The first year of college brings promise of new opportunities, new classes, and new friends. However, the transition from high school to college can be a daunting one. College of San Mateo's first-year experience program, Year One, seeks to ease the transition from high school to college by providing students with a simple transition path paired with a supportive community. Year One assists students during three critical points of transition: the enrollment period, summer time, and through their first year at CSM.

Launched in Summer 2016, Year One collaborated with local high schools to support 48 students as they prepared for their first year of coursework at CSM. From connecting students to specific coursework and other resources across campus, Year One focuses on building community among new students, and the faculty and staff that support them. Part of this supportive community includes Jennifer Taylor-Mendoza, dean of academic support & learning technologies at CSM. Dean Taylor-Mendoza oversees the program and says "with Year One we are redesigning the first year of college to just not simply look at the 'achievement gap', but to seriously reconsider this as our own 'obligation gap' as we support the young people in our community. To appropriately provide an accessible

### Alumni at a Glance

#### Jeffrey D. Levine

Former U.S. Ambassador  
CSM Alumnus

CSM alumnus and retired United States Ambassador Jeffrey D. Levine will give this year's commencement address. He was nominated to be the ambassador to Estonia by President Barack Obama in 2012 and served until 2015.

Mr. Levine served as Deputy Chief of Mission/Chargé d'Affaires at the U.S. Embassy in Budapest, Hungary from 2007–2010. In addition, he served as Deputy Chief of Mission in Sofia, Bulgaria and has also been posted to Brasilia, Brazil; Nicosia, Cyprus; Alexandria, Egypt; Kuala Lumpur, Malaysia; and Lima, Peru.

Mr. Levine is a member of the Senior Foreign Service with the rank of Minister Counselor.

At the time of his nomination, he had been the U.S. Department of State's director of recruitment, examination and employment since September 2010.

Levine has received numerous Department of State awards as well as the Golden Laurel Medal, presented by the Government of Bulgaria.

Prior to his career at the Department of State, Levine worked as a reporter for seven years and was a founding staff member of *USA Today*.

He and his wife, Janie, have one son, Nick. When asked for his personal motto in a 2009 interview in Hungary, Levine quoted American songwriter Jason Mraz: "Leap, and the net will appear."

### Denis Vasquez's Year One Experience

Denis Vasquez has overcome many challenges in the past, the most prominent being a learning disability that he was diagnosed with at a young age. By working hard and seeking help from teachers after school, Denis was able to overcome these challenges and be part of his family's first generation to attend college. Denis, who is a graduate of San Mateo High School, is in his first year at CSM and has already built up great momentum in a short period of time. Denis was able to get a head start at CSM during his senior year of high school by applying for a few CSM scholarships. He was thrilled when he learned he was awarded two scholarships that allowed him to attend CSM full-time.

Only a semester and a half into college, Denis has quickly learned to take advantage of campus resources and is already finding success. He became involved with Year One, a program that helps first-year students transition smoothly from high school to college. Through Year One, Denis is able to obtain first-hand assistance on scholarship applications and can attend student success workshops that offer help with job-searching and resume preparation. This year's cohort is enrolled in college success courses, which Denis is enjoying. He says, "These college success courses and Year One, on a whole, are great resources for first-year students to have access to, like student success workshops and

### Working Together: CSM Partners with Local High Schools

CSM President Michael Claire (left) works closely with San Mateo Union High School District Superintendent Kevin Skelly (middle) and Cabrillo Unified School District superintendent Jane Yuster (right) to ease students' transition to college.

By Michael Claire, CSM President

Almost half of San Mateo County high school students attend one of our district colleges immediately after graduating from high school. In fact, the number is even higher if you include "reverse transfers"—students who start at a university but return to us after a few semesters. Given these statistics, it is imperative that we work with our local high schools so community college-bound students are successful CSM students

As president, I feel very fortunate to have the opportunity to work directly with Kevin Skelly, superintendent of the San Mateo Union High School District, and Jane Yuster, superintendent of Cabrillo Unified School District. Both Kevin and Jane are committed to the success of all students, regardless of their ultimate destination after graduation.

Many community colleges, including CSM, now offer a "Promise Program" where qualifying students receive

free tuition and help with textbook costs for their first year of college. While financial assistance is helpful, it is only part of a larger solution. That's why CSM has gone far beyond a simple Promise Program and has implemented Year One—a comprehensive program designed to help all students with the transition from high school to CSM, and to support students in that very important first year of college.

As we began talking to high school principals and guidance counselors about Year One, it became clear that we need to work directly with community college-bound students before they graduate from high school; that's why the relationship between CSM and our local high schools is so important. I am very appreciative of the support that we have received from Superintendents Skelly and Yuster, our high school principals, and others. We want to work with our high school partners to build a

# Message from the President

Welcome to College of San Mateo's Fall 2017 semester. CSM is the single largest post-secondary destination for San Mateo County high school graduates. As you look through the schedule, you will notice that we have included articles that describe how we are providing recent high school graduates with a more customized approach to their education.

Many community colleges, including CSM, now offer a "Promise Program" where qualifying students receive free tuition and help with textbook costs for their first year of college. While financial assistance is helpful, it is only part of a larger solution. That's why CSM has gone far beyond a simple Promise Program and has implemented Year One—a comprehensive program

designed to help all students with the transition from high school to CSM, and to support students in their first year of college. We feature the Year One program in our CSM in Your Community section.

No program can be successful unless we have strong partners and we have always had good relationships with our local high schools. However, those relationships have become even stronger as we have worked with both the San Mateo Union High School District and the Cabrillo Unified School District on a number of initiatives. I feel very fortunate to work with Kevin Skelly, Superintendent of the San Mateo Union High School District, and Jane Yuster, Superintendent of the Cabrillo Unified School District. Both Kevin and Jane are dynamic leaders who are committed to the success

of all students. I invite you to read the article on high school relationships, which highlights some of the goals that we have been able to accomplish together.

The single most important relationship in education is the relationship between student and teacher. Statistics professor Yvette Butterworth is a shining example of the type of faculty that we have at CSM. Math can be a daunting subject for many students, but Yvette and her colleagues have designed courses and support programs to help all students successfully complete their math requirements. I hope that you take some time to read about the good work that Yvette is doing at CSM.

In my three decades as a community college educator, I can honestly say that community college provides a kinder and gentler entry into higher education. I can't tell you how many of our students have gone on to universities, including graduate schools, return to CSM, and tell us that their most meaningful educational experience was attending CSM. We are extremely proud to know that CSM made a difference in their lives and our student experience story about Denis Vasquez reflects this sentiment. His story demonstrates how the support he received from CSM's Year One program has made a difference in his educational experience.

As you look through this schedule, I hope you find classes that will interest and inspire you and advance your educational goals. We look forward to seeing you on campus.

Michael Claire, CSM President

## About College of San Mateo

College of San Mateo is located at the northern corridor of Silicon Valley and situated on a beautiful 153-acre site in the San Mateo hills that provides a panoramic view of San Francisco Bay. Since 1922, CSM has been a gateway to higher education leading to university transfer, career preparation and advancement, and professional and personal development.

The College currently serves approximately 10,000 day, evening and weekend students per semester. CSM students reflect the diversity of the Bay Area and have a range of educational goals. To best serve our students, the curriculum offers a wealth of programs that include traditional, semester-length and short courses in addition to distance education.

Students can experience a vibrant campus life to complement classroom learning that includes leadership development, student government, more than 30 student clubs and educational and cultural activities. CSM is proud of its championship intercollegiate athletic teams which compete at the highest community college level. Many student-athletes receive scholarships and continue at four-year institutions and numerous CSM athletes have gone on to professional careers.

To ensure student success, CSM offers a comprehensive selection of academic support services. Resources include financial aid and scholarships, counseling, transfer services, tutoring, employment assistance, health services and child care, among many others.

# CSM Professor of Math Yvette Butterworth Profile

Yvette Butterworth came to CSM in 2016 as a new Associate Professor of Math and Science, greatly expanding CSM's math programs in new directions. Before Yvette arrived at CSM, she built a teaching career out of love of math and statistics coupled with a huge desire to teach them to community college students. She benefits CSM by bringing her experience with Math Jam, a program she has since established here with the enthusiastic help of other faculty within the past year, among other contributions.

Yvette has been teaching since 1990, beginning her career soon after graduating with a degree in Mathematics at CSU Chico. Her first teaching job was with Challenger Schools in the Bay Area. After helping open two new schools in the Challenger system, working as an administrator, teaching and substituting at their Sunnyvale school, she returned to CSU to obtain a master's in statistics. Since then, Yvette has taught at several community colleges, including Cañada and Foothill Colleges.

CSM was searching for a full-time faculty member in math with a passion for statistics and student success. The faculty and administration of CSM found Yvette was a perfect fit, and she jumped at the chance.

Yvette helped Professor Jay Lehmann grow CSM's Math 190 Pathway to Statistics class. She says, "Pathway to Statistics is a fantastic way to make statistics more accessible to non-math oriented majors."

Charlene Frontiera, dean of math and science, asked for Yvette's assistance in re-launching Math Jam at CSM. Building upon her prior involvement with the successful program at Cañada has helped her success in establishing the program here at CSM. Math Jam launched in August, 2016 and was well received.

Not only has Yvette jump-started Math Jam at CSM, she also serves as a representative on CSM's Equity Committee, where she hopes to make an impact and improve equity in math classes by working alongside staff and STEM Center faculty to support students taking the course.

Yvette describes Math Jam as "A way to help CSM students succeed. Faculty supports the students in the program by allowing them a relaxed environment in which to refresh and enhance their existing math skills. Many times, students haven't taken math in years, and when they take a placement test with little or no review, they often end up being placed in classes far below their level of capability." Math Jam allows students to "get back on the math bike" and reach their true potential. The goal is to aid the students in reaching their math goal and accessing those classes on the path to their dreams.

Yvette also teaches Pathway to Statistics, whose curriculum is a combination of algebra and statistics. "The focus is to prepare students for statistics using a hands-on curriculum with lots of group work." Yvette says. "Algebra helps prepare students for statistics classes and improve their grasp on statistical theory."

The success rates for students in courses like Pathway to Statistics state-wide show vast improvement in successful completion of transfer level math. The numbers in some instances have increased a whopping 20%, with even higher success rates among most at-risk students.

Yvette fell in love with statistics while completing her applied math requirements and chose to pursue an advanced degree in statistics. She had often imagined that degree would get her to the community college classroom. For six months, she drove by a local community college and thought about teaching math there, and

when she graduated, that was where she got her first teaching job. Yvette was excited to share her knowledge of statistics with students.

"Teaching at CSM has allowed me the privilege of bringing my knowledge of Math Jam and Pathway to Statistics to our college. Other faculty helped create a team which further enhanced our program. The more we can offer our students, the easier we make it for them to succeed. We have a lot of room to grow. I'm glad to have the opportunity to continue this great work and share my knowledge, as well as learn from others with similar goals. I am also excited about my work on the Educational Equity (EEC) Committee."

Down the road, Yvette sees herself moving beyond the classroom and working on a state and/or multi-state level to enhance learning in mathematics. She has plans to earn a PhD in Neuro Linguistic Programming to aid in the study of how people learn math and use that knowledge to help teachers and students be more effective.

## Who May Attend CSM

Any person who is a high school graduate, or who has passed the California High School Proficiency Examination or the General Education Development Examination (GED), or who is 18 years of age or older is eligible to attend this public community college. See How to Apply and Enroll on page 5.

High school students may be admitted for concurrent enrollment with the permission of the dean of enrollment services. See College Connection Concurrent Enrollment Program on this page for details.

### Open Enrollment

Every course offered at College of San Mateo (unless specifically exempted by legal statute) is open for enrollment and participation by any person who has been admitted to the College and who meets the prerequisites of the course provided that space is available.

### Residency

Students who have been California residents (as defined in the Education Code) for more than one year prior to the beginning of any semester are eligible to enroll as residents for that semester. Nonresident students are those U.S. citizens who have not been residents of California (as defined in the Education Code) continuously for one year prior to the start of the semester. They are required to pay a tuition fee of \$228 per unit at the time of registration, in addition to other required fees paid by California residents. Nonresident students possessing "T" or "U" visas are exempted from paying the nonresident tuition rate. Students may be required to present documentary evidence of eligibility for classification as residents. See page 21 for Fees.

Students need not be U.S. citizens to be classified as residents. Permanent resident aliens and many other citizens of other countries are eligible to establish California residency.

## Getting Started at CSM

### Application Process for NEW and FORMER Students

All students who have not attended any of the last three semesters, including summer session, must submit an Application for Admission for the proceeding term. Submit an Application for Admission at [collegeofsanmateo.edu/apply](http://collegeofsanmateo.edu/apply). After being admitted, and completing matriculation requirements, if applicable, new and former students may register and pay fees using WebSMART. See Fall 2017 Important Dates on page 2.

### Priority Enrollment Program (PEP)

*For Graduating High School Seniors and Other New or Returning Students*

College of San Mateo offers a special enrollment program that provides priority access to matriculation services and enrollment for students who plan to enter the College in Fall 2017. More information about PEP can be found at [collegeofsanmateo.edu/pep](http://collegeofsanmateo.edu/pep).

### Continuing Students Registration Priority

Continuing students maintain their registration priority by having a current Student Educational Plan (SEP), completing the matriculation process, maintaining good academic standing, and earn less than 100 degree applicable units with the district.

Students who attended the Spring 2016, Summer 2015, or Fall 2015 semesters are considered continuing students. Students will be sent a WebSMART registration appointment email which includes their registration appointment date. Continuing students may register at [collegeofsanmateo.edu/webSMART](http://collegeofsanmateo.edu/webSMART) on or after their appointment date. **All students who have an outstanding balance from any prior semester will not be able to register for classes until all fees are paid.**

### College Connection Concurrent Enrollment Program

The High School College Connection Concurrent Enrollment Program is a special program designed to provide current 9<sup>th</sup>–12<sup>th</sup> graders the opportunity to get an "early start" on their college experience and earn college credit. Enrollment fees are free to California residents who enroll in less than 11 units.

Step 1: Apply for admission online at [collegeofsanmateo.edu/apply](http://collegeofsanmateo.edu/apply).

Step 2: Meet with your high school counselor to review and select your college courses.

Step 3: Take English and Math assessment at CSM if you plan to register for English or math courses or a course that has an English or math prerequisite. More information can be found at [collegeofsanmateo.edu/testing](http://collegeofsanmateo.edu/testing).

Step 4: Submit completed Course Request Form to the Admissions and Records Office at College of San Mateo, Building 10, Third Floor, by mail, in person, or by fax (650) 574-6506.

Step 5: Register for classes at [collegeofsanmateo.edu/webSMART](http://collegeofsanmateo.edu/webSMART).

Step 6: Sign in and use your assigned my.smccd.edu email.

For more information, visit [collegeofsanmateo.edu/ce](http://collegeofsanmateo.edu/ce).

### Transfer Students

Students who have completed lower division coursework at other colleges and universities and wish to apply that credit to the completion of a College of San Mateo certificate, associate degree, or to a California State University General Education Certification, or to an IGEC Certification should have their transcripts officially evaluated after applying for admission at [collegeofsanmateo.edu/apply](http://collegeofsanmateo.edu/apply). For more information, review the Transcript Evaluation Service information at [smccd.edu/transeval](http://smccd.edu/transeval).

### Dismissed Students

Students on dismissal status within the San Mateo County Community College District must go through a process to request reinstatement and permission to enroll in classes. The first step of this process at College of San Mateo is to attend a Reinstatement Workshop. To sign up for a workshop go to the Counseling Office in Building 10, Third Floor, Room 340 or schedule online (WebSMART - "schedule appointments"). Students must complete the workshop and the reinstatement process in order to enroll.

Students who were dismissed and who have NOT been in attendance at College of San Mateo, Cañada, or Skyline College since Spring 2016 must complete an Application for Admission prior to attending the Reinstatement Workshop.

### International Students

Residents of other countries may apply for admission as F-1 Visa students through the International Education Program. Special international student applications, related forms and additional information may be obtained from the International Student Center (Building 10, Third Floor, Room 310). For office hours and more information, call +1 (650) 574-6525 or go to [collegeofsanmateo.edu/international](http://collegeofsanmateo.edu/international).

To be eligible for priority admission for the semesters listed below, special applications should be filed in the International Student Center by these dates:

Fall 2017 (August–December) . . . . . July 1, 2017

Spring 2018 (January–May) . . . . . November 15, 2017

### AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying non-resident tuition. Students who have attended a California high school for three years and received a California high school diploma or its equivalent, such as a GED or passing the high school proficiency exam, are exempt from paying nonresident tuition. If you are qualified, please complete the AB540 form and submit it by fax (650) 574-6506, by mail, or in person to the CSM Admissions and Records Office located in College Center Building 10, Third Floor, Room 360. You may obtain the AB540 form from the CSM website at [collegeofsanmateo.edu/forms](http://collegeofsanmateo.edu/forms), or from the Admissions and Records Office.

Please visit: [collegeofsanmateo.edu/askthebulldog](http://collegeofsanmateo.edu/askthebulldog)

## International Education Program

College of San Mateo welcomes international students, who enrich the academic, cultural, and social life of the campus by bringing a diversity of ideas and multicultural perspectives to the classroom and by providing opportunities beyond the classroom for all CSM students to engage in conversations and activities that create a broader understanding of the global community in which we all live.

College of San Mateo's International Student Center provides extensive support services for international students including an efficient admissions process, assistance with financial aid, a welcoming on-campus orientation, and ongoing counseling and advising throughout the students' enrollment at the college. Dedicated, student-centered professors, small class size, and state-of-the-art facilities create a robust instructional environment in which students grow intellectually and prepare for transfer to a four-year institution or for further training in a career. For information, contact (650) 574-6525.

## Distance Education

College of San Mateo is committed to meeting the evolving needs and expectations of its students and community through the expansion of alternative means of delivering instructional and student support services.

Distance education courses consist of online and hybrid courses. Online courses are conducted through a class website, and there are no mandatory campus meetings. Hybrid courses are conducted mostly online but do have at least one meeting on campus. Most CSM distance education courses are applicable toward associate degree credit, and many satisfy transfer course requirements. Additionally, students enrolled in distance education courses have the same access to financial aid as those enrolled in on-campus courses.

Distance education courses may not be right for all students. They give students greater freedom of scheduling, but they also require more self-discipline than on-campus courses. How well distance education courses fit into a student's educational and career goals depends on many factors. It is important for first-time distance education students to review the information available on the distance education website at [collegeofsanmateo.edu/distanceeducation](http://collegeofsanmateo.edu/distanceeducation). For those students who are able to create the right environment, have the right study habits, and understand the technical and academic requirements, CSM's Distance Education courses can be as effective as on-campus courses in terms of student learning.

The Distance Education Resource Center is available to assist students and answer questions in order to ensure College of San Mateo students have a successful distance learning experience. For more information, please visit the Distance Education website at [collegeofsanmateo.edu/distanceeducation](http://collegeofsanmateo.edu/distanceeducation) or call (650) 574-6271.

## Fall 2017 Registration Dates & Times

**Continuing Students: May 3 – May 8**

**New & Former Students: May 9 – Aug. 15**

### *How to add classes after the semester has started*

To add a class, attend the first class meeting to obtain the instructor's approval.

If space is available, the instructor will give you a four-digit authorization code to enter when you register. You must complete the registration process through WebSMART no later than Tuesday, August 29.

For important information regarding deadlines for eligibility for credit or refund of fees please visit: [collegeofsanmateo.edu/fees/credit.asp](http://collegeofsanmateo.edu/fees/credit.asp).

**Online classes** – You can find online instructor contact information by selecting the course title link within WebSCHEDULE ([collegeofsanmateo.edu/webschedule](http://collegeofsanmateo.edu/webschedule)).

## How to Apply and Enroll

**COMPLETE STEPS 1–6 IF YOUR EDUCATIONAL GOAL IS TO** obtain an associate degree or certificate or transfer to a university; or if you are undecided and considering one of the aforementioned goals; or if you wish to use counseling services; or if you plan to apply for financial aid; or if you are a veteran and plan on collecting veteran’s educational benefits.

**COMPLETE STEPS 1, 5, and 6 IF YOUR GOAL IS TO** take courses for personal enrichment; upgrade or maintain job skills; participate in the College Connection Concurrent Enrollment Program; or if you are primarily a student at another college or university and taking courses at CSM to meet the requirements of your home institution; or if you do not intend to use counseling services. If you wish to use counseling services you must also complete Steps 2 and 3.

### Step 1: Apply for Admission and Identify an Education Goal

All students are required to complete the Application for Admission. Fill out the Application online at [collegeofsanmateo.edu/apply](http://collegeofsanmateo.edu/apply).

After the application has been received, you will be sent an email confirmation with additional information. You will also receive a student identification number (which begins with a “G”). Use this number to conduct all college business and access college services.

### Step 2: Complete College Orientation

All students who want to use counseling services must first complete a college orientation. Students can complete an in-person or online orientation. Students can make an appointment for the in person orientation or complete the online

orientation through their WebSMART account.

### Step 3: Complete English and Math Assessment

CSM Assessment Services conducts the college assessment program which includes English, Reading, ESL, and Mathematics assessment components. These assessments are intended to measure skills which research has shown to be closely related to academic success. These multiple measurements represent student strengths and capabilities.

**Option 1:** CSM English and Math Assessment Questionnaires

**Option 2:** English and Math Alternate Assessment Form

**Option 3:** Computerized testing for English, Mathematics and English as a Second Language (ESL)

**Option 4:** Paper/Pencil Testing for English

To schedule an assessment appointment, log into your student WebSMART account. The user ID is your G number and the password is your 6-digit birth date. Click on “Student Records and Student Appointments.”

- You must present a photo ID.
- There is no fee for testing.
- Assessment Services is located in College Center Building 10, Third Floor, Room 370.

If you have already successfully completed English and/or math courses at another college or university within the United States and are planning to enroll in an English or math course or a course that has an English or math prerequisite, then your previous coursework must be approved. Visit [collegeofsanmateo.edu/prerequisites](http://collegeofsanmateo.edu/prerequisites) for more information and to obtain the Prerequisite Equivalency form. If you are

transferring in from another college and do not plan to enroll in an English or math course or a course with an English or math prerequisite, then you may proceed to Step 4.

### Step 4: Meet with a College Counselor and Get Your First Semester Educational Plan

Meet with a college counselor to review your educational interests and goals. The counselor will create with you a 1 or 2 semester abbreviated student educational plan (SEP) to help get you started for your first semester. Please return within your first semester to complete a comprehensive educational plan, which will let you know all courses that are needed to meet your goal. Your SEP can be accessed through your WebSMART account in DegreeWorks.

### Step 5: Register for Classes and Pay Fees

- Register for classes
- Pay for all enrollment fees
- Print a schedule summary of this transaction
- You can also order textbooks online in WebSMART under registration

### Step 6: Sign In and Use Your Assigned my.smccd.edu Email

All college electronic communications will be sent to your my.smccd.edu email address. You can expect to receive important email messages from your professors and the college before the first day of school. Log into your WebSMART student account to find your email address and password and check it regularly.

## Financial Aid

Students applying for Financial Aid must complete enrollment steps as noted above. All students who have completed coursework at other colleges/universities must have their transcripts officially evaluated within the first semester of enrollment. To request an official evaluation have all of your transcripts sent to College of San Mateo Admissions and Records Office and request an evaluation on WebSMART. Sign on WebSMART, click on Student Services, find Request a Transcript Evaluation.

Complete a Free Application for Federal Student Aid (FAFSA) to automatically be considered for all of the following programs:

### Board of Governor’s Fee Waiver (BOGFW)

The State of California offers a BOGFW for students who are residents of the State of California, attend a community college, and are eligible for need-based financial aid. The BOGFW pays enrollment fees only for the academic year when eligibility has been determined. Other fees, such as parking, health, student body and student representation, must be paid by the student (see Fees page 21).

### Federal Pell Grant

You are automatically considered for a Federal Pell Grant when you file the FAFSA. If you receive an Expected Family Contribution (EFC) of \$5200 or less on the Student Aid Report (SAR), you are eligible for a Federal Pell award. Less than half-

time students have a much lower EFC cut-off to be eligible for a grant. Awards for students are prorated based on enrollment status: full-time 12 or more units; three-quarter time 9–11.5 units; half-time 6–8.5 units; less than half .5–5.5 units. Awards range from: \$596 – \$5,920.

### Cal Grant A, B and C Deadline to Apply is March 2 or September 2

Cal Grants are for California residents only. They are awarded by the California Student Aid Commission for attendance in schools in California only. Maximum awards are: Cal Grant B \$1,670; Cal Grant C \$548.

### Federal Supplemental Educational Opportunity Grant (FSEOG)

FSEOG is a grant awarded to students with exceptional need (EFC of 0 through 1,000). Awards range from: \$100–\$800. Priority application date: March 2. Visit [www.icanaffordcollege.com](http://www.icanaffordcollege.com)

### California Chafee Grant (CHAFEE)

The California Chafee Grant Program awards funds to eligible current or former foster youth for career and technical training or college courses. Eligible Chafee applicants are required to be, or to have been, in foster care between their 16<sup>th</sup> and 18<sup>th</sup> birthdays, and to not have reached the age of 22 by July 1 of the award year. Maximum annual award: \$5,000.

### Extended Opportunity Programs and Services (EOPS)

EOPS is a state-funded program that provides book vouchers, grants, support services, and limited transportation services to high-need, educationally disadvantaged students who are California residents. Students must complete the FAFSA and/or a BOGFW application to apply. Students must be enrolled full-time at the time of application. Final eligibility for EOPS and CARE is determined and coordinated through the EOPS Office.

### Student Employment Federal Work Study (FWS)

Students who apply for financial aid and complete the Student Information Sheet and the FAFSA by March 2 are given priority. Maximum Annual Award: up to \$10,047. Priority application date: March 2.

### California Dream Act

The Dream Act was passed into law in 2011 and allows AB 540 students to apply for and receive several types of financial aid, including Board of Governors Fee Waiver, Cal Grants and Chafee Grants, EOPS, CARE or CalWorks and Scholarships.

### Loans and Scholarships

Loans are funds that students borrow now and repay after they complete a program of study or stop going to school. Scholarships are awarded for a variety of criteria. Visit [collegeofsanmateo.edu/financial](http://collegeofsanmateo.edu/financial) or call the Financial Aid and Scholarship Office at 574-6146 for more information. Important: New Direct Loan Experimental Sites Initiative effective Fall 2017. See page 7.

## Financial Aid Steps

### Step 1: Apply

For 2017–18 file a 17–18 FAFSA at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). College of San Mateo’s college code is 001181. FILE EARLY for the upcoming year (anytime after January 1). Log in to WebSMART for dates and sign-up.

### Step 2: Student Aid Report Received

After you apply, you’ll receive a Student Aid Report (SAR). Your SAR contains the information reported on your FAFSA and usually includes your Expected Family Contribution

(EFC). The EFC, a measure of your family’s financial strength, is used to determine your eligibility for federal student aid.

### Step 3: Check SAR for Accuracy

Your SAR must be checked for accuracy. Please check WebSMART for any additional information required to complete your file before submitting your SAR to the office.

### Step 4: Submit Documents

Submit all required documents to College of San Mateo’s Financial Aid Office. File is complete!

### Step 5: Notification of Result

Check WebSMART to learn the status of your financial aid. College of San Mateo will notify eligible students in WebSMART by an award letter outlining the types and amount of Financial Aid they qualify for at CSM.

### Step 6: Aid Funds are Paid!

You will receive a check in the mail or if you signed up for direct deposit funds will be electronically deposited into your bank account. Prepaid cards are also available.

# 6 EDUCATIONAL GOALS: ASSOCIATE DEGREES, CERTIFICATES, TRANSFER

## Educational Goals at CSM

View the College Catalog and the College website, [collegeofsanmateo.edu](http://collegeofsanmateo.edu), for more information about goals and opportunities at College of San Mateo.

### University Transfer Program

Complete your freshman and sophomore years of university work at College of San Mateo and transfer as a junior to a baccalaureate level college or university. College of San Mateo can help you plan an educational program to prepare you to transfer to the University of California, California State University or private college or university to earn a bachelor's degree. Assistance from Counseling Services and Transfer Services can ensure a smooth transition to the transfer institution of your choice. With planning, it is possible to concurrently complete an associate degree as you complete coursework to facilitate university transfer. In many cases, students planning to transfer may want to pursue an Associate Degree for Transfer (AA-T/AS-T). See information below.

### Associate Degrees for Transfer (AA/AS-T)

#### Benefit Students Intending to Transfer to CSU

California community colleges offer associate degrees designed to support transfer to the California State University system. Students who complete an AA-T or AS-T secure priority admission to the California State University system. A list of associate degrees for transfer (AA-T/AS-T) is located in the CSM Catalog and on the Transfer Services website. For more information about SB 1440 and advantages to completing an AA-T or AS-T go to [www.sb1440.org](http://www.sb1440.org) or [www.adegreewithaguarantee.com](http://www.adegreewithaguarantee.com).

### Associate in Arts and Associate in Science Degree Programs

At College of San Mateo you can select from over 65 associate degree majors, or choose to complete multiple degrees to enhance career and job opportunities or for personal enrichment. Graduation from College of San Mateo with the associate in arts or science degree is based upon the completion of 60 units of lower-division college-level work, which includes major, basic competency, and general education requirements. For a complete list of associate degree majors and courses required to satisfy each major refer to the CSM Catalog.

### Certificate Programs

You can earn a certificate in achievement or a certificate of specialization in over 70 areas. Certificate programs are designed to prepare you for employment. All certificate programs are carefully developed by advisory committees composed of college staff and selected representatives from the business and industrial communities. Typically certificates require 12–40 units of coursework and can be completed in one semester or over several semesters. Certificates are awarded upon successful completion of requirements listed in the CSM Catalog.

### Bachelor Degree to Associate Degree

Students who have already been awarded a Bachelor's degree from a regionally accredited college or university in the United States and wish to pursue an associate's degree at College of San Mateo may be exempt from College of San Mateo local Associate degree requirements if the lower division degree-applicable coursework completed for the Bachelor's degree includes current Title 5 minimum associate degree requirements. (Title 5, 55063) This policy does not apply to Associate Degrees for Transfer (AA/AS-Ts). Students must still complete a minimum of 12 units in residence to establish residency at College of San Mateo and must complete at least 50% or 12 units, whichever is less, of coursework applied to the associate degree major in residence at College of San Mateo. The units applied to meet residency requirements may also be the units that are needed to meet the major requirements. For more information refer to the college catalog or use Counseling Services.

### Monitor Your Progress toward University

#### Transfer, AA/AS-Ts, Associate Degrees, and Certificates

Within your student WebSMART under the Student Services tab, find DegreeWorks. DegreeWorks is a tool to monitor progress toward your educational goals. DegreeWorks looks at the program requirements found in the College of San Mateo, Cañada College, and Skyline College catalogs and the coursework you have completed to produce an easy to read degree audit. Also in DegreeWorks you can work with a counselor to develop a comprehensive student educational plan (SEP) that maps out, semester by semester, courses needed

to meet your educational goals. Students with SEPs have a higher registration priority than students who do not have SEPs.

### Multiple Educational Goals

At College of San Mateo you are free to pursue your educational interests for personal and career growth and development. This may mean that you want to complete certificates, associate degrees, and transfer. You are not limited to selecting one educational goal.\*

\*Students participating in the CSM Financial Aid program are required to declare one primary educational goal.

### Updating Job Skills

You may find classes and programs that appeal to you for updating your job skills or advancement in your career.

### Program Planning and Enrollment Management

Students enrolling at College of San Mateo should plan a program of study that will meet their educational and career goals. All students who complete matriculation steps have access to counseling services and should consult with a counselor early in the educational process for academic planning assistance. Students often have multiple goals and plan to complete a college certificate, an associate degree, and/or transfer to a university to complete a baccalaureate degree.

If in the course of enrollment at College of San Mateo, students find it advisable to change their program of study or educational goal, they may do so. These changes should be discussed with a counselor and students should be aware that any changes may result in extending the time necessary to fulfill the certificate or degree or transfer requirements. Ultimately, students maintain full responsibility for planning their educational programs and for their enrollment management.

Students are responsible for maintaining current and accurate information in their WebSMART accounts, checking student email, updating educational goal information, managing registration and enrollment, retrieving grades and English and Math assessment results, and monitoring academic standing.

### Associate Degree for Transfer (AA/AS-T)

These unique associate degrees allow students to prepare for transfer and complete an associated degree that guarantees admission with junior standing to the California State University system. Though not a guarantee to all California State University campuses and all majors, it does secure priority admission consideration.

## CSM in Your Community—Year One (continued from outer front cover)

education to our students, we must bring love and the understanding that our students' potential is limitless. Year One redesigns instructional support and services to remove barriers with the intention to hold the institution accountable."

To start the college transition early, Year One students take a one-week, one-unit summer class called Pathway to College that assists them in familiarizing themselves with the campus. This class incorporates activities on time management, goal setting, and establishing a college support network. After attending, Year One student Cheyenne Torres reflects, "I am so thankful that I was given this opportunity because I would have been lost without this information." Giving students the chance to acclimate to college over the summer is one way Year One helps welcome students into the CSM community.

Incoming Year One students will also enroll in a brand-new course, College 1, which is designed specifically to assist them in building their foundation as first-year college students. This course is a campus-wide effort, bringing in professors from various disciplines to support first-year student success. Professors take the time to focus on coursework such as developing a growth mindset, self-management tools, and gaining skills for reading at the college level. "CSM's new College 1 course, well—I wish I'd had something like this when I started college," says David Laderman, a film professor at CSM. He goes on to share that it's "a golden gift for incoming students new to the college scene. The course offers a welcoming embrace that says, we're here for you, and here's how it all works. It will give students a rock solid foundation in how to get the most out of their courses, along with campus services. It's a win-win." Many four-year universities provide incoming freshman with a first-year seminar course, and Year One wants to provide our students with the same opportunities to have a strong start at CSM.

Students interested in joining Year One are encouraged to visit the website at [collegeofsanmateo.edu/yearone](http://collegeofsanmateo.edu/yearone) or call (650)574-6384.

## Working Together (continued from page 1)

solid connection to CSM for the high school students that will be coming our way, and provide these students with strong momentum as they begin college with us.

With regard to making connections, we have expanded direct services to graduating high school students, and hosted a number of "preview days" and priority enrollment events at our campus. However, we are just getting started: our goal is to assign a single CSM mentor to every high school senior. That person will work with the student through their first year at CSM and help them navigate through our college and access the many support services that we offer.

I am excited about our efforts to build momentum for CSM-bound students. This year, all three colleges in the San Mateo County Community College District standardized their placement processes for both math and English. Rather than forcing recent high school graduates to take our placement exams, we are relying on student work at the high school level. As a result, far fewer students are placed into remedial courses. This is part of a statewide effort, and the preliminary results have been promising.

Most significantly, CSM is working directly with our high school partners to expand concurrent enrollment opportunities for high school students. We want to give students a taste of college before they start college. We are working with Half Moon Bay High School to develop an early college program. We also continue to work with the San Mateo Union High School District to offer programs such as Middle College High School and other concurrent enrollment opportunities.

We have outstanding high schools in San Mateo County and all of us should be excited about the graduating seniors who are accepted to selective universities every year. These are the stories that we tend to celebrate among our friends and in our community; they often serve as a proxy regarding the quality of our local schools. Yet, it is important to remember that CSM is the single largest post-secondary destination for graduating seniors in San Mateo County. If you include our sister colleges, it's not even close: we are more than three times the first-time enrollment of the next largest university, which is San Francisco State. That's why partnerships with our high schools are so critical: the most important story to tell is the story that concerns the majority of our graduating seniors. We want these students to succeed and to thrive at College of San Mateo.

## Direct Loan Experimental Sites Initiative

Beginning in the 2017-18 academic year, the San Mateo County Community College District is part of an undergraduate Direct Loan counseling experiment with the Department of Education. Students who have previously completed entrance counseling and are selected for the experiment will be notified via their school email address. As part of this experiment, student's Direct Loan disbursements are conditional upon completion of additional in-person loan counseling. A schedule of workshops for all three campuses will be posted on the District website. Visit [smccd.edu/financialaid](http://smccd.edu/financialaid).

## INTERDISCIPLINARY STUDIES

*Interdisciplinary Studies courses are part of the Honors Project Learning Community. See Learning Communities for more information.*

Students accepted into this new and unique interdisciplinary community will join a dedicated group of faculty and students working together to create a rich, intellectual experience at CSM. Students will earn honors credit in selected transfer courses by developing and successfully completing advanced research projects. Students are required to concurrently enroll in an Honors Project research seminar. Students must be accepted into the Honors Project before registering for seminars. For more information, contact David Laderman (laderman@smccd.edu)

**LEARNING COMMUNITIES****#Information:FactsOrAltFacts?**

#Information:FactsOrAltFacts? is a learning community of students taking

Philosophy 100, English 100, and Library 100 working collaboratively with in-

structors on the theme of information, misinformation, facts, alternative facts,

and the place of knowledge in society. We will share selected reading, writing,

and research assignments.

This cohort will participate together outside of class in activities such as the

CSM Global Speaker Series, college fairs, and activities designed exclusively

for the learning community, such as a field trip to the Internet Archive in San

Francisco.

**Honors Project**

Honors/Interdisciplinary Studies

Students accepted into this unique interdisciplinary community will join a

dedicated group of faculty and students, working together to create a rich

intellectual experience at CSM. Students will earn honors credit in selected

transfer courses by developing and successfully completing advanced research

projects. Students are required to concurrently enroll in an Honors Project

Interdisciplinary Studies research seminar. For more information, contact David

Laderman (laderman@smccd.edu). Visit collegeofsanmateo.edu/honorsproject.

**MANA**

MANA is a transfer and support program with the goal of increasing profi-

ciency in communication skills for success in college, work and life. The MANA

program focuses on the Pacific Islander American student experience and is

open to all students. The three primary components of the program are Ethnic

Studies, Communication and Academic Support. Students should enroll in

COMM 110 AI or ETHN 104 AB, along with LCTR 240 AB. For more information

and registration access, contact Finausina Tovo (tovof@smccd.edu).

## Math FAST TRACK 110+120

The accelerated Math 110 and Math 120 courses are designed to help students reach eligibility for transfer level math in one semester. Students who are considering

this accelerated option are advised to limit work hours and additional courses in order to be successful. In classroom supplemental instruction will be offered along with two counseling courses that will focus on math self-efficacy and math study strategies. Students should plan to spend additional time outside of class for study.

## Fees

Fees are due and payable at the time of registration. **Students will not be able to register for classes if they have any outstanding balance.** On **Wednesday, August 2, 2017** students who have any outstanding fee balances for Fall 2017 will be dropped at midnight for non-payment of fees. Beginning **Thursday, August 3**, students will be dropped at midnight the day following their registration for non-payment of outstanding fees. For more important information, visit [collegeofsanmateo.edu/fees](http://collegeofsanmateo.edu/fees).

*Student enrollment fees are set by California's legislature and governor and are subject to change at any time. It is possible that your fees may be adjusted at a future date. All student records are automatically held until all outstanding debts to the District colleges have been cleared. Unpaid bills may be sent to collections.*

Students who are classified as California residents as defined in the California Education Code will be charged an enrollment fee, a health services fee and a student representation fee. An optional student body fee will also be assessed. In accordance with California law, the enrollment fees may be waived for California residents who demonstrate financial need and qualify for a Board of Governors Enrollment Fee Waiver (BOGW). Contact the College Financial Aid Office for additional information.

Students who are classified as nonresidents will be charged a tuition fee in addition to the enrollment fee, health services fee and student representation fee. International Students (F-1 Visa) are subject to a health insurance requirement and are charged tuition and capital outlay fees in addition to enrollment fees. Contact the International Student Center for details.

The student representation fee was established by student election to support student advocacy before local, state and federal offices and agencies.

In addition, students will be required to purchase textbooks and miscellaneous supplies, as well as tools and technical supplies for certain programs. In some courses students will also be required to pay a non-refundable instructional materials charge.

Fees are subject to change at any time by action of the State Legislature, Board of Governors of the California Community Colleges, or the District Board of Trustees.

If you need assistance in paying your fees, you are encouraged to:

- Enroll in an inexpensive payment plan via WebSMART
- Apply for financial aid ([www.fafsa.gov](http://www.fafsa.gov)) at least five business days prior to registering for your classes
- Complete the Board of Governors Fee Waiver via WebSMART

If you still need financial assistance after exhausting all options listed above, please contact the Vice President of Student Services at [csmpvps@smccd.edu](mailto:csmpvps@smccd.edu).

### AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying nonresident tuition. Students who have attended a California high school for three years and received a California high school diploma or its equivalent, such as a GED or passed the high school proficiency exam, are exempt from paying nonresident tuition. See page 4 for more information.

## Credit and Refund Policy

### Enrollment Fee, Nonresident Tuition Fee, Health Services Fee and Parking Fee

Students who officially withdraw from all courses, or reduce their program prior to the first class meeting or by the course deadline date will receive credit toward future fees for the full amount of all fees paid for those classes. To view deadline date, check course in WebSMART. A \$10 processing fee (plus an additional \$50 processing fee for nonresident tuition) will be retained by the College if a refund is issued to a student withdrawing from all classes. For all courses dropped after the deadline, these fees are not refundable unless an action of the College (e.g. class cancellation) prevents a student from attending class. Parking permit fees are not refundable.

### Student Body Fee and Student Representation Fee

Students enrolling during the normal registration period in semester-long classes may request a waiver or a refund of the Student Body Fee and/or the Student Representation Fee through the last day to drop semester-long classes (see Important Dates on page 2). Students enrolling after the end of this deadline may request a waiver or a refund of these fees within one (1) week of completing registration. Students enrolled only in short courses have until the first class session to request a waiver or refund of these fees. Students requesting a waiver or a refund of the Student Body Fee and/or the Student Representation Fee must do so in-person at the Center for Student Life and Leadership Development in Building 12, Room 211.

### Variable Unit Courses

No enrollment fee or nonresident tuition refund or credit will be available to students enrolled in variable unit courses who earn fewer units of credit than the number for which they originally registered. Students earning additional units will be charged accordingly.

### Important:

1. Credit balances remain on student accounts for a maximum of five (5) years.
2. A student may either choose to maintain a credit balance on account or contact the Cashier's Office (Building 10, Room 360, 574-6412) to arrange for a refund.
3. Refunds are NOT issued automatically and are subject to a \$10 processing fee if the student withdraws from all classes. Refunds of nonresident tuition are subject to an additional \$50 processing fee.
4. Fees paid by personal check require 30 days for bank clearance before refunds can be processed.
5. To be eligible for a credit or refund, a student must officially withdraw from a course within the stated deadline. To view deadline date, check course in WebSMART. A withdrawal initiated by an instructor may NOT result in a credit or refund.
6. Fees will be credited or refunded without a processing charge if an action of the College (e.g. class cancellation) prevents a student from attending.
7. Student records, including transcripts, are withheld until all debts to the District colleges have been cleared.

## Year One Experience (continued from page 1)

counseling appointments. Being in Year One has definitely allowed me to establish my network of support by connecting with various faculty, staff, and resources." Denis has also found the Disability Resource Center (DRC) to be beneficial in helping him complete his coursework. "The DRC is a nice resource to take advantage of because they help me out by printing assignments and course materials. They also offer students a quiet area to study and take tests," he notes. When Denis isn't in class or studying, he enjoys spending his free time with on-campus Christian clubs, such as the Catalyst Project and the InterVarsity Christian Fellowship. Being involved with these organizations helps Denis interact with students and community members from various backgrounds, and pursue his passion for helping others by completing community service projects.

With an affinity for helping others, and after seeking advice from faculty members, Denis was able to narrow down his potential career path to radiology. "I know I want to help people for a living but talking with Juanita Alunan, my English professor, had an influence on my aspirations to become a radiologist. My sister also encouraged me to pursue it, since she's working on a transfer degree in nursing here at CSM," Denis says. He also credits Warren Shelby, a retention specialist with Extended Opportunity Programs and Services (EOPS), and Allie Fasth, program services coordinator for Year One, as positive influences on his first-year experience at CSM. "Warren's a great mentor, and Allie's always giving me amazing advice; they're there when I need someone to talk to." Likewise, Allie Fasth regards Denis' efforts as a first-year student: "The transition from high school to college can be tough—students are juggling the excitement of finishing high school along with the responsibility of taking steps to enroll at the college. Denis is a great example of a student who was able to get connected early on through Year One and begin to build his momentum for a successful first-year of college."

Although Denis is now entering his second year at CSM, he's already painted a picture of what life after CSM will look like. He plans to enroll in the radiology program at either Cañada or Foothill College once he finishes his prerequisites at CSM. "After I complete the two-year program at Cañada or Foothill, I plan to start working at a hospital to gain experience and then transfer to a four-year university. I'm not sure where I want to transfer yet, but I'm excited about the future."

### Annual Security Report

San Mateo County Community College District's (SMCCCD) 2016 Annual Security Report (ASR), required by the Clery Act, includes statistics for the previous three years concerning reported crimes that occurred on campus; in certain off-campus buildings owned or controlled by SMCCCD; and on public property within, or immediately adjacent to and accessible from SMCCCD. Our 2016 Annual Security Report also outlines various campus safety and security policies, such as those concerning crime reporting, prevention and response to sexual and gender violence, alcohol and drug use crime prevention, emergency response and evacuation procedures, and other matters. The 2016 Annual Security Report also includes important tips to help every member of the community remain safe and avoid becoming a victim of crime. The 2016 Annual Security Report is now available at [collegeofsanmateo.edu/securityreport](http://collegeofsanmateo.edu/securityreport). You can also obtain a copy of this report by contacting the Department of Public Safety at the District Office, or any of the three campuses.

## Parking Regulations

### Parking Permit Requirements

All persons driving motor vehicles (except motorcycles) on to campus and utilizing the parking facilities during regular class hours (Monday-Friday, 7 am-10 pm), including final examinations, are required to obtain and display a parking permit on their vehicle. A parking permit is not required for students riding motorcycles and parking must be in designated Motorcycle Parking in Marie Curie Lot 5. Student parking permits are available for \$52 each for the fall and spring semesters (Fall/Spring Permit \$94) and \$27 for the summer session. Parking permits for students with California Board of Governors (BOG) waivers are \$30 per semester (fall or spring) and \$25 for the summer session.

### Lost or Stolen Parking Permits

If a permit is lost or stolen, replacements are available at full price.

### Purchasing Parking Permits

Students may purchase parking permits only online using WebSMART. Permits may be ordered and paid for online and mailed to the student's residence. Students may also order a permit online from computers located on the third floor of Building 10 (Admissions and Records Office and Business Office) and then pay for the permit and pick it up in the Cashier's Office. Temporary Parking permits are available online after purchasing a permit. Please follow online instructions on how to obtain your temporary parking permit while awaiting delivery of permit in the mail.

### Displaying Student Parking Permits

Permits must be displayed in the vehicle with the number visible from the exterior of the vehicle. They may be either affixed on the inside lower left of the windshield (above the steering wheel) or affixed to a plastic hanger suspended from the inside rear view mirror. Plastic permit hangers may be obtained from the Bookstore for \$1 plus tax. Permits may be used on multiple vehicles.

Vehicles with improperly displayed permits will be subject to citation. It is the permit holder's responsibility to properly display the permit in the vehicle and to notify CSM's Department of Public Safety promptly if the permit is lost or stolen.

Daily parking permits are available for purchase for \$2 each from permit dispensers in Hillsdale Lot 1B, Beethoven Lots 2A and 2E, Galileo Lot 6B, and Stadium Lot 11. Daily permits are valid in all lots where, and when, students are authorized to park. These permits must be displayed face up on the dashboard.

Semester parking permits and daily parking permits are valid on all three campuses of the District (College of San Mateo, Skyline College and Cañada College).

A grace period allowing for the purchase of permits will be in effect during the first two weeks of the spring and fall semesters and the first week of the summer session in student lots only. **Citations will be issued beginning on Tuesday, September 5, 2017 for students parking without a valid permit.** All staff parking lots are strictly enforced. The grace period pertains only to student permits with all other parking regulations enforced at all times in all parking lots and roadways.

### Disabled Parking

Blue Handicapped parking spaces have been provided in Lots 2, 3, 4, 5, 6, 8, 11 and 12 (see Campus Map). A vehicle must have and display a valid California State Disabled Person Placard (issued by DMV) to park. Disability Parking spaces are regulated under California Vehicle Code Section 22511.5 Disabled Parking Authorized Parking Zones. No

student, staff, daily, patron or visitor parking permit required when displaying a valid CA DP placard.

### Visitor Parking

Visitors may park in PayBySpace visitor spaces in Marie Curie Lot 5, Forum Lot 8, and Olympian Lot 12 (\$0.25 for each 15 minutes). After entering the space number in which the vehicle is parked into the machine and depositing sufficient money to purchase required time the permit machine located at each of the visitor lots will issue a receipt that need not be displayed in the vehicle.

Visitors may also park in a student lot after purchasing and displaying in the vehicle (face up on dashboard) a \$2 daily permit. Parking permit machines are located in Hillsdale Lot 1B, Beethoven Lots 2A and 2E and Stadium Lot 11. For the location of the parking lots please see a campus map. No visitor parking permit required when displaying a valid CA DP placard.

### San Mateo Athletic Club Parking

Special parking permits issued by the San Mateo Athletic Club (SMAC) are required at all times for parking in designated areas in Beethoven lot 2 (SMAC Patron parking has a 3 hour limit). All other permits are not valid. For more information, call 378-7373 or visit [smcccd.edu/sanmateoathleticclub](http://smcccd.edu/sanmateoathleticclub).

### Electric Vehicle Charging Stations

Parking in the EV charging stations is limited solely to electric vehicles that are actively charging with a maximum time limit of 4 hours per vehicle. (No parking permit is needed as long as the above conditions are met)

Any vehicle parked in an EV space and is not an electric vehicle, not charging, or is left past the 4-hour maximum limit will be subject to a citation.

### Traffic and Parking Regulations

The speed limit on the campus is 15 mph.

Parking is permitted only on blacktop surfaces in specifically marked parking spaces. Parking on unpaved areas, in roadways, in crosshatched areas, in marked end zones, in areas posted as no parking zones or in any unauthorized area is prohibited. Vehicles backed into diagonal parking spaces can create a hazard when exiting and will be subject to citation.

No student parking is permitted in the designated "Employee of the Month" parking spaces. These spots are reserved for authorized staff only and unauthorized vehicles may be ticketed.

Driving or parking within the inner campus is prohibited.

The campus is open daily from 7 am to 10 pm.

Stopped or standing vehicles on sidewalks, roadways or restricted areas will be subject to citation.

### Skateboards and Bicycles

The riding of skateboards on campus is prohibited by SMCCCD regulations. Bicycles may be operated on campus. The California Vehicle Code prohibits the operation of bicycles on sidewalks.

### Public Transit

SamTrans operates three bus routes to the college: Route 250 (San Mateo downtown and Caltrain), Route 260 (San Carlos Caltrain, Redwood Shores & Belmont) and Route 294 (Half Moon Bay). All buses have wheelchair lifts and accommodate two to four bikes. Route 250 provides weekday service until 10:25 p.m. Routing information is available by calling 1-800-660-4BUS or visiting [samtrans.com](http://samtrans.com) and [caltrain.com](http://caltrain.com). Printed schedules and maps are also available at the Center for Student Life and Leadership Development in Building 17, Room 112.
