

There are things you can do to **protect** yourself and others from the **flu**

Wash your hands often, especially after sneezing or coughing. Use soap and warm water or alcohol-based hand sanitizer.

Avoid touching your eyes, nose or mouth.

Avoid close contact with people who are sick.

Cover your mouth and nose with a tissue or sleeve when coughing or sneezing.

Put your tissue in the trashcan.

Stay home when you are sick.

Wear a mask when you are sick and coughing.
