Instructions:

Go to the Program Review website.

http://collegeofsanmateo.edu/programreview/programreviews2018.asp

You do NOT need to log in, but just click on the link to the program review listing (see above)

1. You may review the program reviews and resource requests online or print them out.
2. We have set aside one IPC meeting -- November 7th for the exclusive review of the program reviews. You may wish to meet additional times with your group to discuss your program reviews.
3. Each group member should complete a program review feedback form for each program review that is assigned to them by their group chair.
4. All feedback forms should be submitted to the group chair. The group chair will ensure that one rubric is completed for each program and submitted to Mary Vogt by the end of the day on Wednesday, November 21, 2018.
5. All feedback forms will be available on a PRIE shared site by December, 2018

Note: Highlighted programs indicate that they are CTE programs and should be reviewed using the CTE rubric.
