Assignment: What You Need to Do

Write an essay indicating which of two readings (Chapter 12 from John Wooden's book They Call Me Coach or "The Disease of Me" from Pat Riley's book The Winner Within) you think new student-athletes to the CSM football team should be required to read.

Your essay should consist of three parts: a section about the difficulties of attaining success, a section summarizing each of the two essays, and a section explaining the rationale for your recommendation. The recommendation section should compare the strengths and weaknesses of the two essays to show *why* you recommend one over the other.
