

San Mateo County High School Graduates'
Enrollment in SMCCCD
San Mateo County Community College District (SMCCCD)
Take Rates: 2005-2009

Key Findings:

- For decades, CSM has been the top choice community college for San Mateo County high school graduates.
- In 2009, for example, of 6,257 San Mateo County high school graduates, 2,035 (33%) enrolled as freshmen in a California Community College.
- Of those who enrolled in a California Community College, nearly 40% enrolled in College of San Mateo.
