

COMMITTEE ON INSTRUCTION

MINUTES

January 12, 2012

Members Present

| | |
|------------------------|----------------------------------|
| Chair | Teresa Morris |
| Business/Technology | Patricia Brannock, Stacey Grasso |
| Kinesiology Division | Shana Young |
| Language Arts Division | George Kramm, Brandon Smith |
| Math/Science Division | Ken Brown, Barbara Uchida |
| Student Services | Martin Bednarek, Mary Valenti |

Members Absent/Excused

| | |
|---------------------------------------|----------------|
| Creative Arts/Social Science Division | Mike Galisatus |
| ASCSM | Kat Alvarado |

Non-Voting Administrators/Staff

Ada Delaplaine, Susan Estes, Arlene Fajardo,
Marsha Ramezane

Other Attendees

Laura Demsetz

Chair, Teresa Morris called the meeting to order at 9:10 a.m.

Motion was moved, seconded and carried unanimously (MSCU) to approve the Agenda, with the removal of MUS. 291, 292 and 293

Motion was MSCU to approve/accept the following Permanent Courses:

Creative Arts/Social Science

ART 383 Intermediate Digital Photography (3)
(new course)

ART 384 Advanced Digital Photography (3)
(new course)

MUS. 291 Electronic Music II (2)
(course revision, minor changes in descriptions and change in prerequisite)
Postponed to next meeting

MUS. 292 Sound Creation: Sampling and Synthesis (3)
(course revision, minor changes to descriptions and change in prerequisite)
Postponed to next meeting

MUS. 293 Audio for Visual Media (2.5)
(course revision, minor changes to descriptions and change in prerequisite)
Postponed to next meeting

Math/Science

- ASTR 200 Introduction to Astrophysics (3)
(new course)
Postponed (need to address specific activities for TBAs, transferability questions without physics based calculus; content overlap with another course as indicated in SLO#1)
- ASTR 203 Astroimaging Techniques (4)
(new course)
- ASTR 204 Application of Astroimaging Techniques (4)
(new course)
- BIOL 250 Human Anatomy (4)
(course revision, title and prerequisite change)
Accepted pending addition of kinesiology to description, revising of validation forms for reading and English recommended preparation on separate forms
- BIOL 310 Nutrition (3)
(course revision, minor change in content and descriptions)
- CHEM 192 Elementary Chemistry (4)
(six year update, minor changes, addition of SLOs)
Accepted pending revisions to the English validation form – addition of more details
- CHEM 410 Health Science Chemistry I (4)
(six year update, prerequisites and SLOs revised)
Accepted pending revisions to the English validation form – addition of more details
- CHEM 420 Health Science Chemistry II (4)
(six year update, prerequisites and SLOs revised)
- ENGR 215 Computational Method for Engineers and Scientists (3)
(course revision – removing materials fee, updating SLOs)
- GEOG 101 Geology Laboratory (1)
(course revision – removing TBA, updating SLOs and minor changes)
Accepted (recommendation to remove “field trip” from course content area was waived; instructor included field trip to parallel the C-ID Descriptor for TMC degree)
- PALN 110 General Paleontology (3)
(course revision – minor changes and updating SLOs)
Accepted pending addition and review of TBA activities

Motion was MSCU to postpone the following Information Only Items to the next meeting:

Creative Arts/Social Science

- New AA-T Major in Studio Art and banking Major in Art and Major in Fine Arts, options 1, 3-4
- Update Major in Fine Arts, option 2

- New AA-T Major in Political Science

Math/Science

- New CS in Astroimaging and Observatory Operation

The units come to 27 instead because they need to take prerequisite courses; reword description of high demand for positions

Motion was MSCU to accept the following Information Only Items:

Creative Arts/Social Science

- New AA-T Major in Psychology
- Memo unbanking PLSC 150

Language Arts

- Memo banking ESL 890 and ESL 849

The following courses were accepted as AA/AS GE courses by online vote:

| | | |
|------|-----|--|
| ELEC | 445 | Industrial Data Communications Systems – Area E2c (Communication and Analytical Thinking) and Area E5d (Career Exploration and Self Development) |
| KINE | 201 | Yoga Pedagogy Lecture - Area E5d (Career Exploration and Self Development) |
| KINE | 202 | Yoga Pedagogy Lab - Area E5d (Career Exploration and Self Development) |
| SOCI | 121 | Introduction to Research Methods – Area E5b (Social Science) |

Pending discussion:

KINE 202 Yoga Pedagogy Lab - Area E4 (Physical Education)

Motion was MSCU to adjourn the meeting at 11:30 a.m.
