DESCRIPTION

To represent the Southeast Asian Culture, we are screening the movie: Crazy Rich Asian.

This movie is a close representation to growing up in the Southeast Asian Culture except for the amount of wealth the characters in the movie have. The culture and sense of family-relationship portrayed by the characters are relatable to what we felt when we were still in our home countries.

Along with this movie will be served: popcorn, light snacks (such as chips), drinks (sodas) and candies. We are hoping to screen the movie to the whole campus and share the culture that we grew up in.
