2010/2011 Goals:

1. To maintain outreach efforts with regional English language schools by mailings and e-mails and limited visits. On track
2. To enhance CSM’s online presence with maintenance of the electronic application and an updated CSM International Student Program web site. Update and revision of the CSM international student website was completed in spring 2011. On track.
3. Continue to offer an expansive orientation for new international students. Several events targeting international student to increase acclimation and retention were held in 2010/2011 in addition to the two orientation programs. On track.

Vice Chancellor Jing Luan is working with College of San Mateo to

increase international student enrollment through outreach to our Chinese students.

5. To establish cross-enrollment programs with English language schools, as well as Four-year transfer schools. Twelve American Academy of English students have been admitted to CSM and enrolled in fall 2010, four in spring 2011. On track.
 6. Continue NAFSA membership a valuable source of information and liaison between Homeland Security and SEVP (Student and Exchange Visitor Program).
 7. Principal Designated School Official (PDSO) successfully completed SEVP Certification of Training on-line course program. Designated School Official (DSO) SEVP Training Certification completed.
4. Have you identified any new goals or projects for the program to focus on during this next year? Please explain (grants, stipends, initiatives, etc.).
1. Continue and maintain an academic counselor trained to counsel International Student students.
 2. Identify and certify an additional Designated School Official (DSO) for Homeland Security/SEVIS (Student Exchange Visitors System) reporting.
5. Are there any critical issues you expect to face in the coming year? How will you address those challenges?

The global recession has continued to be difficult for international students to fund their education in the U.S. We anticipate fewer students will transfer to a 4-year university, yet more will be applying for an associate's degree to ensure they have a U.S. degree should they need to return to their country sooner than anticipated. Economic difficulties world-wide may lead to a decrease in the number of applications for 2011/2012.

Anticipated revision and conversion proposed for 2012 of SEVIS I (Student Exchange Visitors System) Homeland Security rules and regulations to SEVIS II. Homeland security has advised to be prepared to have intensive workshops to learn new regulations and reporting requirements as well as institution business plans and procedures discussions to implement the new SEVIS II program.

6. STUDENT LEARNING OUTCOMES (SLOs) AND ASSESSMENT FOCUS FOR THIS YEAR:

- a. Identify at least one course SLO on which to focus. Describe the assessment strategies you will use and your method of reflection and documentation for this cycle.

SLO #1: F-1 students at CSM will be apprised of and be knowledgeable of the SEVIS/immigration regulations for maintaining their F-1 Status.

- Mandatory "F-1 Visa Update" meetings will continue to be scheduled each semester. Additional events and activities (parties, mandatory meetings, etc.)

Assessment of SLO

A pre and post test will be administered to determine understanding of SEVIS/immigration regulations for retaining F-1 compliance status at each mandatory orientation beginning fall 2011 and spring 2012 semesters.

Assessment of SLO for Mandatory F-1 Immigration meetings for fall 2010 semester, 1 student out of a 105 students was terminated in SEVIS for being out of status.
