FALL 2006!

Understanding Problems and Solutions in the New Millennium

Join a group of students to explore some of the most important and controversial issues we face in the new millennium

Why should you take this class?

- To satisfy **TWO** GE requirements: **ENGLISH 100** and **SOCIOLOGY 100**
- To have assignments count in both classes
- To develop a better understanding (and earn higher grades!) by exploring issues in more depth
- To discuss interesting and controversial issues
- To improve your social and self awareness
- To make new friends
- To work with two great instructors

A College of San Mateo Learning Community
