

## **CSM Draft Mission Statements**

CSM Mission Statement – Oct. 2017 – Version 1 (distributed and read at IPC)

College of San Mateo is committed to serving the broad educational needs of learners in the Bay Area as well as the world community. Working from an equity-centered paradigm devoted to closing opportunity gaps, our goal is to foster a culturally inclusive environment of student success by providing effective pathways that equip and empower our students to become engaged global citizens.

CSM Mission Statement – Oct. 2017 – Version 2 (distributed via email)

At the College of San Mateo, our goal is to foster a culturally inclusive environment of student success. By providing effective pathways that equip and empower our students to become engaged global citizens, we are working towards closing educational opportunity gaps by serving the broad educational needs of learners in the Bay Area as well as the world community.
