CONTINUING STUDENTS!

Students currently enrolled or students who attended SUMMER 2009, FALL 2009, or SPRING 2010 terms are considered continuing students. High school concurrent enrollment students are admitted each semester as “special admits” and are not considered continuing students for the purpose of regular college admissions.

- April 12 – May 28
  
  Meet with counselors now to complete summer and fall course planning!

- June 1 – August 18
  
  As result of budget cuts, we have very limited counseling available for continuing students. Call 650-574-6400 or go to Bldg 1, 115 or Bldg 1, 207 for more information. Some group counseling appointments will be available.

  Use WORKSHEETS to review your progress toward your goals of achieving an associate degree, transfer to the California State University system, or transfer to the University of California system. Go to your Web SMART account to get a copy of your transcripts, the download a worksheet at www.collegeofsanmateo.edu/FORMS. With this information you can identify completed requirements and areas yet to be completed.

  ✓ Associate Degree Completion Worksheet
