Learning Center, 2:15-4:15

1. Strategic Alignment
 - From the students' perspective, how accessible, visible, are we?
 - Brochures and web presence, common SLO, hours and services

2. Data Collection
 - Update on program review
 - Satisfaction Survey and SARS research customization

3. Composition of a “consultation group” for the Learning Center
 - Representation: Student Services, departments with LC resources, labs and centers representation by division?

4. Measure G Funds
 - What is the process we'd like to recommend for distribution?
