- **Review of Day's Agenda**
- **Review of Previous e-Meeting's Summary**
- **Agenda Items**
 - Comments or changes to the Spring "To-do" list? (Attachment)
 - **Self-select tasks** where you will be the "Point Person" (Put your name in the appropriate column in the attachment.)
 - Mode-specific SLOs Revisited
 - The Accrediting commission still wants mode specific SLOs. I've communicated DEC's philosophical opposition to this, but alas we need to provide something. I'm proposing these as a starting point:
 - SLO – Students will demonstrate appropriate web-based communications and use of social networking tools.
 - SLO – Students will effectively navigate the course website, including such activities as file uploads and downloads, email, and test taking.
 - Announcements
- **Agenda for Next Meeting Date of Next Meeting:** Agenda TBA, next ONLINE meeting Feb. 9th .
