The EOPS Club would like to address the some of the stress faced by low income and hyper-marginalized students on this campus. We are hoping to be able to provide students with two workshop which would allow them some time to use art as a creative outlet. We already inquired with art faculty on campus but they are unavailable because of their hectic schedules. We are hoping the artist that we partner with, will be able to instruct the students in a two hour-long workshop of a quick painting technique that they could recreate to de-stress when needed.
