

**College of San Mateo
Evacuation Areas**

In all evacuations, precaution should be taken to maintain distance from buildings in the event of collapse, falling debris, and explosion.

Building	Evacuation Area
Buildings 1, 5, 9	Quad area between Building 1 and Building 5; Building 9 may also evacuate to the grassy area on the east side of Building 9
Buildings 2, 3, 4	Southwest area by Building 4
Building 8	South entrance of Building 8, near turn around and quad area between Building 1 and Building 5.
Building 10	Main plaza, near fountain and Forum parking lot (Lot 8) east of Building 10
Buildings 14, 15, 16	Main plaza, near fountain and Socrates parking lot (Lot 4)
Buildings 12, 17, 18, 19, 20	Main spine, south of Building 36. Building 18 may also evacuate to the Socrates parking lot (Lot 4). Efforts should be made to keep the sidewalk on the main spine clear for emergency vehicles.
Building 30	Parking area near track
Building 33	Child Development Center parking Area
Building 34	Forum parking lot (Lot 8) east of Building 10
Building 35	South side of Building 35
Building 36	Parking lot to the west of B36; garden area to the east of B36; main spine south of Building 36.
