

# Broadcast & Electronic Media Program

Prepare for your broadcast career at the only school in the bay area that boasts a 24/7 FM radio station (Jazz 91FM) and TV station (KCSM PBS). Plus, we have a new state-of-the-art TV studio & control room and new digital field equipment just for student training!

At **College of San Mateo**, you're in control of your broadcast education. If you're just starting your academic career, you may consider earning an **A.A. Degree** or **transferring credits to university** for your B.A. If you do not need a degree, but just want to update or improve your media production skills (but don't need Math, Science and English) you can choose a **Certificate of Achievement** (33 units) or **Certificate of Completion** (15-16.5 units) in 3 areas of concentration.

## Transferrable Credits for University

Start your college education at CSM, where you can take required courses for your B.A. at community college prices. CSM has transfer agreements with schools in the UC and CSU system. Recent students have transferred to:

- San Francisco State University (BECA dept).
- San Jose State University.
- Monterey Bay State University.

## Certificates of Achievement

Students take all courses in major (see next page). Three areas of concentration to choose from. No General Education course requirements. Total = 35.5 units.

1. Television Production
2. Broadcast Audio
3. Television Producing

## Certificates of Completion
