featuring

College Displays, Student Artwork, Historical Presentations,
Astronomy, Physics and many more!

THANK YOU TO ALL THESE BUSINESSES WHO MADE THIS EVENT FREE

Dear Jazz Lovers,

On behalf of everyone at KCSM and College of San Mateo, we would like to welcome you to the return of Jazz on the Hill 2013 and a celebration of College of San Mateo's 50th year on "the Hill."

We have planned an exciting day with America's indigenous art form...Jazz, a true gift to the world. And, the world class jazz you will hear today is from local musician right here in the Bay Area! We also have local artisans and food to complete your experience.

We are hosting this free community event on the beautiful College of San Mateo campus, with spectacular views of San Mateo Country and the Bay Area as our way of saying thank you to KCSM members and the community at large who support us all year long. You recognize the importance of our educational mission and the significance of keeping jazz alive and well, not only locally but worldwide.

So kick back, relax and enjoy the music.
