CSM's VITA Program Gives Back to the Community

"VITA is a great experience; it's a win-win situation for all," says Dvonia Dekker, a volunteer in CSM's Volunteer Income Tax Assistance (VITA) program.

For members of the community, VITA offers quality tax preparation service, free of charge, in a welcoming and stress-free environment. For CSM accounting students, it provides tax law training, real-life experience, career opportunities and a way to give back to the community.

Currently beginning its eighth year at CSM, the program has grown exponentially in the number of clients served—from 45 in 2008 to 450 in 2014—an impressive increase of nearly 700%. Donna Marcus, CSM's VITA site coordinator and a retired IRS employee, says of the community's response, "It's been great! It's a testament to the program that we have so many returning clients; in fact, last year, 58 percent had previously used the service. Many clients hear about us from friends, and we also do returns for many students, including those who need to file for financial aid purposes."

Community member Jeff M. Day describes his experience as a repeat VITA client, "They really go above and beyond. I never feel rushed and every volunteer I have worked with has always been very detailed and organized. One year I received a larger refund than I was anticipating...as a business person that was completely unexpected. I left a happy client."

Alumni at a Glance

Rhonda Farland

Entrepreneur; CSM, Class of 2007

After graduating with honors from CSM, Rhonda Demars Farland launched a successful line of natural and organic skincare products and cosmetics and currently serves as president of her own company, Progress in Health, Inc. Her flagship brand, Erzulie® Natural Cosmetics which she formulated herself, is in the top ten bestselling cosmetic stores on Etsy.com. Earlier this year, she and her cosmetic line were featured in a New York Times article, "Etsy, the Makeup Counterculture." Rhonda says, "I truly believe that the education I received at CSM was an integral part of my success. I'm so passionate about what I do and I am making a difference."

Student Success Story: Stephen Kadash

Stephen Kadash says participating in community service projects during high school inspired him to pursue a career that would allow him to serve his community on a daily basis. The dream job and career goal for this Redwood City native was to become a firefighter. "Being a firefighter is a career that gives me the opportunity to help someone who is having one of the worst days of their life and they are depending on me and the rest of the crew to help them." Knowing the increased competition for jobs in fire service and the demand for more educated applicants, Stephen took the first step toward his career goal by enrolling at Cal Poly San Luis Obispo. In 2012, he graduated with a bachelor of science degree in forestry and natural resources.

Stephen's second step in becoming a firefighter was to return to school for the necessary hands-on training that would make him eligible for employment. For this specialized training, he chose CSM's Fire Academy. "When I graduated from Cal Poly, I knew I had to further my education to enter the fire service. I decided on CSM because it has one of the best fire technology/EMT programs in the area. I started with CSM's EMT course, became an EMT, took a few more classes, and then I entered the Firefighter Academy."

Stephen says that CSM's fire technology program provided a solid foundation for his career. Courses are taught by faculty who are actively working or retired from the fire service and most of them attended CSM. The Firefighter Academy taught him the basic skills for the more advanced in-service academy; it also taught him the discipline that was needed to succeed in the academy. "The skills I learned at CSM have helped me tremendously," he says.

"The strength of this program is the instructors. They were not only very helpful and inspiring, but they were passionate about teaching. They pushed us to become the

Photo by CSM Community Relations and Marketina

best students in the classroom and the best candidates for the fire service. I found them motivating because they know the struggle and sacrifice it takes to get hired in this field, but they also know it's an amazing and fulfilling career. It was evident they have a great deal of pride in their careers and the fire service," says Stephen.

"My instructors helped me every step of the way. They helped me organize and build my resume; they improved my interview skills and helped me with my oral board interviews. They showed me how to be a standout candidate. I've never had a learning experience like the one I had at CSM and I'm very grateful, The enthusiasm and dedication they show in the classroom motivated me to do everything I can to make this goal become a reality."

See "Student Success Story" on page 7

CSM Prepares Students for the Workforce and Careers

There are many career-oriented and work-focused professions-including many in the Bay Area-that don't require a four-year college degree. What these professions do require is technical knowledge and a set of skills that prepare people to enter and advance through the workforce. Programs that provide this mastery of a particular field or subject are referred to as Career and Technical Education (CTE) programs. Moreover, these programs support industry's needs for employees who are job-ready for positions that are economically vital to San Mateo County and the greater Bay Area. According to CSM's Dean of Business and Technology Kathleen Ross, "The demand for skilled workers is strong and as the economy continues to recover, we expect this demand to hold steady for the foreseeable future."

An Overview of CTE at CSM

CSM offers a number of CTE programs—many in some of the area's fastest-growing and high-demand occupations. CSM's CTE offerings have evolved to address local workforce needs and support rapidly changing fields, especially in technology. The college's CTE programs represent a broad spectrum of careers in the following fields:

Business and Management: accounting, business, management, real estate

Information and Communication Technologies: computer and information science, digital media

Public Safety: administration of justice, fire technology Industrial Technologies: electrical power systems,

building inspection, drafting

Commercial Services: cosmetology

Health and Wellness: nursing, dental assisting, kinesiology

Electronics students prepare for an upcoming exam. Photo by Sean Arbabi.

About CTE Programs

As employers seek graduates with broad career preparation, CTE coursework at CSM integrates rigorous and challenging academic standards that address the needs of business and industry and lead to industry-recognized certificates and degrees. Within each of the programs, See "CSM Prepares Students" on page 7

Message from the President

Welcome to the spring semester at College of San Mateo. The diversity of classes in this schedule represents nearly 100 different degree, transfer and certificate programs. In addition to CSM's strong transfer programs, the college also provides a robust selection of Career and Technical Education (CTE) programs. CTE programs are designed to prepare students for immediate employment in a wide range of high-growth and high-skilled careers. The articles in this *Schedule of Classes* focus on many of our exemplary CTE programs.

CTE programs are a path for recent high graduates, but we are also seeing a growing number of students with bachelor's degrees coming to us for specialized

education and training. We've included a story about Stephen Kadash, a student who exemplifies this trend of "reverse transfer." A graduate of Cal Poly San Luis Obispo, Stephen enrolled in CSM's fire technology program for the hands-on training required for a career in the fire service. I'm very pleased to report that Stephen was recently hired by the San Bruno Fire Department; his is a true student success story.

CTE classes are taught by both full- and part-time faculty—professionals in their fields— who bring current experience and impressive credentials to the classroom. I hope you read the interview with Associate Professor Mike Brunicardi who teaches in our administration of justice program. Mike discusses his 32-year career in law enforcement and how he draws on that experience to educate the next generation of police officers. I think you will find his dual passions for public service and education quite inspiring.

CSM is committed to only offer those CTE programs with documented employment demand. To insure our programs remain current and address employer needs, each has an advisory council comprised of business and industry professionals. You can learn more about each of our CTE programs in the article, "CSM Prepares Students for the Workforce and Careers."

Additionally, CTE programs provide countless direct benefits to the community at large. Our Volunteer Income Tax Assistance Program (VITA) is a shining example of a program that gives back to the community. We are proud of the service that VITA provides to so many local residents that we chose it as our front page feature in, "CSM in Your Community." While CTE programs provide significant opportunities to work in major industries and businesses, they also serve as launching pads for entrepreneurs and small businesses.

At \$46 a unit, these programs provide an extremely cost-effective way to earn degrees and certificates and many are accredited by independent accrediting agencies. Compared to private and for-profit schools, CSM offers state-of-the-art, quality programs at a fraction of the cost.

Whether you want to begin or change careers, upgrade your skills, or learn a new set of skills, CSM is committed to helping you achieve your goals. I hope you enjoy reading about these programs and perhaps you will find opportunities at CSM that interest and inspire you.

Michael Clau

Michael Claire, CSM President

About College of San Mateo

College of San Mateo is located at the northern corridor of Silicon Valley and situated on a beautiful 153-acre site in the San Mateo hills that provides a panoramic view of San Francisco Bay. Since 1922, CSM has been a gateway to higher education leading to university transfer, career preparation and advancement, and professional and personal development.

The College currently serves approximately 10,000 day, evening and weekend students. CSM students reflect the diversity of the Bay Area and have a range of educational goals. To best serve our students, the curriculum offers a wealth of programs that include traditional, semester-length and short courses in addition to distance education.

Students can experience a vibrant campus life to complement classroom learning that includes leadership development, student government, more

Spring 2015 Important Dates

Pre-registration	Matriculation activities: Placement Testing, College Orientation, Coun- seling—see page 5
Monday, November 3 – Monday, November 10	WebSMART priority registration for Spring 2015 by appointment — continuing day and evening students. Additional information about specific group priority registration can be found by visiting <u>collegeofsanmateo.edu/importantdates</u> .
Tuesday, November 11	All other students: new and returning, with 100 or more degree-applicable units, on academic probation
Wednesday, November 12 – Wednesday, January, 21	WebSMART registration for Spring 2015 by appointment—new, former, and continuing students
Tuesday, November 18	New concurrent enrollment students
Wednesday, January 7 at midnight	IMPORTANT! Deadline to pay student fees. If fees are not paid by this date, ALL of your classes will be automatically dropped.
Thursday, January 8 - Wednesday, January 21	Students will be dropped from unpaid classes at midnight the day following their registration for non-payment of outstanding fees. Visit <u>collegeofsanmateo.edu/fees</u> for more information.
Saturday, January 17 – Sunday, January 18	Declared Recess
Monday, January 19	Holiday – Martin Luther King Day
Tuesday, January 20 – Wednesday, January 21	Flex Days - No Classes
Thursday, January 22	Day and evening classes begin
Wednesday, February 4	Last day to add semester-long courses using WebSMART.
Wednesday, February 4	Last day to drop semester-long classes with eligibility for fee cred- it or partial refund. For short courses, eligibility for credit or refund is within the first 10% of class meetings. For exact deadline date, check course in WebSMART: collegeofsanmateo.edu/websmart.
Thursday, February 5	Parking permit requirement begins. Citations will be issued for students parking without a valid permit.
Friday, February 13	Holiday – Abraham Lincoln Day
Saturday, February 14 – Sunday, February 15	Declared Recess
Monday, February 16	Last day to declare Pass/No Pass option for semester-long classes with this option. For short courses , the deadline is within the first 30% of the class meetings. For exact deadline date, check course in Web-SMART: <u>collegeofsanmateo.edu/websmart</u> .
Monday, February 16	Semester-long classes officially dropped on or before this date will not appear on the student's record. Short courses officially dropped within the first 30% of class meetings will not appear on the student's record. For exact deadline date, check course in WebSMART: <u>collegeofsanmateo.edu/websmart</u> .
Monday, February 16	Holiday – Presidents' Day
Friday, March 6	Last day to apply for Spring 2015 A.A./A.S. degree or program certificate.
Monday, March 22 – Sunday, March 28	Spring Recess
Thursday, April 30	Last day to withdraw officially from a semester-long class with assurance of a "W" grade. For short courses the withdrawal deadline is at 75% of class meetings. For exact deadline date, check course in WebSMART: <u>collegeofsanmateo.edu/websmart</u> .
Saturday, May 23 – Sunday, May 24	Declared Recess
Monday, May 25	Holiday – Memorial Day
Tuesday, May 26 – Monday, June 1	Final Examinations for day and evening classes
May 2015	Commencement exercises, to be announced - visit <u>collegeofsanmateo.edu/commencement</u>
Monday, June 1	Day and evening classes end
Tuesday, June 9	Spring 2015 official grades available on WebSMART
Monday, June 15	Summer 2015 session begins

than 20 student clubs and educational and cultural activities. CSM is proud of its championship intercollegiate athletic teams which compete at the highest community college level. Many student-athletes receive scholarships and continue at four-year institutions and numerous CSM athletes have gone on to professional careers.

To ensure student success, CSM offers a comprehensive selection of academic support services. Resources include financial aid and scholarships, counseling, transfer services, tutoring, employment assistance, health services and child care, among many others.

For more information about the college, visit <u>collegeofsanmateo.edu/explorecsm</u>. Guided campus tours can be scheduled through <u>collegeofsanmateo.edu/tours</u>.

College of San Mateo is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, (10 Commercial Boulevard, Suite 204, Novato, CA 94949, 415-506-0234), an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.

Community Members: Are there topics or features you'd like to see in upcoming schedules? Please provide your suggestions and/or feedback to csmpr@smccd.edu. Thank you.

An Interview with Mike Brunicardi Associate Professor and Coordinator of Administration of Justice

Thirty-three years in law enforcement was not enough for Mike Brunicardi. With a passion for his work and a commitment to serve the community, he successfully transitioned from police lieutenant to college educator– from enforcing the law to teaching the law. Today, Professor Mike Brunicardi can be found in a CSM classroom where he is educating the next generation of law enforcement professionals.

A San Mateo County native, Mike grew up in South San Francisco, graduated from El Camino High School and went on to earn a bachelor's degree from San Francisco State University in political science. He began his law enforcement career in 1979 as an officer with the San Mateo Police Department (SMPD). He left SMPD for eight years to work for the Colma Police Department, serving as sergeant, and returned to SMPD in 1989 where he spent the remainder of his career. During his tenure with SMPD, Mike worked nearly every assignment in the department: field operations, investigations, traffic, community policing, training, recruitment, support services, and public information. At SMPD, the progression of his career trajectory went from the rank of officer through lieutenant with promotions at every level in between. In 2012, he retired from the department he had served for 25 years capping off a 33-year career in law enforcement.

Mike received numerous commendations from the San Mateo County District Attorney's Office for outstanding investigative skills in a range of crimes, including the conviction of suspects involved in child molestation cases; he subsequently became a court-recognized expert in sexual assault crimes against children. Throughout his law enforcement career, he received numerous awards and recognitions for outstanding service including the National Recognition Award from President Obama, U.S.

Free Tax Services at College of San Mateo

Senate Recognition Award, California State Governor Recognition and numerous commendations from cities, school districts and community organizations. In 1985, Mike was honored with a Heroism Award from the Peninsula Council of Lions Clubs for his apprehension of an armed and dangerous suspect who was wanted in connection with an execution-style double homicide in Georgia.

In 2001, Mike brought his breadth of experience to CSM when he became a part-time faculty member in the administration of justice (AJ) program. In 2012 he was hired at CSM as a full-time instructor in the program and coordinator of the California Peace Officer Standards and Training (POST) modular regular basic course training program.

MIke and his wife and five children live in Burlingame. He is the president of the Burlingame Youth Baseball Association and active in community neighborhood outreach activities.

In this interview, Mike discusses how he has merged his dual careers in law enforcement and higher education, CSM's Administration of Justice program and the contributions the program makes to the community.

Why did you choose a career in law enforcement?

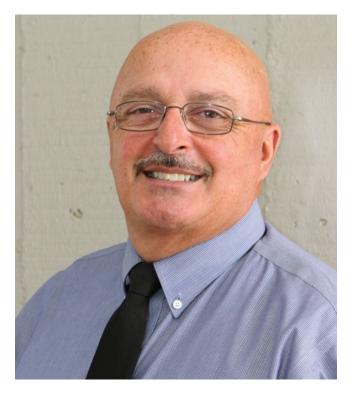

I was always interested in the law and U.S. history, especially how the oppressions of the founding fathers motivated them to declare independence and craft the Constitution and Bill of Rights...all of which hold true today... how awesome is that! From my first experience in law enforcement, as complaint desk police cadet for Daly City, I found the work exciting and diverse. I quickly developed a passion for law enforcement and I believe that having passion for what you do is key. My father worked at a job that he didn't like and told me many times, "If you get paid for doing your passion... you will never work a day in your life."

Did you have a role model or mentor who influenced your career?

I would say Lee Violett who was one of my SMPD field training officers. He had great interpersonal skills and was a true leader because he was fair, reasonable and committed to the community. I learned from him the importance of finding balance in life. Lee was passionate about his job and was very much dedicated to his family; he was well-liked and, at the same time, held folks to high standards for their service to the City. Another mentor was San Mateo Chief of Police Susan Manheimer. She contributed to my professional development and provided valued insight into the administrative functions of law enforcement.

You began teaching at CSM while you were still on the force. Why did you decide to teach?

When I served as a field training officer I found it very rewarding because I was teaching new officers street applications of what they learned in the police academy and college. Later in my career when I became a detective for SMPD, I worked in the juvenile detective position and became the expert in crimes against children. Because of this experience, Skeet McGinnis, the former coordinator of CSM's AJ program, asked me to teach Juvenile Procedures in the Criminal Justice class. From the beginning, I was hooked on teaching.

Now that you are in the business of educating the next generation explain why a college education is important for law enforcement officials?

Law enforcement has changed over the last three decades - for the better. One change is the professionalism displayed by new hires which is due in large part to a higher level of education. Most agencies require AA/ AS degrees and many require more education. All agencies list higher education as 'highly desirable.' Over the years, I have seen more applicants with bachelors, masters and even some with JDs. I tell my students that education is the cornerstone of hiring and advancement and it will make them more competitive for jobs.

How does your experience as a law enforcement officer impact your teaching?

First of all, I bring credibility to the program. After 33 years, I've had personal experience with almost every area of the AJ curriculum that is covered. In addition, my passion for law enforcement is evident from the very first day of class.

What significant changes have you seen in the profession throughout your career and what impact have these changes had on CSM's Administration of Justice Program? Law enforcement has become transparent to the community and there is greater emphasis on accountability for the actions of each officer. Ethical behavior is essential to maintain trust with the community. In addition to a higher level of education, today's officers go through more demanding and intensive police academy training. Another area of change is the use and application of technology and SMART policing. Technology-such as CompStat, computer generated criminal statistics-allows law enforcement units to receive real-time information about criminal activity and data to analyze trends and patterns so that plans can be implemented to deploy resources and stop the incidents. New technology allows for more effective policing and decreased crime. Finally, I believe departments are

These services provided by CSM students participating in ACTG 175 "Volunteer Income Tax Preparation"

Drop-in service offered:

Saturdays, February 7–April 11 (except for February 14 and March 28) 9 am–1 pm • Building 14, Room 104

To qualify:

Last year's income was less than \$53,000

vita@smccd.edu or (650) 378-7323

What to bring:

Copy of 2013 tax return

- □ Social Security or ITIN card for each individual claimed on the return
- □ W2 and all other income forms
- □ Information for any tax deductions or credits including Form 1098-T and form 1095-A
- $\hfill\square$ Photo ID for taxpayer and spouse

Income under \$58,000? Want to file your own return from your own computer? Visit <u>www.MyFreeTaxes.com</u> for information. See "Mike Brunicardi" on page 22

Connect to College

A Night of Information for High School Seniors and Parents

Thursday, April 16, 2015 • 6–8 pm

Free and open to the public

College Center Building 10, College of San Mateo 1700 W. Hillsdale Boulevard, San Mateo, California

RSVPs received by March 31 will be eligible for a scholarship drawing. RSVP one of three ways: Facebook event page <u>collegeofsanmateo.edu/connectrsvp</u>; email csmoutreach@smccd.edu; or call (650) 574-6644.

Who May Attend CSM

Any person who is a high school graduate, or who has passed the California High School Proficiency Examination or the General Education Development Examination (GED), or who is 18 years of age or older is eligible to attend this public community college. See page 5 for enrollment steps.

High school students may be admitted for concurrent enrollment with the permission of the dean of enrollment services. See College Connection Concurrent Enrollment Program on this page for details.

Open Enrollment

Every course offered at College of San Mateo (unless specifically exempted by legal statute) is open for enrollment and participation by any person who has been admitted to the College and who meets the prerequisites of the course provided that space is available.

Residency

Students who have been California residents (as defined in the Education Code) for more than one year prior to the beginning of any semester are eligible to enroll as residents for that semester. Nonresident students are those U.S. citizens who have not been residents of California (as defined in the Education Code) continuously for one year prior to the start of the semester. They are required to pay a tuition fee of \$210 per unit at the time of registration, in addition to other required fees paid by California residents. Nonresident students possessing "T" or "U" visas are exempted from paying the nonresident tuition rate. Students may be required to present documentary evidence of eligibility for classification as residents. See page 21 for Fees.

Students need not be U.S. citizens to be classified as residents. Permanent resident aliens and many other citizens of other countries are eligible to establish California residency.

Getting Started at CSM

Continuing Students Priority Registration

Priority registration gives specific groups of students the opportunity to register for classes early. Generally, groups are given priority based on maintaining current Student Educational Plans (SEPs), completing the matriculation process, maintaining good academic standing, and earning a total number of units with the district.

A student is considered a continuing student with priority registration if the student enrolled in the Fall 2014 semester in at least one class and is either still enrolled; or dropped the class after the class session had started. In late October, students will be sent a WebSMART registration appointment email which will contain their individual appointment date. Continuing students may register and pay fees using WebSMART on or after their appointment date. **All students who have an outstanding balance from any prior semester will not be able to register for classes until all fees are paid.**

Application Process for NEW and FORMER Students

All students who have not attended any of the last three semesters, including summer session, must submit an Application for Admission for the Spring 2015 term. Submit an Application for Admission at <u>collegeofsanmateo.edu/apply</u>. After being admitted, and completing matriculation requirements, if applicable, new and former students may register and pay fees using WebSMART. See Spring 2015 Important Dates on page 2.

College Connection Concurrent Enrollment Program

The High School College Connection Concurrent Enrollment Program is a special program designed to provide current 9th-12th graders the opportunity to get an "early start" on their college experience and earn college credit. Enrollment fees are free to California residents who enroll in less than 11 units.

- Step 1: Apply for admission online at collegeofsanmateo.edu/apply.
- Step 2: Meet with your high school counselor to review and select your college courses.
- Step 3: Take placement tests at CSM if you plan to register for English or math courses or a course that has an English or math prerequisite. More information can be found at <u>collegeofsanmateo.edu/testing</u>.
- Step 4: Submit completed Course Request Form to the Admissions and Records Office at College of San Mateo, Building 10, Third Floor, by mail, in person, or by fax (650) 574-6506.
- Step 5: Register for classes at collegeofsanmateo.edu/websmart.
- Step 6: Sign in and use your assigned my.smccd.edu email.

International Students

Residents of other countries may apply for admission as F-1 Visa students through the International Student Center. Special international student applications, related forms and additional information may be obtained from the International Student Center (Building 10, Third Floor, Room 310). For office hours and more information, call +1 (650) 574-6525 or go to collegeofsanmateo.edu/international.

To be eligible for priority admission for the semesters listed below, special applications should be filed in the International Student Center by these dates:

Fall 2015 (August–December) July 1, 2015

Spring 2016 (January-May) November 15, 2015

AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying non-resident tuition. Students who have attended a California high school for three years AND received a California high school diploma or its equivalent, such as a GED or passing the high school proficiency exam, are exempt from paying non-resident tuition. If you are qualified, please complete the AB540 form and submit it by fax (650) 574-6506, by mail, or in person to the CSM Admissions and Records Office located in College Center Building 10, Third Floor, Room 360. You may obtain the AB540 form from the CSM website at <u>collegeofsanmateo.edu/forms</u>, or from the Admissions and Records Office.

Have questions or need assistance? Please visit: <u>collegeofsanmateo.edu/askthebulldog</u>

International Education

College of San Mateo welcomes international students, who enrich the academic, cultural, and social life of the campus by bringing a diversity of ideas and multicultural perspectives to the classroom and by providing opportunities beyond the classroom for all CSM students to engage in conversations and activities that create a broader understanding of the global community in which we all live.

College of San Mateo's International Student Center provides extensive support services for international students including an efficient admissions process, assistance with financial aid, a welcoming on-campus orientation, and ongoing counseling and advising throughout the students' enrollment at the college. Dedicated, student-centered professors, small class size, and state-of-the-art facilities create a robust instructional environment in which students grow intellectually and prepare for transfer to a four-year institution or for further training in a career. For information, contact (650) 574-6525.

Distance Education

College of San Mateo is committed to meeting the evolving needs and expectations of its students and community through the expansion of alternative means of delivering instructional and student support services.

Distance education courses consist of online and hybrid courses. Online courses are conducted through a class website, and there are no mandatory campus meetings. Hybrid courses are conducted mostly online but do have at least one meeting on campus. Most CSM distance education courses are applicable toward associate degree credit, and many satisfy transfer course requirements. Additionally, students enrolled in distance education courses have the same access to financial aid as those enrolled in on-campus courses.

Distance education courses may not be right for all students. They give students greater freedom of scheduling, but they also require more self-discipline than on-campus courses. How well distance education courses fit into a student's educational and career goals depends on many factors. It is important for first-time distance education students to review the information available on the distance education website at <u>collegeofsanmateo.edu/distanceeducation</u>. For those students who are able to create the right environment, have the right study habits, and understand the technical and academic requirements, CSM's Distance Education courses can be as effective as on-campus courses in terms of student learning.

The Distance Education Resource Center is available to assist students and answer questions in order to ensure College of San Mateo students have a successful distance learning experience. For more information, please visit the Distance Education website at <u>collegeofsanmateo</u>. <u>edu/distanceeducation</u> or call (650) 574-6271.

For more information, visit collegeofsanmateo.edu/ce.

Priority Enrollment Program (PEP)

For Graduating High School Seniors and Other New or Returning Students College of San Mateo offers a special enrollment program that provides priority access to matriculation services and enrollment for students who plan to enter the College in Fall 2015. More information about PEP can be found at <u>collegeofsanmateo.edu/pep</u>.

Transfer Students

Students who have completed lower division coursework at other colleges and universities and wish to apply that credit to the completion of a College of San Mateo certificate, associate degree, or to a California State University General Education Certification, or to an IGETC Certification should have their transcripts officially evaluated after applying for admission at <u>collegeofsanmateo.edu/apply</u>. For more information, review the Transcript Evaluation Service information at <u>smccd.edu/transeval</u>.

Dismissed Students

Students on dismissal status within the San Mateo County Community College District must go through a process to request reinstatement and permission to enroll in classes. The first step of this process at College of San Mateo is to attend a Reinstatement Workshop. To schedule a reservation for a workshop go to the Counseling Office in Building 10, Third Floor, Room 340 or schedule online (WebSMART - "schedule appointments"). Students must complete the workshop and the reinstatement process prior to the registration deadline date for the term for which they request enrollment.

Students who were dismissed and who have NOT been in attendance at College of San Mateo, Cañada, or Skyline College since Spring 2014 must complete an Application for Admission prior to attending the Reinstatement Workshop.

Spring 2015 Registration Dates & Times Continuing Students: Nov. 3 – Nov. 10 New & Former Students: Nov. 11 – Jan. 21

How to add classes after the semester has started

To add a class, attend the first class meeting to obtain the instructor's approval.

If space is available, the instructor will give you a four-digit authorization code to enter when you register. You must complete the registration process through WebSMART no later than Wednesday, February 4.

For important information regarding deadlines for eligibility for credit or refund of fees please visit: <u>collegeofsanmateo.edu/fees/credit.asp</u>.

Online classes – You can find online instructor contact information by selecting the course title link within WebSCHEDULE (collegeofsanmateo.edu/webschedule).

Steps to Successful Enrollment

If Your Educational Goal is to obtain an associate

degree or certificate; transfer to a four-year university; im-

prove basic skills in English, reading or math; or if you are

applying for financial aid; or if you are undecided about

your goal, you must follow all steps shown above; or if

you wish to meet with a counselor you must complete Step

If Your Educational Goal is to take courses for person-

al enrichment; upgrade job skills; maintain a certificate or li-

cense; participate in the High School College Connection Con-

current Enrollment Program; or if you have already completed

an associate degree or higher in the United States; or if you

are primarily a student at another college or university and

taking courses at College of San Mateo to meet the require-

All students are required to complete the Application

for Admission. Fill out the Application online at

After the application has been received, you will be sent an

email confirmation with additional information. You will also

receive a student identification number (which begins with

a "G"). Use this number to conduct all college business and

Placement tests are designed to assess your skills in

English or ESL, reading, and mathematics. Test results

assist you to select courses, build an appropriate schedule

of classes and determine whether you meet prerequisites

for certain courses. Review sample test questions online at

collegeofsanmateo.edu/testing. It is recommended that you

do some test preparation prior to taking the placement tests.

ments of the institution, you must follow steps 1, 4 and 5.

3, the College Orientation/Course Selection Workshop.

To schedule placement tests, log into your student WebSMART account. The USER ID is your G number and the password is your 6 digit birth date. Click on STUDENT RECORDS AND

Complete College

Orientation/Course

- STUDENT APPOINTMENTS.
 You must complete the application for admission and have a student G number to schedule a testing appointment.
- You must present a photo ID and your student G number on the day of testing (no exceptions).
- There is no fee for testing and it takes approximately 2.5 hours to complete.
- The Assessment Center is located in College Center Building 10, Third Floor, Room 370.

If you have already successfully completed English and/or math courses at another college or university within the United States and are planning to enroll in an English or math course or a course that has an English or math prerequisite, then your previous coursework must be approved. Visit <u>collegeofsanmateo.edu/prerequisites</u> for more information and to obtain the Prerequisite Equivalency form. If you are transferring in from another college and do not plan to enroll in an English or math course or a course with an English or math prerequisite, then you may proceed to Step 3.

Step 3: Complete College Orientation/Course Selection Workshop

To have access to counseling services students must first complete the College Orientation/Course Selection Workshop. To make a reservation for a workshop log into your student WebSMART account, click on Student Records, and select Student Appointments. Bring to the workshop your placement test results. Please arrive on time, as latecomers are asked to reschedule. At the completion of the one and a half hour workshop you will be able to register for classes and you are eligible to use counseling services.

5

Sign In & Use Your

Assigned my.smccd.edu

Email

Step 4: Register for Classes and Pay Fees

Your appointment to register will be sent to your student WebSMART account. Use your student WebSMART account to view your registration appointment, register for classes and pay fees.

Many courses with prerequisites are subject to computerized prerequisite checking. If you have completed the prerequisite course outside of the college district, go to <u>collegeofsanmateo</u>. <u>edu/prerequisites</u> for more information.

Step 5: Sign In and Use Your Assigned my.smccd.edu Email

Meet with a Counselor

Register for Classes

and Pay Fees

All college electronic communications will be sent to your my.smccd.edu email address. You can expect to receive important email messages from your professors and the college before the first day of school. Log into your WebSMART student account to find your email address and password and check it regularly.

Enrollment Management

- A Student Responsibility -

As a student at College of San Mateo, it is your responsibility to manage your enrollment. This includes updating your personal information record via WebSMART, checking your student email, registering for classes in a timely manner, adhering to all deadlines listed on the Important Dates page in the beginning of this schedule (in particular late registration, withdrawal from classes, payment of fees), and monitoring your academic standing.

Financial Aid

Step 1: Apply for Admission

Step 2: Take Placement Tests

collegeofsanmateo.edu/apply.

access college services.

Students applying for Financial Aid must complete enrollment steps as noted above. All students who have completed coursework at other colleges/universities must have their transcripts officially evaluated by completing a Transcript Evaluation Request form. Visit <u>smccd.edu/transeval</u>.

Complete a Free Application for Federal Student Aid (FAFSA) to automatically be considered for all of the following programs:

Board of Governer's Fee Waiver (BOGFW)

The State of California offers a BOGFW for students who are residents of the State of California, attend a community college, and are eligible for need-based financial aid. The BOGFW pays enrollment fees only for the academic year when eligibility has been determined. Other fees, such as parking, health, student body and student representation, must be paid by the student (see Fees page 21).

Federal Pell Grant

You are automatically considered for a Federal Pell Grant when you file the FAFSA. If you receive an Expected Family Contribution (EFC) of 5200 or less on the Student Aid Report (SAR), you are eligible for a Federal Pell award. Less than halftime students have a much lower EFC cut-off to be eligible for a grant. Awards for students are prorated based on enrollment

status: full-time 12 or more units; three-quarter time 9–11.5 units; half-time 6–8.5 units; less than half .5–5.5 units. Awards range from: \$287 – \$5,730.

Cal Grant A, B and C Deadline to Apply is March 2 or September 2

Cal Grants are for California residents only. They are awarded by the California Student Aid Commission for attendance in schools in California only. Maximum awards are: Cal Grant B \$1,473; Cal Grant C \$547.

Federal Supplemental Educational Opportunity Grant (FSEOG)

FSEOG is a grant awarded to students with exceptional need (EFC of o through 1,000). Awards range from: \$100-\$800. Priority application date: March 2. Visit <u>www.icanaffordcollege.com</u>

California Chafee Grant (CHAFEE)

The California Chafee Grant Program awards funds to eligible current or former foster youth for career and technical training

Extended Opportunity Programs and Services (EOPS)

EOPS is a state-funded program that provides book vouchers, grants, support services, and limited transportation services to high-need, educationally disadvantaged students who are California residents. Students must complete the FAFSA and/ or a BOGFW application to apply. Students must be enrolled full-time at the time of application. Final eligibility for EOPS and CARE is determined and coordinated through the EOPS Office.

Student Employment Federal Work Study (FWS)

Students who apply for financial aid and complete the Student Information Sheet and the FAFSA by March 2 are given priority. Maximum Annual Award: up to \$10,047. Priority application date: March 2.

California Dream Act

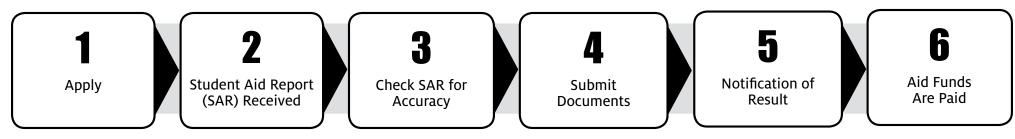

The Dream Act was passed into law in 2011 and allows AB 540 students to apply for and receive several types of financial aid, including Board of Governors Fee Waiver, Cal Grants and Chafee Grants, EOPS, CARE or CalWorks and Scholarships.

Financial Aid Steps

or college courses. Eligible Chafee applicants are required to be, or to have been, in foster care between their 16th and 18th birthdays, and to not have reached the age of 22 by July 1 of the award year. Maximum annual award: \$5,000.

Loans and Scholarships

Loans are funds that students borrow now and repay after they complete a program of study or stop going to school. Scholarships are awarded for a variety of criteria. Visit <u>collegeofsanmateo</u>. <u>edu/finaid</u> or call the Financial Aid and Scholarship Office at 574-6146 for more information.

Step 1: Apply

For 2014-15 file a 14-15 FAFSA at <u>www.fafsa.ed.gov</u>. College of San Mateo's college code is 001181. FILE EARLY for the upcoming year (anytime after January 1). It is also recommended that you attend a free Financial Aid workshop. Log in to WebSMART for dates and sign-up.

Step 2: Student Aid Report Received

After you apply, you'll receive a Student Aid Report (SAR). Your SAR contains the information reported on your FAFSA and usually includes your Expected Family Contribution (EFC). The EFC, a measure of your family's financial strength, is used to determine your eligibility for federal student aid.

Step 3: Check SAR for Accuracy

Your SAR must be checked for accuracy and then brought to the Financial Aid Office for review. Please check WebSMART for any additional information required to complete your file before submitting your SAR to the office.

Step 4: Submit Documents

Submit all required documents to College of San Mateo's Financial Aid Office. File is complete!

Step 5: Notification of Result

Check WebSMART to learn the status of your financial aid. College of San Mateo will notify eligible students in WebSMART by an award letter outlining the types and amount of Financial Aid they qualify for at CSM.

Step 6: Aid Funds are Paid!

You will receive a check in the mail or if you signed up for direct deposit funds will be electronically deposited into your bank account.

Educational Goals at CSM

View the College Catalog and the College website, <u>collegeofsanmateo</u>. <u>edu</u>, for more information about goals and opportunities at College of San Mateo.

University Transfer Program

Complete your freshman and sophomore years of university work at College of San Mateo and transfer as a junior to a baccalaureate level college or university. College of San Mateo can help you plan an educational program to prepare you to transfer to the University of California, California State University or private college or university to earn a bachelor's degree. Assistance from Counseling Services and Transfer Services can ensure a smooth transition to the transfer institution of your choice. With planning, it is possible to concurrently complete an associate degree as you complete coursework to facilitate university transfer. In many cases, students planning to transfer may want to pursue an Associate Degree for Transfer (AA-T/AS-T). See information below.

Associate Degrees for Transfer (AA/AS-T) Benefit Students Intending to Transfer to CSU

California community colleges offer associate degrees designed to support transfer to the California State University system. Students who complete an AA-T or AS-T secure priority admission to the California State University system. A list of associate degrees for transfer (AA-T/AS-T) is located in the CSM Catalog and on the Transfer Services website. For more information about SB 1440 and advantages to completing an AA-T or AS-T go to <u>www.sb1440.org</u> or <u>www.adegreewithaguarantee.com</u>.

Associate in Arts and Associate in Science Degree Programs

At College of San Mateo you can select from over 65 associate degree majors, or choose to complete multiple degrees to enhance career and job opportunities or for personal enrichment. Graduation from College of San Mateo with the associate in arts or science degree is based upon the completion of 60 units of lower-division college-level work, which includes major, basic competency, and general education requirements. For a complete list of associate degree majors and courses required to satisfy each major refer to the CSM Catalog.

Certificate Programs

You can earn a certificate in achievement or a certificate of specialization in over 70 areas. Certificate programs are designed to prepare you for employment. All certificate programs are carefully developed by advisory committees composed of college staff and selected representatives from the business and industrial communities. Typically certificates require 12–40 units of coursework and can be completed in one semester or over several semesters. Certificates are awarded upon successful completion of requirements listed in the CSM Catalog.

Monitor Your Progress toward University Transfer, AA/AS-Ts, Associate Degrees, and Certificates

Within your student WebSMART under the Student Services tab, find DegreeWorks. DegreeWorks is a tool to monitor progress toward your educational goals. DegreeWorks looks at the program requirements found in the College of San Mateo, Cañada College, and Skyline College catalogs and the coursework you have completed to produce an easy to read degree audit. Also in DegreeWorks you can work with a counselor to develop a comprehensive student educational plan (SEP) that maps out, semester by semester, courses needed to meet your educational goals. Students with SEPs have a higher registration priority than students who do not have SEPs.

Gainful Employment Disclosure Information

Final regulations published in the Federal Register on October 29, 2010, [75 FR 66665 and FR 66832], by the U.S. Department of Education, require all institutions that participate in the student financial assistance programs authorized under Title IV of the Higher Education Act of 1965, to report certain information about students who enrolled in Title IV - eligible educational programs that lead to gainful employment in a recognized occupation. College of San Mateo's report on educational programs leading to gainful employment is available at <u>collegeofsanmateo.edu/degrees</u>.

Multiple Educational Goals

At College of San Mateo you are free to pursue your educational interests for personal and career growth and development. This may mean that you want to complete certificates, associate degrees, and transfer. You are not limited to selecting one educational goal.*

*Students participating in the CSM Financial Aid program are required to declare one primary educational goal.

Updating Job Skills

You may find classes and programs that appeal to you for updating your job skills or advancement in your career.

Program Planning and Enrollment Management

Students enrolling at College of San Mateo should plan a program of study that will meet their educational and career goals. Attend the College Orientation and Course Selection Workshop to acquire information about program planning and how to achieve educational goals. All students who attend a workshop have access to counseling services and should consult with a counselor early in the educational process for academic planning assistance. Students often have multiple goals and plan to complete a college certificate, an associate degree, and/or transfer to a university to complete a baccalaureate degree.

If in the course of enrollment at College of San Mateo, students find it advisable to change their program of study or educational goal, they may do so. These changes should be discussed with a counselor and students should be aware that any changes may result in extending the time necessary to fulfill the certificate or degree or transfer requirements. Ultimately, students maintain full responsibility for planning their educational programs and for their enrollment management.

Students are responsible for maintaining current and accurate information in their WebSMART accounts, checking student email, updating educational goal information, managing registration and enrollment, retrieving grades and placement test results, and monitoring academic standing.

Associate Degree for Transfer (AA/AS-T)

These unique associate degrees allow students to prepare for transfer and complete an associated degree that guarantees admission with junior standing to the California State University system. Though not a guarantee to all California State University campuses and all majors, it does secure priority admission consideration.

"Obtaining an Associate Degree for Transfer at College of San Mateo gives students a significant advantage in the transfer process!"

CSM Prepares Students (continued from page 1)

numerous career paths are available to serve the diverse needs of students and employers. Each program awards certificates, and in many programs, multiple certificates; many award associate degrees and several provide the option to transfer to a university.

Most of the programs have robust enrollments, in fact; approximately 22 percent of CSM's students are enrolled in CTE courses. Depending on the field of study, CTE programs vary in length. While some require two years of full-time study, others can be completed in as little as two semesters. In addition, CTE programs are scheduled to accommodate the busy lives of students with classes meeting in the daytime, evening and online. For careers that require national or state boards or agency examssuch as cosmetology, real estate, administration of justice, fire technology and building inspection, nursing and dental assisting-coursework is built into the curriculum to prepare students for those exams. Besides specialized education and training, CTE students benefit from academic and career counseling, networking with faculty and others to support students' job searches, assistance with building resumes and preparation with interviewing-tailored to the specific career field. Finally, an essential component of CSM's CTE programs is the faculty. Students in these programs are learning from the experts: talented, experienced professionals who are either actively employed or retired from their professions.

CSM's CTE Programs

Cosmetology - CSM's cosmetology program is designed to give students the finest training and experience available in areas of hair design, coloring and analysis, skin care, nail care and aesthetic enhancements. Students in this 13-month program receive real-world experience as they work on clients and prepare to take the state licensing exam. (A direct benefit to the community is that a variety of low-cost services are available to the public.) Approximately 90% of CSM's cosmetology graduates find work in the Bay Area.

Computer and Information Science (CIS) - Due to the college's proximity to Silicon Valley and the need for employers to hire programmers, the CIS program is one of the highest demand majors in the area. Approximately half of CSM's CIS students transfer to a university while the remaining 50 percent enroll to update or become re-

Electrical Power Systems (EPS) - The EPS program is also in high demand by local employers, in fact, the program is endorsed by PG&E, the San Francisco Public Utilities Commissions, East Bay Municipal Utility District and 24 other water agencies which offer preferred employment opportunities to graduates of the program. In addition, several EPS student have been hired by Tesla, Lockheed-Martin and Lawrence Livermore National Lab.

Administration of Justice, Fire Technology - CSM offers two programs for students who want to serve in public safety careers: administration of justice and fire technology. Administration of justice prepares students for employment and advancement in law enforcement. Job opportunities in this field are available both locally and throughout the state; many graduates of CSM's program are hired in departments in San Mateo County. The fire technology program provides hands-on training for firefighters who find employment in our communities and statewide and for students to serve as interns for cities and fire districts throughout the County.

Building Inspection Technology - Based on the newly enacted California Building Standards Code and Green Building Code, there is an increased demand for continuing education in various specialties in this field. CSM has been the long-standing leader in education of building inspectors for several decades. Building inspection is a good path for contractors and construction workers to transition into a less-physically demanding career while still staying involved in the construction industry.

Business and Management, Real Estate - While business and management may be traditionally regarded as transfer programs and many students in these majors transfer to universities, many others will earn certificates in specific areas including human resource supervision, office management, microcomputer programs and marketing. Also in the area of business is real estate, which can lead to a lucrative career, especially in the Bay Area. There are more than 7,000 licensed real estate agents in the County and a large majority of them have taken classes at CSM to prepare for their State exams.

Accounting - CSM's accounting department provides a number of options for students who are looking for career preparation for a first job, career change or to refresh or update their skill set. Certificates are available in accounting, tax preparation (see article, "CSM in Your Community" on the front page), and CPA enrolled agent exam preparation for those who already have degrees. In addition, there is a certificate for accounting assistant that is targeted to students who want to work as bookkeepers and office managers.

Digital Media (DGME) - The DGME program is training the next generation of media-makers in the areas of graphic design, web design, television broadcasting, audio and video production, and web programming. The program provides students with real-life, hands-on experiences that prepare them for immediate employment and for upper division coursework. A practical curriculum offers real-world experience with current software applications and digital equipment.

Nursing, Dental Assisting - CSM's nursing program provides students with learning opportunities that take place in the classroom as well as in local hospitals and changing focus in nursing care due to the Affordable Care Act with emphasis on prevention of disease, health maintenance, management of chronic illnesses and home care. Graduates of the program are eligible to take the national licensing exam and eligible to transfer to a university. Also in the area of allied health is dental assisting. This two-semester program combines classroom and clinical experience and prepares students to take the state and national exams.

Kinesiology - CSM's newest CTE programs are under the discipline of kinesiology, the art and science of human movement. In addition to degrees and transfer opportunities, students can earn certificates in three distinct areas—group fitness, Pilates and yoga—leading careers in coaching, personal or group training, fitness specialists, physical therapy assistants and recreation.

Support from Employers

To ensure these programs continue to be at the forefront and respond to employer needs, Dean Ross explains, "All of our CTE programs have advisory councils that are typically made up of representatives from companies that would hire our students once they complete certificates or degrees. Their role is to provide key input into the changes needed in the curriculum to bring students up to current industry skill needs, advise CSM on opportunities in developing areas that could lead to new curriculum, assist with opportunities for students, including field trips, guest speakers and extern/internships and provide students with greatly valued career guidance. The councils also have a role in recommending faculty to teach in the programs."

CSM's CTE programs are providing an important link to meet workforce needs and contribute to the economic health of the Bay Area. Students completing these programs, whether they are new or reentering the workforce or changing careers, are finding employment and beginning or advancing in their careers. Dean Ross says, "Employment in these fields is strong. Most all of the programs are experiencing greater demand for trained workers."

Student Success Story (continued from page 1)

As a student in CSM's Firefighter Academy, Stephen witnessed firsthand the value of program to the community. "CSM's fire technology program is producing qualified firefighters, many of whom will serve in local departments or districts. Also, representatives from local fire departments visited classes to reach out to students to help with community service projects. While I was at CSM, I volunteered with the San Bruno Fire Department to landscape and paint the American Legion in that city – it was a great experience."

Upon graduating CSM's Fire Academy, Stephen was hired by the very department he volunteered with—San Bruno —and is currently enrolled in the San Mateo County Fire Academy, the in-service training component. Once he completes this training, he will work on the line with his fellow firefighters.

CSM's Fire Technology Director Keith Marshall says of Kadash, "Stephen exemplifies the goal of our program. We strive to encourage students to work hard and be diligent to become successful in pursuit of a career in the fire service. Stephen did exactly that – he worked hard in classes and applied himself. Kudos to him." For those considering a career in fire service, Stephen offers the following: "If you have the passion and the drive to become a firefighter, this is the program you need. The amount of work you put into this program will pay off. The more you put in, the more you will get out of it. If you dedicate yourself to this program and do your best you will have all the tools you need to pursue your dream of becoming a firefighter."

Stephen says he looks forward to a 30-year career as a firefighter and is committed to continued learning and education. "Being part of the fire service there's never an end to your education. I want to continue to improve my skills and be the best firefighter I can be."

This spring 2015, the San Mateo Community College District and College of San Mateo are introducing XLOnline courses. Designed to increase student access, XLOnline courses will accept up to 100 online students per course section. And, to increase student success in online classes, each XLOnline course will offer free online tutoring to registered students, and allow guest access, so students can survey a course before taking it, or simply learn about a subject for personal enrichment. Check out HSCI 100 XLH or CHEM 680MA XLH to see the next generation of online instruction at CSM! ACTG 182 TAXATION OF BUSINESS ENTITIES USING TAX

INTERDISCIPLINARY STUDIES

3.0

Students accepted into this new and unique interdisciplinary community will							
join a dedicated group of faculty and students working together to create a							
rich, intellectual experience at CSM. Students will earn honors credit in selected							
transfer courses by developing and successfully completing advanced research							
projects. Students are required to concurrently enroll in an Honors Project							
research seminar. Students must be accepted into the Honors Project before							
registering for seminars. For more information, contact David Laderman							
(laderman@smccd.edu)

LEARNING COMMUNITIES

Puente Project

2.0

1.0

1.0

The Puente Project is a transfer support program with English, counseling and mentoring components. This two-semester learning community focuses on Latino literature and experiences. In fall, students eligible for ENGL 838 or 848 register for ENGL 838 and CRER 128. In spring, students continue with ENGL 105 and CRER 129. Students are required to enroll in the English and career classes concurrently each semester as well as attend out of class field trips and activities. Interested students must first attend a Puente Project orientation for registration access. For more information and orientation dates, contact Jon Kitamura (kitamuraj@smccd.edu) or Lorena Gonzalez (gonzalezl@smccd.edu). Visit <u>collegeofsanmateo.edu/puente</u>. 44409 CRER 129 AA TTh 11:10-12:00 16-208 Gonzalez 2.0

Umoja is a transfer support program that focuses on the African American experience through the study of culture, history, literature and identity. The program pairs English and Ethnic Studies in a two-semester program. In the fall, students eligible for ENGL 838 or 848 register for ENGL 838 and ETHN 105. In spring, students continue with ENGL 105 and ETHN 288. Students are required to enroll in the English and Ethnic Studies classes concurrently each semester as well as attend out of class field trips and activities as members of the Umoja community. For more information and registration access, contact Frederick Gaines (gainesf@smccd.edu) or Jeremy Wallace (wallacej@smccd.edu). Visit collegeofsanmateo.edu/umoja.

Writing in the End Zone III

This learning community links Composition and Reading and Varsity Football. Students will continue intensive critical reading and writing practice, focusing on expository texts. Students will reflect on and refine their reading and writing processes, learn to incorporate a variety of advanced and sophisticated sentence structures in to their writing, and write logically organized and developed academic, text-based essays on a variety of socially and culturally significant topics, some of which may relate to athletics.

Enrollment Management

- A Student Responsibility -

As a student at College of San Mateo, it is your responsibility to manage your enrollment. This includes updating your personal information record via WebSMART, checking your student email, registering for classes in a timely manner, adhering to all deadlines listed on the Important Dates page in the beginning of this schedule (in particular late registration, withdrawal from classes, payment of fees), and monitoring your academic standing.

Planning on transferring?

Transfer students should review www.assist.org for the most accurate list of approved UC/CSU GE courses and lower division major requirements for transfer.

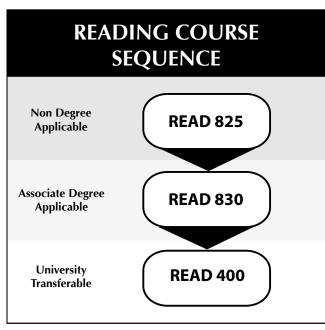

There are two transfer worksheets available for students.

- If you plan on applying to a California State University (CSU), use the California State University General Education Worksheet (CSU GE)
- If you will be applying to both a University of California (UC) and California State University (CSU), use the UC/CSU Intersegmental General Education Transfer Worksheet (IGETC).

Transfer UC/CSU GE worksheets for College of San Mateo are available by visiting collegeofsanmateo.edu/forms/counseling.

The CSM Catalog is your reference document for detailed degree, course or college information

Final Exam Schedule: Spring 2015

Final examinations are held in the classroom in which the class has met during the semester. Students are requested not to contact instructors or the Office of Admissions and Records for individual grades. Final grades will be available beginning June 9, 2015 on WebSMART at collegeofsanmateo.edu/websmart.

When a course consists of lecture and laboratory, the final examination is scheduled according to the time of the lecture. If your class meets at a time other than those listed, please check with your instructor for further information regarding your final examination. If there is an unavoidable conflict in your final examination schedule, see your instructor in one of the classes and request to take the examination with another class. Examinations start promptly at hours indicated and are held in the same room in which the class regularly meets.

Evening/Weekend Classes

Final examinations for all evening, Saturday and Sunday classes will be given during the last class meeting for all courses:

Day of Regular Class Meeting	Final Examination
Monday classes	Monday, June 1
Tuesday classes	Tuesday, May 26
Wednesday and Monday/Wednesday classes	Wednesday, May 27
Thursday and Tuesday/Thursday classes	Thursday, May 28
Friday classes	Friday, May 29
Saturday classes	Saturday, May 30
Sunday classes	Sunday, May 31

FEES & REFUNDS

Fees

Fees are due and payable at the time of registration. **Students will not be able to register for classes if they have any outstanding balance.** On **Wednesday, January 7, 2015** students who have any outstanding fee balances for Spring 2015 will be dropped at midnight for non-payment of fees. Beginning **Thursday, January 8, 2015, two weeks prior to the start of the semester**, students will be dropped at midnight the day following their registration for non-payment of outstanding fees. For more important information, visit <u>collegeofsanmateo.edu/fees</u>.

Student enrollment fees are set by California's legislature and governor and are subject to change at any time. It is possible that your fees may be adjusted at a future date. All student records are automatically held until all outstanding debts to the District colleges have been cleared. Unpaid bills may be sent to collections.

Students who are classified as California residents as defined in the California Education Code will be charged an enrollment fee, a health services fee and a student representation fee. An optional student body fee will also be assessed. In accordance with California law, the enrollment fees may be waived for California residents who demonstrate financial need and qualify for a Board of Governors Enrollment Fee Waiver (BOGW). Contact the College Financial Aid Office for additional information.

Students who are classified as nonresidents will be charged a tuition fee in addition to the enrollment fee, health services fee and student representation fee. International Students (F-1 Visa) are subject to a health insurance requirement and are charged tuition and capital outlay fees in addition to enrollment fees. Contact the International Student Center for details.

The student representation fee was established by student election to support student advocacy before local, state and federal offices and agencies.

In addition, students will be required to purchase textbooks and miscellaneous supplies, as well as tools and technical supplies for certain programs. In some courses students will also be required to pay a non-refundable instructional materials charge.

Fees are subject to change at any time by action of the State Legislature, Board of Governors of the California Community Colleges, or the District Board of Trustees.

If you need assistance in paying your fees, you are encouraged to:

- Enroll in an inexpensive payment plan via WebSMART
- Apply for financial aid (www.fafsa.gov) at least five business days prior to registering for your classes
- Complete the Board of Governors Fee Waiver via WebSMART

If you still need financial assistance after exhausting all options listed above, please contact the Vice President of Student Services at csmvpss@smccd.edu.

AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying nonresident tuition. Students who have attended a California high school for three years AND received a California high school diploma or its equivalent, such as a GED or passed the high school proficiency exam, are exempt from paying nonresident tuition. See page 4 for more information.

Credit and Refund Policy

Enrollment Fee, Nonresident Tuition Fee, Health Services Fee and Parking Fee

Students who officially withdraw from all courses, or reduce their program prior to the first class meeting or by the course deadline date will receive credit toward future fees for the full amount of all fees paid for those classes. To view deadline date, check course in WebSMART. A \$10 processing fee (plus an additional \$50 processing fee for nonresident tuition) will be retained by the College if a refund is issued to a student withdrawing from all classes. For all courses dropped after the deadline, these fees are not refundable unless an action of the College (e.g. class cancellation) prevents a student from attending class. Parking permit fees are not refundable.

Student Body Fee and Student Representation Fee

Students enrolling during the normal registration period in semester-long classes may request a waiver or a refund of the Student Body Fee and/or the Student Representation Fee through the last day to drop semester-long classes (see Important Dates on page 2). Students enrolling after the end of this deadline may request a waiver or a refund of these fees within one (1) week of completing registration. Students enrolled only in short courses have until the first class session to request a waiver or refund of these fees. Students requesting a waiver or a refund of the Student Body Fee and/or the Student Representation Fee must do so in-person at the Center for Student Life and Leadership Development in Building 17, Room 112.

Variable Unit Courses

No enrollment fee or nonresident tuition refund or credit will be available to students enrolled in variable unit courses who earn fewer units of credit than the number for which they originally registered. Students earning additional units will be charged accordingly.

Important:

- 1. Credit balances remain on student accounts for a maximum of five (5) years.
- 2. A student may either choose to maintain a credit balance on account or contact the Business Office (Building 10, Room 360, 574-6412) to arrange for a refund.
- 3. Refunds are NOT issued automatically and are subject to a \$10 processing fee if the student withdraws from all classes. Refunds of nonresident tuition are subject to an additional \$50 processing fee.
- 4. Fees paid by personal check require 30 days for bank clearance before refunds can be processed.
- 5. To be eligible for a credit or refund, a student must officially withdraw from a course within the stated deadline. To view deadline date, check course in WebSMART. A withdrawal initiated by an instructor may NOT result in a credit or refund.
- 6. Fees will be credited or refunded without a processing charge if an action of the College (e.g. class cancellation) prevents a student from attending.
- 7. Student records, including transcripts, are withheld until all debts to the District colleges have been cleared.

Fee Type	Amount	Required of	
Enrollment Fee	\$46 per unit	All students except high school students enrolling for less than 11.5 units through the Concurrent Enrollment Program or Middle College High School Program	
Health Services Fee*	\$16 Summer \$19 Fall \$19 Spring	All students except those enrolled ONLY in off-campus classes, Saturday classes, distance education courses, or the Concurrent Enrollment Program	
Student Representation Fee**	\$1	All students except High School students enrolled in the Concurrent Enrollment Program or Midd College High School Program	
Nonresident Tuition Fee	\$210 per unit (plus \$46 per unit Enrollment Fee)	Nonresidents of California who are residents of other states Students who possess "T" or "U" visas are exempted	
Nonresident Student Capital Outlay Fee	\$9 per unit	Nonresidents of California who are residents of other states	
International Application Fee	\$50	For fall and spring semesters only	
International Student Tuition Fee	\$210 per unit (plus \$46 per unit Enrollment Fee)	International students

Student Body Fee***	\$8 Fall \$8 Spring	Students who purchase a photo ID student body card receive discounts throughout the year and also support many student-sponsored activities and programs (The Student Body fee is automatically	

			assessed as part of your total fees; if you choose not to pay this fee, visit the Center for Student Life and Leadership Development, Building 17, Room 112, before last day to drop with eligibility for credit and refund deadline. See Important Dates on page 2.)
Parking Fee*** Summer Fall Spring Daily Two-Term (Fall/Spring)	<u>Regular</u> \$26 \$51 \$51 \$2 \$92	<u>BOG</u> \$25 \$30 \$30 \$2 \$60	 Persons who park motor vehicles on campus (Daily permits may be purchased for \$2 from ticket dispensers in designated areas). The parking fee is optional and not transferable to other students; disabled parking permits are issued only by the Disabilities Resource Center - See Parking Regulations on page 23. BOG parking permits are for low income students who demonstrate financial need under federal or state standards. For lost or stolen permits, please see Parking Regulations on page 23.
Audit Fee	\$15 per un	it (students enrolling in unit course must pay for	Students enrolled in 10 or more units for credit can audit up to three additional units free of charge - See Auditing policy in the CSM Catalog
Instructional Materials Fee	Varies by o	course	Students enrolled in courses for which instructional materials are needed. Check course information in class listings or WebSCHEDULE. Non-refundable.
Duplicate Diploma Fee	\$20		
Returned Check Fee	\$20		Students whose personal checks are returned by the bank (Only cash, credit card or cashier's check will be honored to clear a returned check - Bookstore fee may differ)
Transcript Fee \$5 official \$10 additional for rush service		onal for rush service	Students requesting a transcript of their academic record at College of San Mateo, Cañada College and/or Skyline College (The first two transcripts ever requested are free)

* Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization may be exempted from paying the Health Services fee. For details, contact the Health Center, Building 1, Room 147, (650) 574-6396.

** A student has the right to refuse to pay the \$1 Student Representation fee for religious, political, moral or financial reasons. This refusal must be submitted in writing to the Center for Student Life and Leadership Development, Building 17, Room 112, before last day to drop with eligibility for credit and refund deadline. See Important Dates on page 2.

*** This fee is optional. Please refer to "Required Of" column for further information.

[†] Acceptable forms of payment are cash, check, credit card and debit card. Cash is accepted in-person only. Make check payable to College of San Mateo.

Support Services & Special Programs

CSM offers a variety of student services to assist you in reaching your educational goals. These programs include:

- Admissions & Records
- CalWORKs
- Career Services
- Child Development Center
- Counseling Services
- **Disabled Students Programs** & Services (DSPS)
- Extended Opportunity Programs & Services (EOPS)
- Financial Aid
- · Health Services Center
 - High School Enrollment
 - Programs
 - Honors Project
- International Student
 - Center
- Learning Center
- Middle College
- Multicultural Center
- Placement Testing

- Psychological Services Puente Project
- Scholarships

Priority Enrollment

Program (PEP)

- Student Life
- Transfer Services
- Umoja Program
- Veterans Services

For specific information about each of these programs, their locations and hours of operation, please visit our Student Services webpage at collegeofsanmateo.edu/studentservices. The CSM Catalog is available online and provides detailed information about each of these programs.

Bookstore

Books and supplies may be purchased at the College of San Mateo Bookstore (College Center, Building 10, Second Floor, 574-6366). To purchase and find information regarding course textbooks and business hours, go to collegeofsanmateo.edu/bookstore.

CSM in Your Community (continued from outer front cover)

John Mason, a client for five years says, "My experience at VITA has always been friendly and helpful and I recommend it to others, especially seniors and people on a fixed income. I will use it again!"

VITA is sponsored by the IRS in partnership with United Way to offer free tax return preparation for people who generally make \$53,000 or less, persons with disabilities, the elderly, and limited English speaking taxpayers who need assistance in preparing their tax returns. Students become qualified to prepare tax returns by enrolling in the college's Accounting 175 class, "Volunteer Income Tax Assistance." The 32-hour course trains students to prepare individual income tax returns using IRS-provided tax preparation software. After students successfully complete the class and pass the required IRS tests, they participate as volunteer tax preparers at the VITA site during tax season.

CSM Professor and Chair of the Accounting Department Bruce Maule shared his enthusiasm, "The VITA program is a phenomenal success story, and a large part of that success is due to Donna Marcus who puts in an enormous amount of time and brings a career of expertise." In fact, CSM's program has become so successful that United Way has replicated it at Skyline College, Notre Dame de Namur University and Menlo College.

Marcus remains well-connected with the tax community and is able to recruit very high caliber volunteers-tax and accounting profes-

Professor Maule explains accounting principles. Photo by Sean Arbabi.

sionals, including IRS employees—who serve as mentors, coaches, and encouragers to the students. Another important role these volunteers fill, and clearly a benefit to each client, is to review each tax return for completeness and accuracy before it is electronically filed. This double-check allows clients to leave with a copy in hand and the confidence that their returns are correct and will be e-filed after another quick review by Marcus.

She says the program provides high-quality customer service, "The one-on-one contact between our student volunteers and clients provides the personal touch. Additionally, all volunteers receive ethics training and all client information remains completely confidential." VITA students use their accounting skills to help members of the community save money on tax preparation fees and get the refunds they deserve. VITA also provides prior year and amended returns, if ne

College Catalog & Policies

The College of San Mateo Catalog contains detailed course descriptions, suggested programs of study, a list of transferrable courses, degree and certificate requirements, and general college information. There are also a number of college policies that are important for students to know. These include, but are not limited to:

- Course Repetition
- Crime Awareness/Student
 - Sexual Assault **Right To Know** • Sexual Harassment
- Dismissal
- Drug-Free Campus

- Guidelines for Addressing

- Smoking

Probation

- Student Conduct and **Disciplinary Actions**
- Student Grievances and Appeals
- Student Rights and Nondiscrimination
- Privacy Rights

For more information about all the items listed above, please obtain a free copy of the catalog at the Bookstore or view online at collegeofsanmateo.edu/catalog

Mike Brunicardi (continued from page 3)

providing much better customer service than ever before. We learned a long time ago that we need to partner with our neighborhoods through social media and outreach programs. We address all of these topics in the program.

What are some of the qualities or skills that you think are important for candidates who want to get hired in law enforcement?

I make it very clear to my students that there are three things you must achieve to become effective in law enforcement: 1) to be able to read and comprehend what you read; 2) to be able to write accurately with appropriate grammar and sentence structure; and 3) to have the ability to communicate effectively with the people you servespeaking, actively listening and responding in kind. Also important is to develop critical thinking skills that will be called on to solve problems.

Who are the students in CSM's program?

The program is rich in ethnic diversity and closely mirrors that of the County's population. In addition, many of our students are bilingual, a skill that departments see as an advantage in working with the community. Currently, our program is 54 percent male, 44 percent female and we have seen the number of female AJ students increasing just as it has in the field. Finally, the age of our students has been fairly consistent: 75 percent is between 18-24 and the remainder is 25 years and older.

Describe the curriculum and training the program offers.

The AJ program has a comprehensive curriculum and offers several options including a university transfer program, associate in science degrees and two certificates. The curriculum is classroom-based with a strong emphasis on reading, writing and comprehension skills. We also emphasize critical thinking, problem solving and customer service - all essential law enforcement skills. It's different from the police academy which focuses on specific job training skills; the AJ programs covers the practical application of the law with specialty subject matter to open students' minds to the larger study of criminology, public policy and the criminal justice system. Because departments are increasingly looking for candidates with 4-year college degrees, many of our students choose the transfer path.

How does the POST (Peace Officer Standards and Training) Police Academy at CSM relate to the AJ Program?

The AJ program is not affiliated with the police academy on campus. The academy is a Regular Basic Course (RBC) presented by the South Bay Regional Public Safety Training Consortium in a standard format (8 am - 5 pm, Monday through Friday). In fall of 2015, the AJ program plans to present a POST Modular Format RBC that is delivered in a three-part instructional sequence. Successful completion of the three modular trainings is the same as the successful completion of the standard format offered at the police academy. We will present 'level III' and 'level II' training. Students will need to take 'level I' at another presenter facility. Instruction for the POST program will be offered evenings and on weekends.

The RBC (Standard or Modular Format) satisfies the requirement to become a police officer in California. Successful completion of the program directly relates to our graduates by giving them a distinct advantage when applying for jobs in law enforcement or a related field.

Cheating and Plagiarism

From the student perspective, Georgette Esquivel, explains how she benefited from VITA: "Not only did I learn how to properly file tax returns, but I had the privilege to meet and interact with people from different backgrounds and use my bilingual skills and strengthen my interpersonal skills. I had a wonderful experience with the VITA Program—it gave me an overall feeling of accomplishment!"

Former student Carmen Guerridos commented on the rewarding nature of participating in VITA, "It is very satisfying to be able to give back to the community. I studied at CSM and was happy to return and help out in the program."

Due to the accelerated nature of the program, it doesn't require a large time commitment. In less than four months, students learn basic tax information and software programs, work directly with clients, and participate in an internship experience that can enhance their resumes. Students in the program range from college freshman to retirees and everyone in between. The clients represent a very similar age range.

Maule says, "The program has developed its own of sense of community through volunteers, including students and professionals who share a tremendous sense of camaraderie and friendship. At the end of tax season, we host a celebratory event for all of our students, community volunteers and faculty."

Marcus and the VITA volunteers are looking forward to serving a record number of individuals in 2015. The VITA site will be open for tax preparation on Saturdays beginning February 7 through April 11, (except for February 14 and March 28), from 9 am – 1 pm. It is located at CSM, South Hall, Building 14, Room 104. For more information about VITA, visit collegeofsanmateo.edu/vita, email vita@smccd.edu, or call 650-378-7323.

In addition to joining the ranks of police and sheriff's departments, what other related careers have your students moved into once they've completed the education and training requirements?

Besides working as police officers, students find our program is a great foundation for launching careers in probation, parole, corrections, crisis counseling, community outreach, public administration, psychology, human services and law.

How does CSM's program benefit our community?

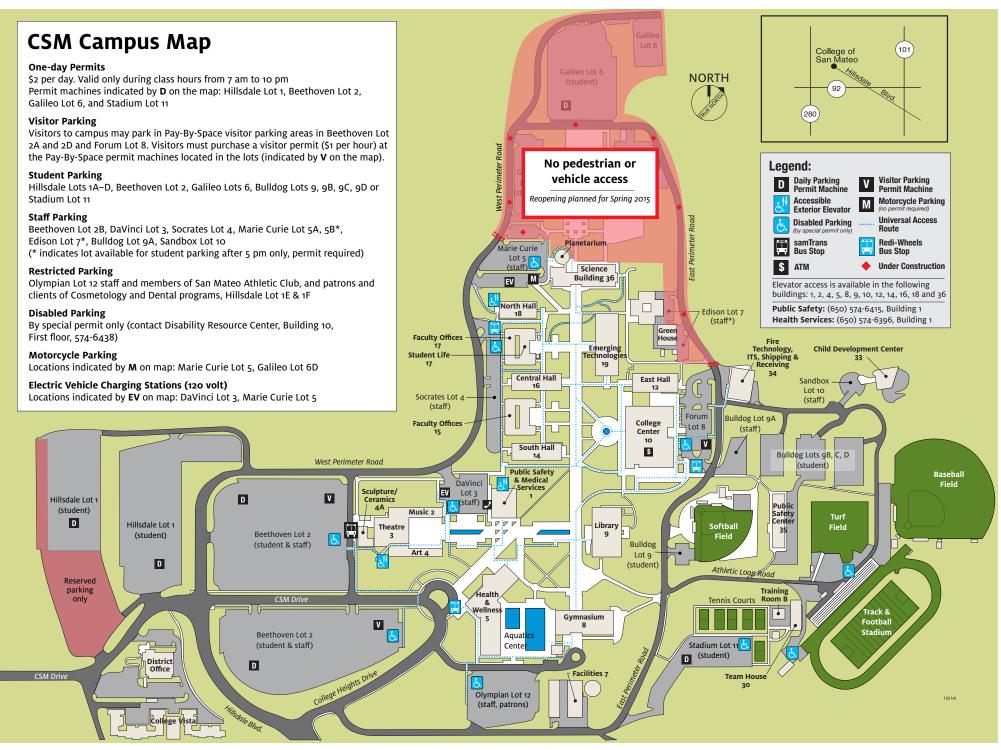

Our program is educating the future ranks of officers who will be protecting our communities and thereby enhancing the quality of life in our neighborhoods. And due to a recovering economy and a wave of baby boomer retirements, local departments will continue to hire our graduates. These are men and women from our own communities—and there is nothing better than hiring an officer who grew up in the County and knows the County. Also, our faculty stay informed about changing legislation and best practices in the application of law enforcement so our students are well-prepared for what lies ahead.

What would you like the community to know about CSM's Administration of Justice **Program?**

I want our community to know that opportunities in law enforcement and related fields will always be available. Also, it's important to know that our instructors form the cornerstone of the program. The AJ classes are taught by seasoned experts with years of experience in law enforcement careers that include attorneys, active and retired commanders and police chiefs, a judge and a criminalist. Our faculty brings an impressive level of experience and credentials to the program.

Based on the breadth of your experience, what advice would you offer new recruits?

Create balance in your life, make sound decisions, and always do the right thing for the right reason.

Parking Regulations

Parking Permit Requirements

All persons driving motor vehicles (except motorcycles) on to campus and utilizing the parking facilities during regular class hours (Monday-Friday, 7 am-10 pm), including final examinations, are required to obtain and display a parking permit on their vehicle. A parking permit is not required for students riding motorcycles and parking must be in designated Motorcycle Parking in Marie Curie Lot 5. Student parking permits are available for \$50 each for the fall and spring semesters (Fall/ Spring Permit \$90) and \$25 for the summer session. Parking permits for students with California Board of Governors (BOG) waivers are \$30 per semester (fall or spring) and \$25 for the summer session.

Lost or Stolen Parking Permits

If a permit is lost or stolen, replacements are available at full price.

Purchasing Parking Permits

Students may purchase parking permits only online using WebSMART. Permits may be ordered and paid for online and mailed to the student's residence. Students may also order a permit online from computers located on the third floor of Building 10 (Admissions and Records Office and Business Office) and then pay for the permit and pick it up in the Cashier's Office. Temporary Parking permits are available online after purchasing a permit. Please follow online instructions on how to obtain your temporary parking permit while awaiting delivery of permit in the mail.

Displaying Student Parking Permits

Permits must be displayed in the vehicle with the number visible from

sufficient money to purchase required time the permit machine located at each of the visitor lots will issue a receipt that need not be displayed in the vehicle.

Visitors may also park in a student lot after purchasing and displaying in the vehicle (face-up on dashboard) a \$2 daily permit. Parking permit machines are located in Hillsdale Lot 1B, Beethoven Lots 2A and 2E and Stadium Lot 11. For the location of the parking lots please see a campus map.

San Mateo Athletic Club Parking

Special parking permits issued by the San Mateo Athletic Club are required at all times for parking in Olympian Lot 12. All other permits are not valid. For more information, call 378-7373 or visit smccd.edu/ sanmateoathleticclub.

Electric Vehicle Charging Stations

Parking in the EV charging stations is limited solely to electric vehicles that are actively charging with a maximum time limit of 4 hours per vehicle. (No parking permit is needed as long as the above conditions are met) Any vehicle parked in an EV space and is not an electric vehicle, not charging, or is left past the 4-hour maximum limit will be subject to a citation

Traffic and Parking Regulations The speed limit on the campus is 15 mph.

Parking is permitted only on blacktop surfaces in specifically marked parking spaces. Parking on unpaved areas, in roadways, in crosshatched areas, in marked end zones, in areas posted as no parking zones or in any unauthorized area is prohibited. Vehicles backed into diagonal parkin spaces can create a hazard when exiting and will be subject to citation.

Academic Divisions

the exterior of the vehicle. They may be either affixed on the inside lower left of the windshield (above the steering wheel) or affixed to a plastic hanger suspended from the inside rear view mirror. Plastic permit hangers may be obtained from the Bookstore for \$1 plus tax. Permits may be used on multiple vehicles.

Vehicles with improperly displayed permits will be subject to citation. It is the permit holder's responsibility to properly display the permit in the vehicle and to notify CSM's Department of Public Safety promptly if the permit is lost or stolen.

Daily parking permits are available for purchase for \$2 each from permit dispensers in Hillsdale Lot 1B, Beethoven Lots 2A and 2E, Galileo Lot 6B, and Stadium Lot 11. Daily permits are valid in all lots where, and when, students are authorized to park. These permits must be displayed face-up on the dashboard.

Semester parking permits and daily parking permits are valid on all three campuses of the District (College of San Mateo, Skyline College and Cañada College).

A grace period allowing for the purchase of permits will be in effect during the first two weeks of the spring and fall semesters and the first week of the summer session in student lots only. Citations will be issued beginning on Thursday, February 5, 2015 for students parking without a valid permit. All staff parking lots are strictly enforced. The grace period pertains only to student permits with all other parking regulations enforced at all times in all parking lots and roadways.

Visitor Parking

Visitors may park in PayBySpace Visitor Lots Beethoven 2A, 2D and Forum Lot 8 (\$0.25 for each 15 minutes). After entering the space number in which the vehicle is parked into the machine and depositing Driving or parking within the inner campus is prohibited.

The campus is open daily from 7 am to 10 pm.

Stopped or standing vehicles on sidewalks, roadways or restricted areas will be subject to citation.

Skateboards and Bicycles

The riding of skateboards on campus is prohibited by SMCCCD regulations. Bicycles may be operated on campus. The California Vehicle Code prohibits the operation of bicycles on sidewalks.

Public Transit

SamTrans bus service has two direct routes to the campus (#250 and #260) and connecting bus routes from the Hillsdale Shopping Center and the Caltrain Station serving the CSM campus throughout the day. All buses have wheelchair lifts and also serve students attending evening classes. Routing information is available by calling 1-800-660-4BUS or via the Web at <u>samtrans.com</u> and <u>caltrain.com</u>. Printed schedules and maps are also available at the Center for Student Life and Leadership Development in Building 17, Room 112.
