DEFINITIONS AND NOTES:

This student profile is based upon data gathered about student users of the lab who completed the Student Satisfaction Survey and provided valid "G" numbers. All demographic and enrollment data were derived from the student academic database using students' "G" numbers.

Retention %: Percentage of course enrollments with a grade of A, B, C, D, F, P, NP, I. (Only excludes W's.) Hence, an 80% retention rate = a 20% "W" rate.

Success %: The percentage of course enrollments with a grade of A, B, C, or P.

Non-Success: The percentage of course enrollments with a grade of D, F, NP, I, or W.

* Day/Evening Course Enrollments: 85.1% of all the courses enrolled by student respondents were day courses.
