Film 140: Contemporary World Cinema

Wednesday Nights, 6:10–10:00 pm • CSU & UC Transferable

Film 140: Contemporary World Cinema (CRN 44760) - This course will focus on a wide variety of films from Latin America: Mexico, Brazil, Argentina, Cuba, Peru, Central American countries, and more. We will cover the dynamic, sometimes problematic relationship between the US Hollywood film industry and these national cinemas. Other issues around gender, ethnicity, violence, mass media and post-colonial identity to be explored. Narrative, documentary and experimental films.
