

Guided Pathways

SKYLINE'S META-MAJORS & GUIDED PATHWAYS

Agenda

- Skyline's Comprehensive Redesign
- The Skyline College Promise
- The Design Teams, Inquiry & Workgroups
- Meta-Majors & Guided Pathways
- SMCCCD Guided Pathways Web Application
- Questions???

Skyline College Comprehensive Redesign

- Started in 2015
- About getting the campus community together
- No Silos
- Build this bike while we're riding it
- Cross-Functional Team Approach
- Looking outside our system for brilliance

Brutal Truths

During a Leadership Retreat in 2014 Skyline was encouraged to “face the brutal facts”.

-Each year, only about 50% of new Skyline College students persist from Fall to Spring.

-On average, Skyline College students attempt 120 units, complete 100 units and only need 60 units to graduate or transfer.

-After 3 years, approximately 14% of Skyline College students complete their educational goals.

Most students are not reaching their academic goals on time or at all.

Skyline Promise

Get in & ~~Get Out~~

Get in, Get Through & Graduate

Get in & Achieve your Goals within the Timeframe Promised

Provide Students the ability to access, enter, progress through and successfully achieve their educational goals within the timeframe promised

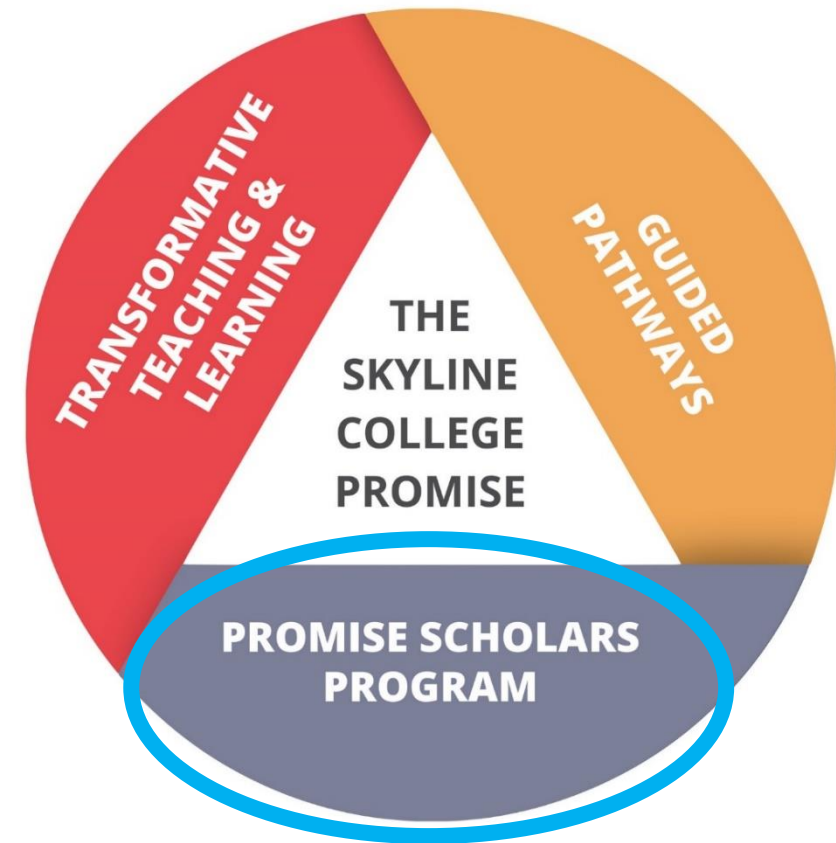

The Skyline College Promise is our commitment to empower students to find success at every point in their educational journey, so that they can ***get in, get through and graduate on time.***

Skyline Promise - Promise Scholarship

Makes college more affordable and ensures that higher education is achievable for first-time, full-time students in the program.

Specifically, the Promise Scholars Program includes support for:

- Cost of students' fees not already covered by their financial aid award
- Access to Textbook vouchers/support
- Dedicated and individualized counseling support

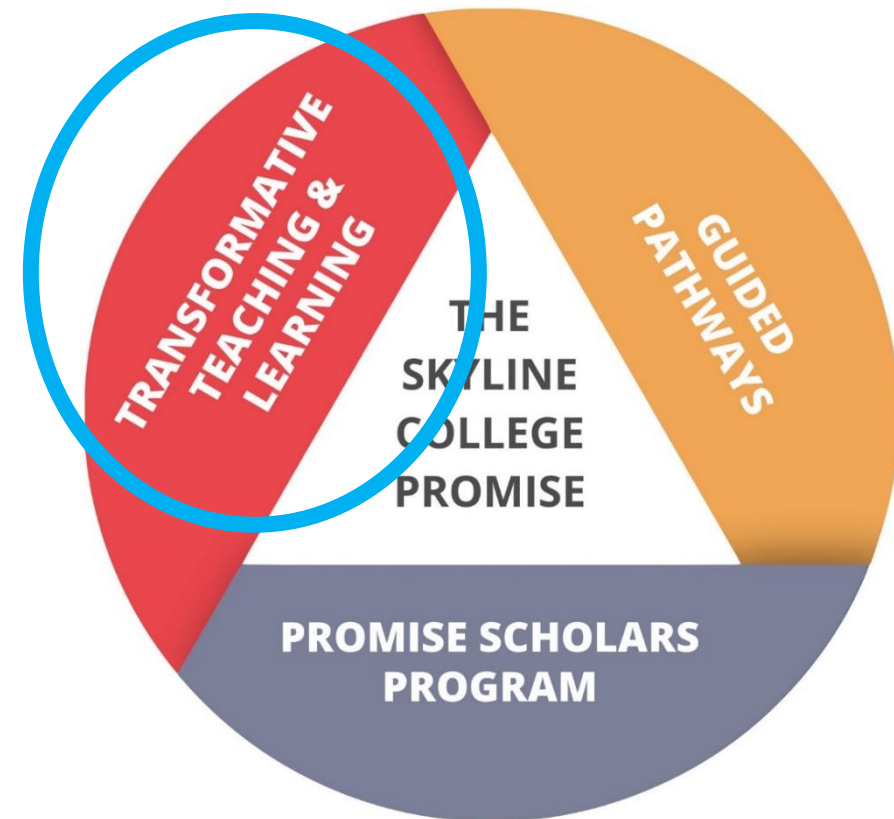

Transformative Teaching & Learning

Embraces the limitless potential of all learners in a co-creative, relevant, and innovative environment that fosters curiosity and critical thinking and gives space to lived historical and cultural identities to change lives and communities.

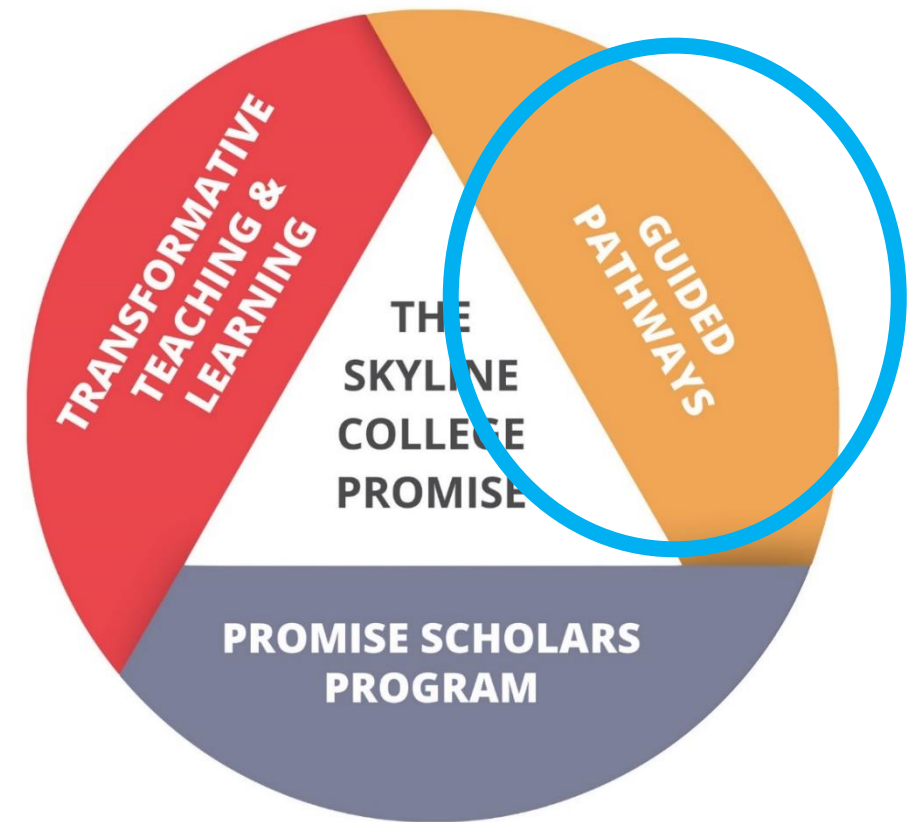

Translation:

Skyline has a “Center for Transformative Teaching and Learning (CTTL)” where faculty can learn teaching & technology best practices.

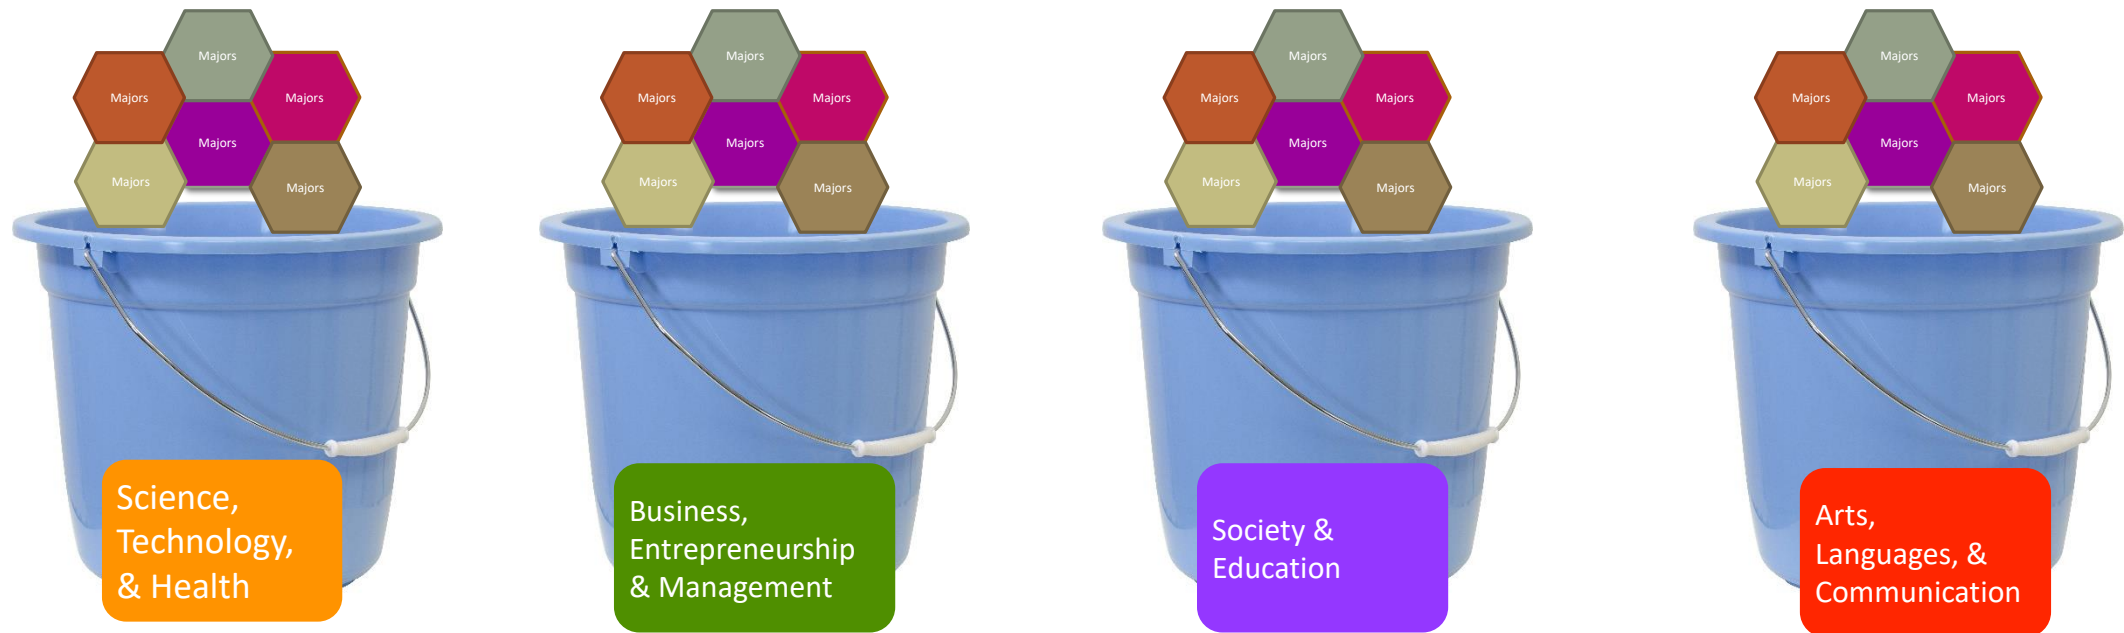

Skyline Promise - Guided Pathways

Guided Pathways – Provide students with clear, educationally coherent program maps that include specific course sequences, progress milestones, and program learning outcomes.

Meta-Majors

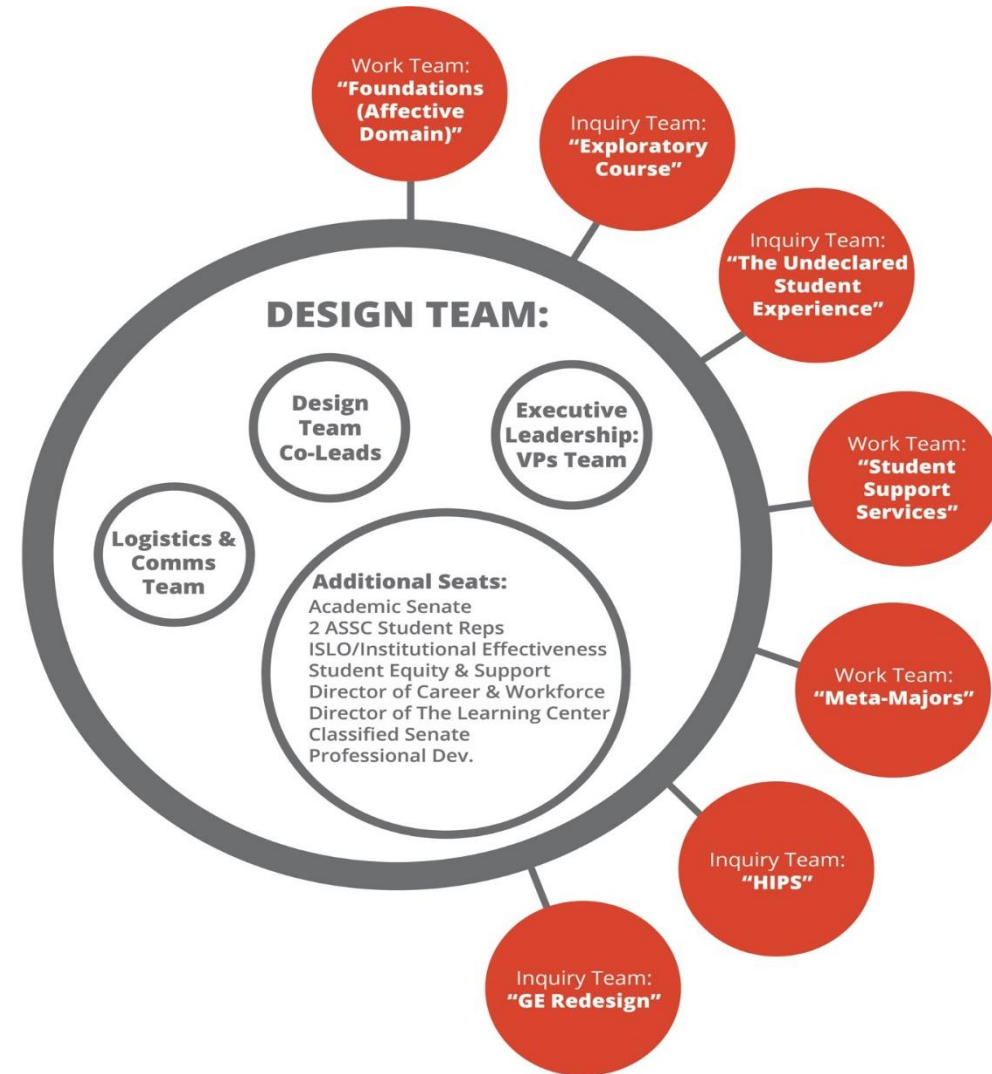

Meta-Majors – Categories of degrees and certificates with overlapping program requirements. Students within a 'Meta Major' are able to explore the fundamentals in their area of study and easily pivot into related programs.

Teams

After a year they divided into one large Master Design Team and several subgroups called Inquiry/Work teams.

The Inquiry/Work teams leads reported back to the Design Team.

Teams

Exploratory Course Inquiry Team

An exploration of designing a first semester course to support all students through the transition into college and careers with the goal of promoting academic and professional success for all.

Foundation (Affective Domain) Inquiry Team

An exploration of the beliefs and behaviors that promote college success for all and how Skyline College can incorporate them into all foundational courses.

GE Redesign Inquiry Team

A continued exploration of how Skyline College should contextualize general education courses to make them more relevant to students and make the curriculum more cohesive.

HIPs (High Impact Practices) Inquiry Team

An exploration of pedagogy centered on equity and high impact teaching practices such as undergraduate research, service learning, e-portfolios, culminating projects, study abroad, internships and more.

Meta-Majors Work Team

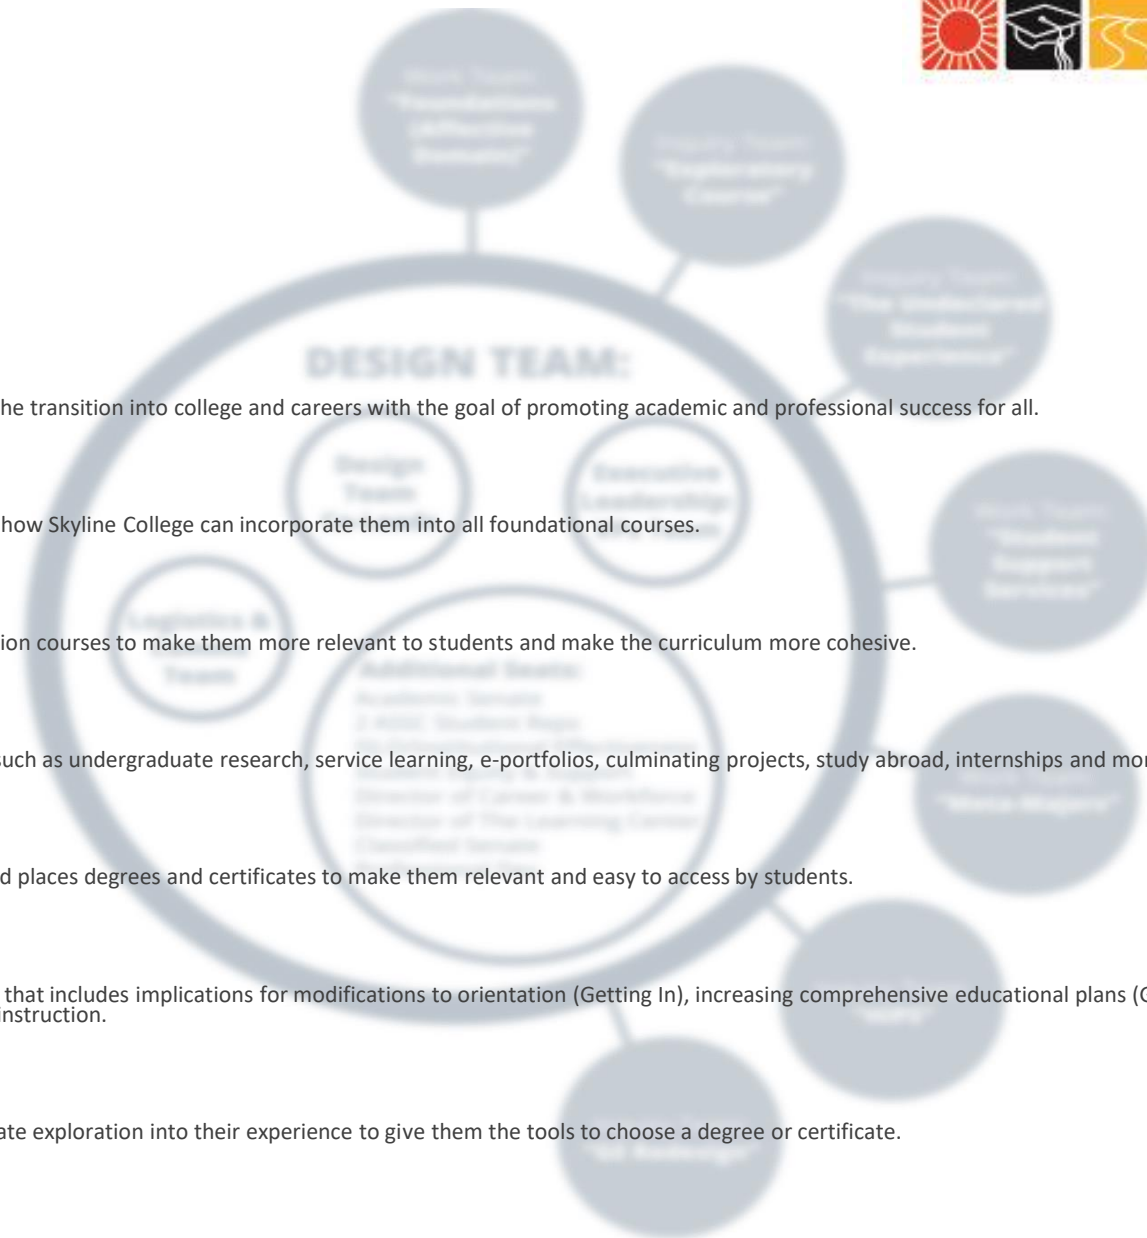

A continued exploration of how Skyline College should structure its Meta-Majors and places degrees and certificates to make them relevant and easy to access by students.

Student Support Services Work Team

An exploration of redesigning student services to be in alignment with Meta-majors that includes implications for modifications to orientation (Getting In), increasing comprehensive educational plans (Getting Through), delivery of career support and services (Career Development), and examining integration with instruction.

The Undeclared Student Experience Inquiry Team

An exploration of the experience of undeclared students, including how to incorporate exploration into their experience to give them the tools to choose a degree or certificate.

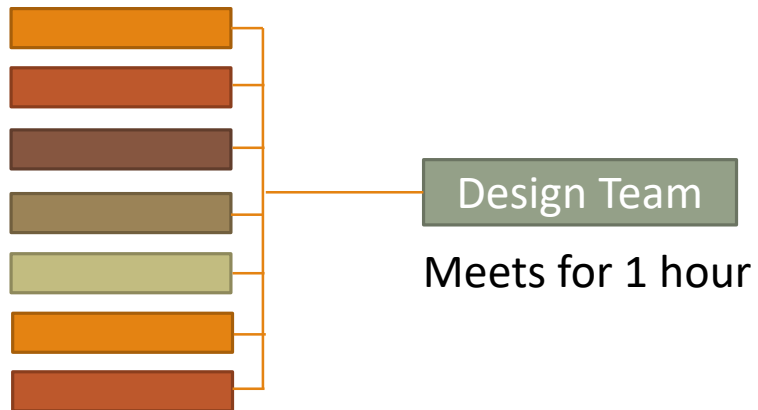

Teams

One Team – 7 areas to cover – 1 hours per area = 7 hours

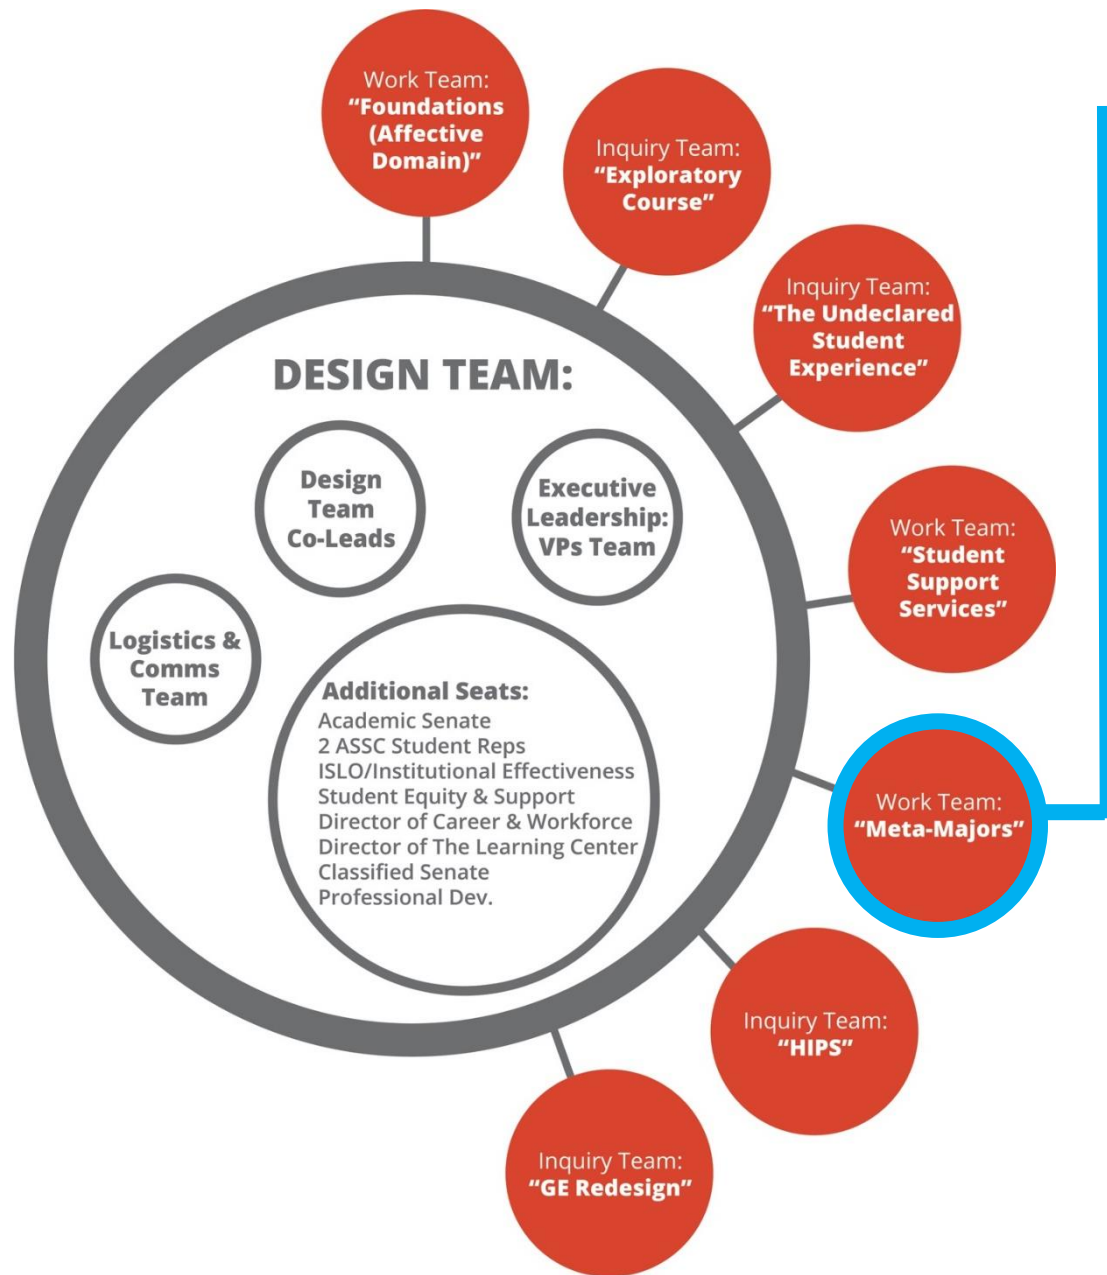

Seven Teams – each with 1 areas to cover – 1 hours per area = 1 hour

7 hours compared to 2 hours

Meta-Majors Work Team

A continued exploration of how Skyline College should structure its Meta-Majors and places degrees and certificates to make them relevant and easy to access by students.

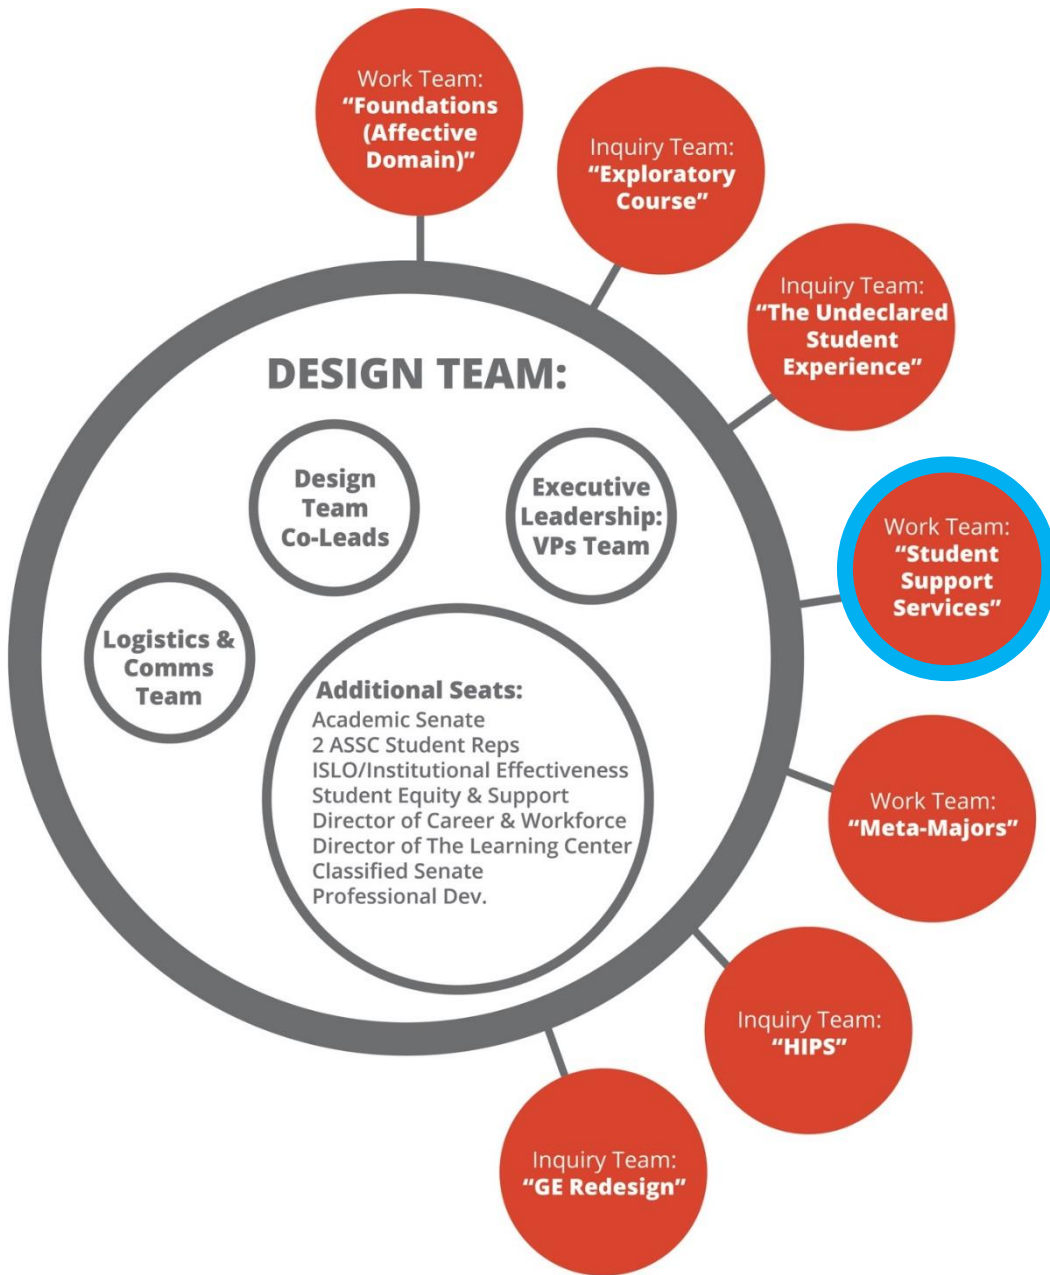

Skyline Meta-Majors

Science,

Skyline Promoted Meta-Majors by:

- High School Outreach includes Meta-Major Selection
- Update Orientation to include use of videos, multiple measures content, and integration of MyMajors (*vendor product, online self-assessment that we customize*)
- Assign a Counselor to Each Meta-Major
- Assign a Workforce, Job Placement Person to each Meta-Major
- Meta-Major Day
- Undecided students placed in the “Explorer Program” – *First semester intensive 4-5 counseling sessions focused on major/career exploration.*

Guided Pathways

Guided Pathways

2 Year AS Accounting Degree

NAME OF DEGREE: AS **Accounting**

FALL 1	UNITS	SPRING 1	UNITS	SUMMER 1	UNITS
ACTG 100	3	ECON 100	3	GE (area B)	4
BUS. 103	3	BUS. 401	3		
ENGL 100 (A2)	3	ENGL 110 or COMM (A1)	3

BUS. 123	3	ACTG 144	1.5		
BCM. 225	1	ACTG 145	1.5		
BCM. 226	2	ECON 102	3		
BUS. 201	3	HIST 240 (can meet E)	3		
GE (area C)	3	ACTG Elective *	1.5-3		
		PE	1		
UNIT TOTAL	16	UNIT TOTAL	15.5-17	UNIT TOTAL	

Advising Notes: Accounting electives, choose one: ACTG 103, 145, 670, 171, 172 or BUS. 100. Students who intend to transfer, should follow the IGETC GE pattern. See with your counselor for more information.

Different than the Catalog Program Requirements

Example:

- Divided by Semesters
- Recommended order of classes based on prerequisites
- Generic GE Sections

It is a guide not an official Student Ed Plan (SEP)

Program Requirements

Required Business Core Courses:

	Units
ACTG 121 Financial Accounting	4 units
BUS. 103 Introduction to Business Information Systems	3 units
BUS. 201 Business Law	3 units
BUS. 401 Business Communications	3 units
ECON 100 Principles of Macro Economics	3 units

Required Courses for the Major:

	Units
ACTG 100 Accounting Procedures	3 units
ACTG 131 Managerial Accounting	4 units
ACTG 144 QuickBooks: Set-Up and Service Business	1.5 units
BUS. 120 Mathematical Analysis for Business	3 units
OR	
MATH 241 Applied Calculus I	5 units
OR	
MATH 251 Calculus with Analytic Geometry I	5 units
BCM. 225 Spreadsheets I: Excel	1 unit
ECON 102 Principles of Microeconomics	3 units
ACTG 169 Accounting Ethics prerequisite: ACTG 121 or equivalent	3 units

ACADEMIC AND CAREER PATHWAYS

ABOUT ACADEMIC & CAREER PATHWAYS

APPLY REGISTER FOR CLASSES HELP PAYING FOR COLLEGE

FIND THE PATH TO MEET YOUR GOALS

Academic and Career Pathways (ACPs) are collections of majors with related courses that fit within a career area. ACPs help guide you toward fulfilling careers through academic programs and integrated experiences and support services. You can narrow down your choice of major and begin developing an educational plan that leads to degree or certificate completion or transfer. You will also join a community of like-minded individuals working toward similar academic and career goals.

BUSINESS & TECHNOLOGY **CREATIVE & APPLIED ARTS** **HEALTH SCIENCES**

LANGUAGES COMMUNICATION & HUMANITIES **MATH & SCIENCES** **SOCIAL & BEHAVIORAL SCIENCES**

PATHWAYS: BUSINESS & TECHNOLOGY, CREATIVE & APPLIED ARTS, HEALTH SCIENCES, LANGUAGES, COMM. & HUMANITIES, MATH & SCIENCES, SOCIAL & BEHAVIORAL SCIENCES

Academic Program Plan for Full-Time Students
All plans can be modified to fit the needs of part-time students by adding more semesters.
This sample course sequence does not represent a contract or guarantee of course availability.

- This plan includes general education satisfying Plan A (MiraCosta College GE).
- This plan assumes student placed into MATH 64/102 or higher and transfer-level English.
- The associate degree will be awarded upon completion of at least 60 units of approved coursework, including a minimum of 18 units in a college-defined major, and satisfaction of additional MiraCosta College graduation requirements. Please see miracosta.edu/degree/certificate/transferinfo/requirements/.

YEAR 1		YEAR 1 MIN-MAX UNITS: 30-30
FALL	NOTES	UNITS
ACCT 201/201H	The department highly recommends that students without knowledge of accounting principles take ACCT 101 prior to ACCT 201/201H.	4
BUS 120 or BUS 130		3
CSIT 110 or CSIT 128	CSIT 110 satisfies GE Area E.	3
ENGL 100		4
Total Units Fall:		14
SPRING	NOTES	UNITS
ACCT 202/202H		4
Area A2: Communication & Analytical Thinking	Courses completed with a "C" or "P" can be used to meet the graduation competency requirements.	3
Area E: Lifelong Learning		3
Area F: Cultural Diversity	Courses completed in this category may also satisfy another general education requirement.	3
Total Units Spring:		16
YEAR 2		YEAR 2 MIN-MAX UNITS: 30-30
FALL	NOTES	UNITS
ACCT 145 or ACCT 146	ACCT 145 satisfies GE Area E.	4
ACCT 158 or BUS 204	BUS 204 satisfies GE Area A2.	3
Area B: Natural Sciences		4
Area D: Social & Behavioral Sciences		3
Elective		1
Total Units Fall:		15
SPRING	NOTES	UNITS
ACCT 148 or ACCT 104		3
BUS 140		3
BUS 290/290H		3
Area G: American Institutions & History	Courses completed in this category may also satisfy another general education requirement.	3
