REPORTS

President Riley stated that he was glad to see everyone during the summer leadership retreat, that he enjoyed growing closer to the other students attending the trip. He also expressed his willingness to support his fellow ASCSM members and listen to their concerns or worries.

Vice President Relos thanked everyone for attending the meeting; she declared her excitement to work with everyone throughout the school year.

Secretary Chavez indicated that he would be sending out the draft for next week's Senate meeting.

Senator and Advocacy Board Chair Topete Eng Goon told the members that it was crucial to be on the lookout prospective AS Board members, and also that she was excited for this school year.

Senator and Cultural Awareness Board Chair Barajas affirmed his eagerness to take on the role of Board Chair, to learn more, and to seek out new members for Cultural Awareness Board.

Student Life and Leadership Manager Schaefer asserted the importance of appointing a Programming Board Chair, since Programming Board conducts the majority of AS outreach within the CSM community, especially during Welcome Week; Senator Topete Eng Goon and President Riley both revealed that Advocacy Board representative, Mondana Bathai, was interested in the position. Mr. Schaefer also discussed how vital attendance was for Executive Cabinet meetings; he explained that three missed meetings would result in dismissal from one's position. Lastly, Advisor Schaefer stated that the summer leadership retreat went well, and that he appreciated the attendees coming together to have a good time.

Student Life and Leadership Assistant Hamadeh announced that the Student Life Center's ID card machine was done due to printing hundreds of cards within the day; he indicated, however, that a new machine was on its way, and would be arriving by next week. Mr. Hamadeh also told members that he was working on acquiring a laptop for a new mobile ID printer cart. Due to the tense political situations of the country at large, Advisor Hamadeh encouraged members to direct anyone to the campus mental health resources, if they needed it.
