Unfamiliar with any direct phone numbers for emergency services.
1/17/2017	Anonymous	Safety and security Are very good in our campus. Thank you very much for protect us!
1/17/2017	Anonymous	Having a text line to email in case if we can't call security to assist us
1/17/2017	Anonymous	Staying late to wait for a family member to drive me home I noticed the road from building 10(the hub of all life on campus) to building 36(Science) is too dark for me to want to walk there after it becomes dark on a regular basis. I am a preNursing major and I will be taking most of my heavy biology courses there. I may need to start working days depending on possible future financial stress and would deliberately make sure I either have another class in that building before dark or stay inside of building 36 before dark. Feeling uncomfortable in a dark quiet campus would make me look into other course options to those offered at night at CSM.
1/17/2017	Anonymous	Make the students more familiar with public safety stiuffs

1/17/2017	Anonymous	I see the officers every now and then, and when I see them, it always strikes me as impressive. To have a school that looks after you to that extent, even if it is mandatory by law, makes me feel safe. Thank you for the good work.
1/17/2017	Anonymous	I think the campus is really good!! Everyone is really kindly and makes me feel good
1/17/2017	Anonymous	Beautiful and peaceful campus except someone stole my MAC
1/17/2017	Anonymous	no comments
1/17/2017	Anonymous	I have never needed the services, and truly I'm not acquainted with their services or procedures.
1/17/2017	Anonymous	more of a commuter school so students who only attend class then leave won't have much knowledge about certain perks of campus life.
1/17/2017	Anonymous	I don't see public safety officers often during night time.
1/17/2017	Anonymous	I think we need more officer inside our campus not only the parking lot.
1/17/2017	Anonymous	I think we need them in our building 10.
1/17/2017	Anonymous	Overall Public security is good.
1/17/2017	Anonymous	I feel that the Public Safety is doing a good job at trying their best to keep us students safe, because personally whenever I see them present on campus, it gives me a feeling of safety and reassurance.
1/17/2017	Anonymous	Public Safety officers have always been very kind and helpful. They're lovely people.
1/17/2017	Anonymous	Overall, CSM's safety is good.
1/17/2017	Anonymous	robbery in gym lockers
1/17/2017	Anonymous	Don't really take my word for it, I'm a first time CSM student so I don't really know anything. However, I had a night class today and felt safe walking to my car.
1/18/2017	Anonymous	Parking permit machines should be maintained or removed.

1/18/2017	Anonymous	I am new and not very familiar with all the public safety offerings
1/18/2017	Anonymous	more lights at night would be great
1/18/2017	Anonymous	Have always felt safe on campus. Once when elevator lift was not working and I need assistance to get to the first floor, I called and within minutes help arrived. The response was outstanding, they assisted be down the stairs, carried by backpack and my mobile unit! You propabaly do not hear it often enough, but job well done CSM Public Safety Officers!
1/18/2017	Anonymous	none
1/18/2017	Anonymous	I feel safe that they can protect us.
1/18/2017	Anonymous	It would be nice if there was public safety by the parking lots at night. 930 pm or 945 no one is there. I felt like someone may break into my car. Also if you are enrolled in two college campuses do you need to buy two parking passes? That seems unfair.
1/18/2017	Anonymous	Very good, feels safe
1/18/2017	Anonymous	I have no concerns at this time.

1/18/2017	Anonymous	I haven't read about the public safety of CSM but so far I feel safe on campus both during the day and at night.
1/18/2017	Anonymous	In college of san mateo, I did not see many fight or something like that.
1/18/2017	Anonymous	N/A
1/18/2017	Anonymous	If officers were always armed I would feel safer.
1/19/2017	Anonymous	I think it's nice to have that service for the students.
1/19/2017	Anonymous	I take classes at night, and I like the fact that the lights on the walkway light up as I get near. For additional safety, it would be good to have panic buttons throughout the campus.
1/19/2017	Anonymous	Give more information to new student when they arrived campus
1/19/2017	Anonymous	I think Public Safety is good at CSM. It's a pleasant campus.
1/19/2017	Anonymous	Nothing much to think of but the general feel of the campus is very safe.
1/19/2017	Anonymous	We have done earthquake drills before, but do we have lockdown drills?
1/20/2017	Anonymous	It's not because of security that I feel its less safe. I think for any female at night its not as well lit and not as many people around especially in my late night classes at Canada.
