- *Ask them to help plan for August flex and facilitate, and invite them to a March/April meeting to start planning*
- *Request structured support for counseling faculty (counseling meeting facilitation, late spring or fall?)*
- *Structured support for student collaboration. Miya met with the students and they all might have suggestions on how we can benefit from including CLP in collaborating to bring students into the conversation.*

**NEXT STEPS**

- *Flex Day on 3/29: Again have a closed meeting. Agenda?*
