Summer is here! And, while school may be out for some, there is still plenty going on at College of San Mateo (CSM). It's a great time to enjoy a hike, a garden stroll, a swim, some art classes, a planetarium show, maybe finish off some summer credits before returning to college full time in the fall. It's also the perfect time to get a new hairstyle, discover our great jazz station, or enjoy the overall beauty of the campus. Here are a few ways you can enjoy CSM this summer.

- | | |
|-------------------------------------|---------------------------------|
| 1. Shop the CSM Farmers' Market | 6. See the Stars |
| 2. Kids: Join the Bulldog Swim Club | 7. Take an Art Class |
| 3. Jazz it up at KCSM | 8. Take a Swim |
| 4. Teens: Join a Cybersecurity Camp | 9. Spruce Yourself Up |
| 5. Hike Around the Campus | 10. Kids: Join Pathways Academy |

1. Shop the CSM Farmers' Market

Summer is salad season! CSM plays host to a farmer's market that has earned a reputation as one of the best on the peninsula.

Every Saturday, rain or shine, the farmers' market is up and running, from 9:00 a.m. until 1:00 p.m. You can find the market in Beethoven Parking Lot 2. Shopping at farmers' markets helps the local economy and ensures you are getting the freshest produce possible. Happy shopping!

Celebrating 95 Years of Academic Excellence

Schedule of Classes ~ Summer 2018 ~ Session begins June 11

Berkeley Engineering Student Credits Success to CSM

"After I graduated from South San Francisco High School, I wanted to attend CSM so that I could sharpen my fundamentals and learn how to be a good student," says Divi Kumar, a CSM alumnus. "I didn't have the opportunity to attend a four-year university straight out of high school, so I decided that I would transfer instead."

Once he enrolled in courses at CSM, Divi quickly immersed himself into campus life. He got involved with on-campus organizations during his first semester, such as Phi Theta Kappa, the Student Ambassador Program and the Honors Project. "I enjoyed being involved with all of these organizations because they helped me grow as a student and provided more opportunities outside of academics." Divi took advantage of academic resources and facilities, such as the Learning Center, and later worked as a physics and calculus tutor, to add to his list of extracurricular activities.

Given Divi's flair for math and science, he had originally intended on majoring in aerospace engineering. However, after wrapping up an internship at UC Berkeley, Divi had a change of heart. He made the decision to switch from aerospace engineering to electrical engineering. "I learned a lot while interning for the electrical engineering and computer science department at UC Berkeley. The subject matter really captivated me and that's when I knew that I wanted to pursue an electrical engineering degree."

"Attending CSM showed me my true potential—here, I realized that I was capable of achieving my academic goals, developing a professional network and building long-lasting friendships."

Divi's experience with UC Berkeley's electrical engineering department inspired him to apply for admission into their program. He took advantage of his CSM professors' office hours and the on-campus transfer fairs, which helped him better understand the transfer process. Now in his junior year at UC Berkeley, Divi is majoring in engineering and hopes to become an engineer after graduating.

Divi's time at CSM shaped him in several ways that have proven to be invaluable. "Attending CSM showed me my true potential—here, I realized that I was capable of achieving my academic goals, developing a professional network and building long-lasting friendships. Whether you're looking to obtain an associate's degree, complete a specialized program, transfer to a four-year university, or anything in between, CSM can serve and assist you."

Divi Kumar, CSM alumnus and current UC Berkeley student, majoring in electrical engineering.

Did you KNOW?

- In 1965, Louis Armstrong performed in the CSM gymnasium for almost 3,000 spectators.
- In 1966, CSM won a national award for landscaping, which was presented by First Lady of the United States, Lady Bird Johnson.
- The Fine Arts Courtyard was used as a forum for Vietnam War debates by hundreds of students.
- In the late 1950s, Phil Lesh, founding member of Grateful Dead, attended CSM and played trumpet in the jazz band.
- Notable CSM alumni include comedian Dana Carvey, State Senator Jerry Hill, and Craig Venter, who helped sequence the human genome.
- When CSM opened in the 1920s, students were required to memorize the school hymn, *Hail, San Mateo*.

Message from the President

For many of us, summertime means nice weather, vacations, and a slower pace. But at College of San Mateo, we keep doing what we do the rest of the year. We help thousands of students pursue their dreams through education.

Summer is a great time to study at CSM. We offer hundreds of courses from transfer-level math and English to business skills like accounting and management. We offer swimming, painting, biology, economics, and everything in between. So if you have a student home from college, why not have them take a general education course that will count toward their four-year degree?

As our cover story shows, CSM offers much more than classes in the summer. We host terrific summer camps that will keep your child busy; swimming for those hot summer days; and the best jazz station in the world (KCSM Jazz 91.1) to keep your heart and your mind nourished.

Also in this summer schedule you will meet Divi Kumar, who took advantage of all CSM had to offer as a student here, and went on to transfer to UC Berkeley. Divi is in his junior year as an electrical engineering major, and he will be going places.

Students like Divi benefit from the teaching of dedicated CSM professors. We have faculty members here who are second to none. They are scientists, poets, economists, diplomats, dancers, trainers, firefighters and authors—all of them experts in their fields and passionate about guiding students on their educational journey. In this schedule, we introduce you to six of them.

Finally, and most important, I want you to help us spread the word about CSM’s expanded Promise Scholarship. Thanks to funding from the San Mateo County Community College District, we are making the first year of college FREE for first-time, full-time students. Students must be recent graduates of high school or adult school, apply for financial aid, attend full-time, and maintain a 2.0 GPA. As a bonus, these students will participate in our Year One program, which offers personalized guidance and help creating a Student Education Plan, which will ensure these students get the classes they need and are able to move on to their next goal. Please visit csmpromise.org, and help us make college more affordable than ever.

CSM was already the best deal in town. Now it’s even better.
Have a great summer.

About College of San Mateo

College of San Mateo is located at the northern corridor of Silicon Valley and situated on a beautiful 153-acre site in the San Mateo hills that provides a panoramic view of San Francisco Bay. Since 1922, CSM has been a gateway to higher education leading to university transfer, career preparation and advancement, and professional and personal development.

The College currently serves approximately 10,000 day, evening and weekend students per semester. CSM students reflect the diversity of the Bay Area and have a range of educational goals. To best serve our students, the curriculum offers a wealth of programs that include traditional, semester-length and short courses in addition to distance education.

Students can experience a vibrant campus life to complement classroom learning that includes leadership development, student government, student clubs, and educational and cultural activities. CSM is proud of its championship intercollegiate athletic teams which compete at the highest community college level. Many student-athletes receive scholarships and continue to four-year institutions and numerous CSM athletes have gone on to professional careers.

To ensure student success, CSM offers a comprehensive selection of academic support services. Resources include financial aid and scholarships, counseling, transfer services, tutoring, employment assistance, health services and child care, among many others.

For more information about the college, visit collegeofsanmateo.edu/exploreesm. Guided campus tours can be scheduled through collegeofsanmateo.edu/tours.

College of San Mateo is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, (10 Commercial Boulevard, Suite 204, Novato, CA 94949, 415-506-0234), an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.

College of San Mateo is committed to equal opportunity regardless of age, gender, marital status, disability, race, color, sexual orientation, religion, national origin or other similar factors, for admission to the College, enrollment in classes, student services, financial aid and employment in accordance with the provisions of Title VI of the 1964 Civil Rights Act, Title IX of the Educational Amendments of 1972 (45CRF 86), Section 504, Rehabilitation Act of 1973 (P.L. 93-112), and the Americans With Disabilities Act of 1990.

CSM Faculty Snapshots

PAUL HANKAMP

I teach general biology, botany, and environmental science, both in a traditional face-to-face classroom, as well as fully online. My passion is botany and plant science. I love to learn about the plants that grow in California across all of our diverse bioregions. I especially love to study the traditional and cultural uses of plants, which falls in the realm of ethnobotany.

My educational pathway was non-linear. My first degree is actually in creative arts, with an emphasis in queer theory and film and video production. When I decided I wanted to be a botanist, I went back to school as a post-baccalaureate biology student, and then went on to get my master's degree in biology. Along the way, I caught the teaching bug and fell in love with showing students the beauty and science of the plant world. Working in academia is incredibly rewarding because of the constant inquiry and discovery that I get to experience with my students every semester.

JON KITAMURA

I teach all of the courses in the English Composition sequence—English 828, 838, 100, 105, 110, and 165. I have taught in several learning communities on campus, including *Writing in the End Zone* and *Puente*, and I have worked with several students in CSM's Honors Project as well.

At CSM, English professors are lucky in that we request the courses we teach each semester, so I am able to revise and refine my courses from one semester to the next if I so desire; at other times, I opt to teach a course that I haven't taught in a while so as to keep my classes "fresh" for both myself and my students.

Working at CSM is very enriching. I truly enjoy working with students from so many different walks of life; I learn from them as much as they learn from me. My passion is in making education—the academy—more accessible to members of our community. I do not consider myself as a guardian of "the ivory tower" who must protect the academy; rather, I see myself as one who helps others break down the walls of the tower so they, too, can enjoy the view.

MINU MATHUR

I am privileged to teach sociology classes such as introduction to sociology, race and ethnic relations, social problems, marriage and the family, and research methods.

As much as I enjoy teaching all the above-mentioned, my favorite is certainly the introduction to sociology class. In this class, I expose students to the inter-sectionality of social class, race, and gender. Sociological tools are used to frame issues using multiple narratives. Despite a group-level analysis that takes place here, human agency is constantly acknowledged.

It is exhilarating to work with like-minded colleagues who are deeply committed to the development and well-being of our students. I believe there is a lot of synergy across social sciences at CSM in our collective message to today's diverse constituents. It is euphoric to connect class content to the goings on, both nationally and globally. And finally, a message to students at CSM—you rock, big time!

TATIANA IRWIN

I teach early American and California history.

My favorite class to teach is California history because we are surrounded by our subject. I enjoy challenging and nuancing the histories we all know about the missions and the Gold Rush. It is also a great class to connect students to the history that shaped the policies that continue to impact them today.

My emphasis is on borderlands history and women's history, primarily in California.

Outside of the classroom I continue to study history. Most of my vacations and outdoor activities revolve around exploring California history. Otherwise, my interests are cooking, yoga, and cats. I'm a cat lady.

VERA FAINSHSTEIN

I teach graphic design courses such as two-dimensional design, typography, advanced graphic design, internship, and portfolio.

I enjoy different areas of design and teaching all types of courses, from design fundamentals to the more advanced. My two favorite classes to teach are the capstone courses such as ART 200 Portfolio and DGME 250 Internship. Both classes help students to prepare for the next step in their career, which is either transferring to a 4-year program or getting an internship or an entry-level design position in the field. It's very rewarding to see students transfer to prestigious design schools, get jobs, and achieve their dreams of becoming professional designers and freelance artists.

I have background in fine arts, graphic design, as well as digital media art. I started my design career working in a large advertising agency in Los Angeles, creating promotional print materials and DVD menu screens for clients such as Columbia, Rhino Records, Warner Brothers, Paramount Studios, and others. When I moved to the Bay Area, my main focus was branding and corporate identity design. My current work is very interdisciplinary in nature. I continue doing freelance design work, but also create interactive large-scale video installations. My video installations have been featured in digital media festivals such as Zero1, and displayed in galleries on the East and West Coasts.

MOHSEN JANATPOUR

Presently, I teach math, physics, and astronomy, which are three of my favorite fields.

My favorite class is the class that I am teaching at that moment. It is the interaction with the students that energizes me, and every one of my classes provides me with that opportunity.

My expertise professionally is the special and general theory of relativity, and the study of cosmos. Privately, I study the nature of human perception and aesthetic judgment.

When not teaching, I spend my time painting and studying the role of perception in the appreciation of art, and science outreach to the community and local schools.

I consider myself a gardener that grows young minds: the academia provides me the garden.

Who May Attend CSM

Any person who is a high school graduate, or who has passed the California High School Proficiency Examination or the General Education Development Examination (GED), or who is 18 years of age or older is eligible to attend this public community college. See How to Apply and Enroll on page 5.

High school students may be admitted for concurrent enrollment with the permission of the dean of enrollment services. See College Connection Concurrent Enrollment Program on this page for details.

Open Enrollment

Every course offered at College of San Mateo (unless specifically exempted by legal statute) is open for enrollment and participation by any person who has been admitted to the College and who meets the prerequisites of the course provided that space is available.

Residency

Students who have been California residents (as defined in the Education Code) for more than one year prior to the beginning of any semester are eligible to enroll as residents for that semester. Nonresident students are those U.S. citizens who have not been residents of California (as defined in the Education Code) continuously for one year prior to the start of the semester. They are required to pay a tuition fee of \$233 per unit at the time of registration, in addition to other required fees paid by California residents. Nonresident students possessing “T” or “U” visas are exempted from paying the nonresident tuition rate. Students may be required to present documentary evidence of eligibility for classification as residents. See page 13 for Fees.

Students need not be U.S. citizens to be classified as residents. Permanent resident aliens and many other citizens of other countries are eligible to establish California residency.

Getting Started at CSM

Application Process for NEW and FORMER Students

All students who have not attended any of the last three semesters, including summer session, must submit an Application for Admission for the proceeding term. Submit an Application for Admission at collegeofsanmateo.edu/apply. After being admitted, and completing matriculation requirements, if applicable, new and former students may register and pay fees using WebSMART. See Summer 2018 Important Dates on page 2.

Priority Enrollment Program (PEP)

For graduating high school seniors and other new students

In the spring semester College of San Mateo offers a special enrollment program that provides priority access to matriculation services and enrollment for students who plan to enter the College in Fall 2018. More information about PEP can be found at collegeofsanmateo.edu/pep.

Continuing Students Registration Priority

Continuing students maintain their registration priority by having a current Student Educational Plan (SEP), completing the matriculation process, maintaining good academic standing, and having earned less than 100 degree-applicable units within the district.

Students who attended the Summer 2017, Fall 2017, or Spring 2018 semesters are considered continuing students. Students will be sent a WebSMART registration appointment email which includes their registration appointment date. Continuing students may register at collegeofsanmateo.edu/websmart on or after their appointment date. **All students who have an outstanding balance from any prior semester will not be able to register for classes until all fees are paid.**

College Connection Concurrent Enrollment Program

The high school College Connection Concurrent Enrollment Program is a special program designed to provide current 9th–12th graders the opportunity to get an “early start” on their college experience and earn college credit. Enrollment fees are free to California residents who enroll in less than 11 units.

Step 1: Apply for admission online at collegeofsanmateo.edu/apply.

Step 2: Meet with your high school counselor to review and select your college courses.

Step 3: If you plan to register for English or math courses or a course that has an English or math prerequisite, take English and Math assessment at CSM. More information can be found at collegeofsanmateo.edu/assessment.

Step 4: Submit your Course Request Form via WebSMART.

Step 5: Register for classes at collegeofsanmateo.edu/websmart.

Step 6: Sign in and use your assigned my.smccd.edu email.

For more information, visit collegeofsanmateo.edu/ce.

Transfer Students

Students who have completed lower division coursework at other colleges and universities and wish to apply that credit to the completion of a College of San Mateo certificate, associate degree, or to a California State University General Education (CSUGE) Certification, or to an Intersegmental General Education Transfer Curriculum (IGETC) Certification should have their transcripts officially evaluated after applying for admission at collegeofsanmateo.edu/apply and being registered in 6 units. For more information, review the Transcript Evaluation Service information at smccd.edu/transeval.

Dismissed Students

Students on dismissal status within the San Mateo County Community College District must go through a process to request reinstatement and permission to enroll in classes. The first step of this process at College of San Mateo is to attend a Reinstatement Workshop. To sign up for a workshop go to the Counseling Office in Building 10, Third Floor, Room 340 or schedule online (WebSMART - “schedule appointments”). After attending the workshop, the student must meet with a counselor to create or update a Student Educational Plan (SEP) in order to be considered for reinstatement.

Students who were dismissed and who have NOT been in attendance at College of San Mateo, Cañada, or Skyline College since Summer 2017 must complete an Application for Admission prior to attending the Reinstatement Workshop.

International Students

Residents of other countries may apply for admission as F-1 Visa students through the International Education Program (IEP). Special international student applications, related forms and additional information may be obtained from the IEP Office (Building 10, Third Floor, Room 310). For office hours and more information, call +1 (650) 574-6525 or go to collegeofsanmateo.edu/international.

To be eligible for priority admission for the semesters listed below, special applications should be filed in the IEP Office by these dates:

Fall 2018 (August–December) July 1, 2018

Spring 2019 (January-May) November 15, 2018

AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying non-resident tuition. Students who have attended a California high school for three years and received a California high school diploma or its equivalent, such as a GED or passing the high school proficiency exam, are exempt from paying nonresident tuition. If you are qualified, please complete the AB540 form and submit it by fax (650) 574-6506, by mail, or in person to the CSM Admissions and Records Office located in College Center Building 10, Third Floor, Room 360. You may obtain the AB540 form from the CSM website at collegeofsanmateo.edu/forms, or from the Admissions and Records Office.

International Education Program

College of San Mateo welcomes international students, who enrich the academic, cultural, and social life of the campus by bringing a diversity of ideas and multicultural perspectives to the classroom and by providing opportunities beyond the classroom for all CSM students to engage in conversations and activities that create a broader understanding of the global community in which we all live.

College of San Mateo’s International Education Program provides extensive support services for international students including an efficient admissions process, assistance with financial aid, a welcoming on-campus orientation, and ongoing counseling and advising throughout the students’ enrollment at the college. Dedicated, student-centered professors, small class size, and state-of-the-art facilities create a robust instructional environment in which students grow intellectually and prepare for transfer to a four-year institution or for further training in a career. For information, contact (650) 574-6525.

Distance Education

College of San Mateo is committed to meeting the evolving needs and expectations of its students and community through the expansion of alternative means of delivering instructional and student support services.

Distance Education courses consist of online and hybrid courses. Online courses are conducted through a class website, and there are no mandatory campus meetings. Hybrid courses are conducted mostly online but do have at least one meeting on campus. Most CSM Distance Education courses are applicable toward associate degree credit, and many satisfy transfer course requirements. Additionally, students enrolled in Distance Education courses have the same access to financial aid as those enrolled in on-campus courses.

Distance Education courses may not be right for all students. They give students greater freedom of scheduling, but they also require more self-discipline than on-campus courses. How well distance education courses fit into a student’s educational and career goals depends on many factors. It is important for first-time distance education students to review the information available on the distance education website at collegeofsanmateo.edu/distanceeducation. For those students who are able to create the right environment, have the right study habits, and understand the technical and academic requirements, CSM’s Distance Education courses can be as effective as on-campus courses in terms of student learning.

The Distance Education Resource Center is available to assist students and answer questions in order to ensure College of San Mateo students have a successful distance learning experience. For more information, please visit the Distance Education website at collegeofsanmateo.edu/distanceeducation or call (650) 574-6271.

Summer 2018 Registration Dates & Times

Continuing Students: May 2 – May 8
New & Former Students: May 9 – June 10

How to add classes after the semester has started

To add a class, attend the first class meeting to obtain the instructor’s approval.

If space is available, the instructor will give you a four-digit authorization code to enter when you register. You must complete the registration process through WebSMART no later than Friday, June 15.

For important information regarding deadlines for eligibility for credit or refund of fees please visit: collegeofsanmateo.edu/fees/credit.asp.

Online classes – You can find online instructor contact information by selecting the course title link within WebSCHEDULE (collegeofsanmateo.edu/webschedule).

How to Apply and Enroll

COMPLETE STEPS 1–6 IF YOUR EDUCATIONAL GOAL IS TO obtain an associate degree or certificate or transfer to a university; or if you are undecided and considering one of the aforementioned goals; or if you wish to use Counseling Services; or if you plan to apply for financial aid; or if you are a veteran and plan on collecting veteran’s educational benefits.

COMPLETE STEPS 1, 5, and 6 IF YOUR GOAL IS TO take courses for personal enrichment; upgrade or maintain job skills; participate in the College Connection Concurrent Enrollment Program; or if you are primarily a student at another college or university and taking courses at CSM to meet the requirements of your home institution; or if you do not intend to use counseling services. If you wish to use counseling services you must also complete Steps 2 and 3.

Step 1: Apply for Admission and Identify an Education Goal

All students are required to complete the Application for Admission. Fill out the application online at collegeofsanmateo.edu/apply. After the application has been received, you will be sent an email confirmation with additional information. You will also receive a student identification number (which begins with a “G”). Use this number to conduct all college business and access college services.

Step 2: Complete College Orientation

All students who want to use counseling services must first complete a college orientation. Students can complete an in-person or online orientation. Students can make an appoint-

ment for the in-person orientation or complete the online orientation through their WebSMART account.

Step 3: Complete English and Math Assessment
CSM Assessment Services conducts the college assessment program which includes English, Reading, ESL, and Mathematics assessment components. These assessments are intended to measure skills which research has shown to be closely related to academic success. These multiple measurements represent student strengths and capabilities.

- Option 1:** CSM English and Math Assessment Questionnaires
- Option 2:** English and Math Alternate Assessment Form
- Option 3:** Computerized testing for English, Mathematics and English as a Second Language (ESL)

Option 4: Paper/Pencil Testing for English

To schedule an assessment appointment, log into your student WebSMART account. The user ID is your G number and the password is your 6-digit birth date. Click on “Student Records and Student Appointments.”

- You must present a photo ID
- There is no fee for testing
- Assessment Services is located in College Center Building 10, Third Floor, Room 370

Option 5: Complete a Prerequisite Equivalency Form

If you have already successfully completed English and/or math courses at another college or university within the United States and are planning to enroll in an English or math

course or a course that has an English or math prerequisite, then your previous coursework must be approved. Visit collegeofsanmateo.edu/prerequisites for more information and to obtain the Prerequisite Equivalency form.

Step 4: Meet with a College Counselor and Get Your First Semester Educational Plan

Meet with a college counselor to review your educational interests and goals. The counselor will create with you a 1 or 2 semester abbreviated Student Educational Plan (SEP) to help you get started for your first semester. Please return within your first semester to complete a comprehensive student educational plan, which will let you know all courses that are needed to meet your goal. Your SEP can be accessed through your WebSMART account in DegreeWorks.

Step 5: Register for Classes and Pay Fees

- Register for classes
- Pay for all enrollment fees
- Print a schedule summary of this transaction
- You can also order textbooks online in WebSMART under registration

Step 6: Sign In and Use Your Assigned my.smccd.edu Email

All college electronic communications will be sent to your my.smccd.edu email address. You can expect to receive important email messages from your professors and the college before the first day of school. Log into your WebSMART student account to find your email address and password and check it regularly.

Financial Aid

Students applying for Financial Aid must complete enrollment steps as noted above. All students who have completed coursework at other colleges/universities must have their transcripts officially evaluated within the first semester of enrollment. To request an official evaluation have all of your transcripts sent to College of San Mateo Admissions and Records Office and request an evaluation on WebSMART. Sign on WebSMART, click on Student Services, find Request a Transcript Evaluation.

Complete a Free Application for Federal Student Aid (FAFSA) to automatically be considered for all of the following programs:

Board of Governor’s Fee Waiver (BOGFW)

The State of California offers a BOGFW for students who are residents of the State of California, attend a community college, and are eligible for need-based financial aid. The BOGFW pays enrollment fees only for the academic year when eligibility has been determined. Other fees, such as parking, health, student body and student representation, must be paid by the student (see Fees page 13).

Federal Pell Grant

You are automatically considered for a Federal Pell Grant when you file the FAFSA. If you receive an Expected Family Contribution (EFC) of \$5200 or less on the Student Aid Report (SAR), you are eligible for a Federal Pell award. Less than half-

time students have a much lower EFC cut-off to be eligible for a grant. Awards for students are prorated based on enrollment status: full-time 12 or more units; three-quarter time 9–11.5 units; half-time 6–8.5 units; less than half .5–5.5 units. Awards range from: \$596 – \$5,920.

Cal Grant A, B and C Deadline to Apply is March 2 or September 2

Cal Grants are for California residents only. They are awarded by the California Student Aid Commission for attendance in schools in California only. Maximum awards are: Cal Grant B \$1,670; Cal Grant C \$548.

Federal Supplemental Educational Opportunity Grant (FSEOG)

FSEOG is a grant awarded to students with exceptional need (EFC of 0 through 1,000). Awards range from: \$100–\$800. Priority application date: March 2. Visit www.icanaffordcollege.com

California Chafee Grant (CHAFEE)

The California Chafee Grant Program awards funds to eligible current or former foster youth for career and technical training or college courses. Eligible Chafee applicants are required to be, or to have been, in foster care between their 16th and 18th birthdays, and to not have reached the age of 22 by July 1 of the award year. Maximum annual award: \$5,000.

Extended Opportunity Programs and Services (EOPS)

EOPS is a state-funded program that provides book vouchers, grants, support services, and limited transportation services to high-need, educationally disadvantaged students who are California residents. Students must complete the FAFSA and/or a BOGFW application to apply. Students must be enrolled full-time at the time of application. Final eligibility for EOPS and CARE is determined and coordinated through the EOPS Office.

Student Employment Federal Work Study (FWS)

Students who apply for financial aid and complete the Student Information Sheet and the FAFSA by March 2 are given priority. Maximum Annual Award: up to \$10,047. Priority application date: March 2.

California DREAM Act

The DREAM Act was passed into law in 2011 and allows AB 540 students to apply for and receive several types of financial aid, including Board of Governors Fee Waiver, Cal Grants and Chafee Grants, EOPS, CARE or CalWorks and Scholarships.

Loans and Scholarships

Loans are funds that students borrow now and repay after they complete a program of study or stop going to school. Scholarships are awarded for a variety of criteria. Visit collegeofsanmateo.edu/financial or call the Financial Aid and Scholarship Office at 574-6146 for more information.

Financial Aid Steps

Step 1: Apply

For 2017–18 file a 17–18 FAFSA at www.fafsa.ed.gov. College of San Mateo’s college code is 001181. FILE EARLY for the upcoming year (anytime after January 1). Log in to WebSMART for dates and sign-up.

Step 2: Student Aid Report Received

After you apply, you’ll receive a Student Aid Report (SAR). Your SAR contains the information reported on your FAFSA and usually includes your Expected Family Contribution

(EFC). The EFC, a measure of your family’s financial strength, is used to determine your eligibility for federal student aid.

Step 3: Check SAR for Accuracy

Your SAR must be checked for accuracy. Please check WebSMART for any additional information required to complete your file before submitting your SAR to the office.

Step 4: Submit Documents

Submit all required documents to College of San Mateo’s Financial Aid Office. File is complete!

Step 5: Notification of Result

Check WebSMART to learn the status of your financial aid. College of San Mateo will notify eligible students in WebSMART by an award letter outlining the types and amount of financial aid they qualify for at CSM.

Step 6: Aid Funds are Paid!

You will receive a check in the mail or if you signed up for direct deposit funds will be electronically deposited into your bank account. Prepaid cards are also available.

6 EDUCATIONAL GOALS: ASSOCIATE DEGREES, CERTIFICATES, TRANSFER

Educational Goals at CSM

View the College Catalog and the College website, collegeofsanmateo.edu, for more information about goals and opportunities at College of San Mateo.

University Transfer Program

Complete your freshman and sophomore years of university work at College of San Mateo and transfer as a junior to a baccalaureate level college or university. College of San Mateo can help you plan an educational program to prepare you to transfer to the University of California, California State University or private college or university to earn a bachelor’s degree. Assistance from Counseling Services and Transfer Services can ensure a smooth transition to the transfer institution of your choice. With planning, it is possible to concurrently complete an associate degree as you complete coursework to facilitate university transfer. In many cases, students planning to transfer may want to pursue an Associate Degree for Transfer (AA-T/AS-T). See information below.

Associate Degrees for Transfer (AA-T/AS-T) Benefit Students Intending to Transfer to CSU

California community colleges offer associate degrees designed to support transfer to the California State University system. Students who complete an AA-T or AS-T secure priority admission to the California State University system. A list of associate degrees for transfer (AA-T/AS-T) is located within the “Degrees and Certificates Offered at CSM” section below and on the Transfer Services website. For more information about SB 1440 and advantages to completing an AA-T or AS-T go to www.sb1440.org or www.adegreewithaguarantee.com.

Associate in Arts and Associate in Science Degree Programs

At College of San Mateo you can select from 65 associate degree majors, or choose to complete multiple degrees to enhance career and job opportunities or for personal enrichment. Graduation from College of San Mateo with the associate in arts or science degree is based upon the completion of 60 units of lower-division college-level work, which includes major, basic competency, and general education requirements. For a complete list of associate degree majors and courses required to satisfy each major refer to collegeofsanmateo.edu/catalog.

Certificate Programs

You can earn a certificate in achievement or a certificate of specialization in over 67 areas. Certificate programs are designed to prepare you for employment. All certificate programs are carefully developed by advisory committees composed of college staff and selected representatives from the business and industrial communities. Typically certificates can be completed in one semester or over several semesters. Certificates are awarded upon successful completion of requirements listed in the CSM Catalog at collegeofsanmateo.edu/catalog.

Bachelor Degree to Associate Degree

Students who have already been awarded a Bachelor’s degree from a regionally accredited college or university in the United States and wish to pursue an associate’s degree at College of San Mateo may be exempt from College of San Mateo local Associate degree requirements if the lower division degree-applicable coursework completed for the Bachelor’s degree includes current Title 5 minimum associate degree requirements. (Title 5, 55063) This policy does not apply to Associate Degrees for Transfer (AA/AS-Ts). Students must still complete a minimum of 12 units in residence to establish residency at College of San Mateo and must complete at least 50% or 12 units, whichever is less, of coursework applied to the associate degree major in residence at College of San Mateo. The units applied to meet residency requirements may also be the units that are needed to meet the major requirements. For more information refer to the college catalog at collegeofsanmateo.edu/catalog or use Counseling Services.

Monitor Your Progress toward University

Transfer, AA-T/AS-Ts, Associate Degrees, and Certificates

Within your student WebSMART under the Student Services tab, find DegreeWorks. DegreeWorks is a tool to monitor progress toward your educational goals. DegreeWorks looks at the program requirements found in the College of San Mateo, Cañada College, and Skyline College catalogs and the coursework you have completed to produce an easy to read degree audit. Also in DegreeWorks you can work

with a counselor to develop a comprehensive student educational plan (SEP) that maps out, semester by semester, courses needed to meet your educational goals. Students with SEPs have a higher registration priority than students who do not have SEPs.

Multiple Educational Goals

At College of San Mateo you are free to pursue your educational interests for personal and career growth and development. This may mean that you want to complete certificates, associate degrees, and transfer. You are not limited to selecting one educational goal.*

**Students participating in the CSM Financial Aid program are required to declare one primary educational goal.*

Updating Job Skills

You may find classes and programs that appeal to you for updating your job skills or advancement in your career.

Program Planning and Enrollment Management

Students enrolling at College of San Mateo should plan a program of study that will meet their educational and career goals. All students who complete matriculation steps have access to counseling services and should consult with a counselor early in the educational process for academic planning assistance. Students often have multiple goals and plan to complete a college certificate, an associate degree, and/or transfer to a university to complete a baccalaureate degree.

If in the course of enrollment at College of San Mateo, students find it advisable to change their program of study or educational goal, they may do so. These changes should be discussed with a counselor and students should be aware that any changes may result in extending the time necessary to fulfill the certificate or degree or transfer requirements. Ultimately, students maintain full responsibility for planning their educational programs and for their enrollment management.

Students are responsible for maintaining current and accurate information in their WebSMART accounts, checking student email, updating educational goal information, managing registration and enrollment, retrieving grades and English and math assessment results, and monitoring academic standing.

Degree and Certificates Offered at CSM

The A.A./A.S. Degree Requirements worksheet can be obtained from the CSM Online Catalog at collegeofsanmateo.edu/catalog, the Counseling Center, or at collegeofsanmateo.edu/degrees/requirements.asp.

Associate Degree for Transfer (AA-T/AS-T)

These unique associate degrees allow students to prepare for transfer and complete an associated degree that guarantees admission with junior standing to the California State University system. Though not a guarantee to all California State University campuses and all majors, it does secure priority admission consideration.

“Obtaining an Associate Degree for Transfer at College of San Mateo gives students a significant advantage in the transfer process!”

Enrollment Management
- A Student Responsibility -

As a student at College of San Mateo, it is your responsibility to manage your enrollment. This includes updating your personal information record via WebSMART, checking your student email, registering for classes in a timely manner, adhering to all deadlines listed on the Important Dates page in the beginning of this schedule (in particular late registration, withdrawal from classes, payment of fees), and monitoring your academic standing.

Inclusive Access

New Digital Textbooks Program at CSM

The Inclusive Access - Digital Texbooks program is a new textbook model created in collaboration with top publishers and the bookstore that converts books into dynamic digital content that lowers the cost of course materials for all students in the course.

The digital content also includes interactive learning platforms, interactive abilities with CANVAS and other benefits:

- Automatically billed to your WebSMART account at the beginning of the semester for enrolled students
- Discounted access for digital content
- Discounted print book upgrade (if available) at the bookstore

To opt out and not participate in the program for courses that are part of the Inclusive Access program, please visit the College of San Mateo Bookstore website at collegeofsanmateo.edu/bookstore, click on Inclusive Access, and follow the instructions on that page.

SMCCCD Public Safety is here for YOU!

Our mission is to keep you safe and to provide you with services you may need.
Here are a few actions you can take to be prepared:

Fees

Fees are due and payable at the time of registration. **Students will not be able to register for classes if they have any outstanding balance.** On **Wednesday, May 30, 2018** students who have any outstanding fee balances for Summer 2018 will be dropped from all classes at midnight for non-payment of fees. If a student has paid all fees by the deadline, but then adds additional classes on or after **Thursday, May 31, 2018**, these additional fees must be paid by the next day at midnight or the student will be dropped from those additional classes added. For more important information, visit collegeofsanmateo.edu/fees.

Student enrollment fees are set by California’s legislature and governor and are subject to change at any time. It is possible that your fees may be adjusted at a future date. All student records are automatically held until all outstanding debts to the District colleges have been cleared. Unpaid bills may be sent to collections.

Students who are classified as California residents as defined in the California Education Code will be charged an enrollment fee, a health services fee and a student representation fee. An optional student body fee will also be assessed. In accordance with California law, the enrollment fees may be waived for California residents who demonstrate financial need and qualify for a Board of Governors Fee Waiver (BOGFW). Contact the College Financial Aid Office for additional information.

Students who are classified as nonresidents will be charged a tuition fee in addition to the enrollment fee, health services fee and student representation fee. International Students (F-1 Visa) are subject to a health insurance requirement and are charged tuition and capital outlay fees in addition to enrollment fees. Contact the International Education Program Office for details.

The student representation fee was established by student election to support student advocacy before local, state and federal offices and agencies.

In addition, students will be required to purchase textbooks and miscellaneous supplies, as well as tools and technical supplies for certain programs. In some courses students will also be required to pay a non-refundable instructional materials charge.

Fees are subject to change at any time by action of the State Legislature, Board of Governors of the California Community Colleges, or the District Board of Trustees.

- If you need assistance in paying your fees, you are encouraged to:
- Enroll in an inexpensive payment plan via WebSMART
 - Apply for financial aid (www.fafsa.gov) at least five business days prior to registering for your classes
 - Complete the Board of Governors Fee Waiver via WebSMART

If you still need financial assistance after exhausting all options listed above, please contact the Vice President of Student Services at csmpvps@smccd.edu.

AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying nonresident tuition. Students who have attended a California high school for three years and received a California high school diploma or its equivalent, such as a GED or passed the high school proficiency exam, are exempt from paying nonresident tuition. See page 4 for more information.

Credit and Refund Policy

Enrollment Fee, Nonresident Tuition Fee, Health Services Fee and Parking Fee

Students who officially withdraw from all courses, or reduce their program prior to the first class meeting or by the course deadline date will receive credit toward future fees for the full amount of all fees paid for those classes. To view deadline date, check course in WebSMART. A \$10 processing fee (plus an additional \$50 processing fee for nonresident tuition) will be retained by the College if a refund is issued to a student withdrawing from all classes. For all courses dropped after the deadline, these fees are not refundable unless an action of the College (e.g. class cancellation) prevents a student from attending class. Parking permit fees are not refundable.

Student Body Fee and Student Representation Fee

Students enrolling during the normal registration period in semester-long classes may request a waiver or a refund of the Student Body Fee and/or the Student Representation Fee through the last day to drop semester-long classes (see Important Dates on page 2). Students enrolling after the end of this deadline may request a waiver or a refund of these fees within one (1) week of completing registration. Students enrolled only in short courses have until the first class session to request a waiver or refund of these fees. Students requesting a waiver or a refund of the Student Body Fee and/or the Student Representation Fee must do so in-person at the Center for Student Life and Leadership Development in Building 12, Room 211.

Variable Unit Courses

No enrollment fee or nonresident tuition refund or credit will be available to students enrolled in variable unit courses who earn fewer units of credit than the number for which they originally registered. Students earning additional units will be charged accordingly.

Important:

1. Credit balances remain on student accounts for a maximum of five (5) years.
2. A student may either choose to maintain a credit balance on account or contact the Cashier’s Office (Building 10, Room 360, 574-6412) to arrange for a refund.
3. Refunds are NOT issued automatically and are subject to a \$10 processing fee if the student withdraws from all classes. Refunds of nonresident tuition are subject to an additional \$50 processing fee.
4. Fees paid by personal check require 30 days for bank clearance before refunds can be processed.
5. To be eligible for a credit or refund, a student must officially withdraw from a course within the stated deadline. To view deadline date, check course in WebSMART. A withdrawal initiated by an instructor may NOT result in a credit or refund.
6. Fees will be credited or refunded without a processing charge if an action of the College (e.g. class cancellation) prevents a student from attending.
7. Student records, including transcripts, are withheld until all debts to the District colleges have been cleared.

Ten Fun Things to Do at CSM
(continued from outer front cover)

2. Kids: Join the Bulldog Swim Club!

Bulldog Swim Club (BSC) is a year round USA swim team that is designed to expose kids to friendly competition and the camaraderie of team meets. The club is a competitive and recreational swim team for ages 5-18. Emphasis is placed on stroke technique and development for children and teens who wish to improve their swimming and racing skills. Practices are offered four to five days a week so that families can have a flexible practice schedule. Competing in USA swim meets is encouraged, but not required.

Try BSC out for free! Come meet our coaches, show us your swimming skills and find out which group would be best for you. For more information, please call the club at (650) 378-7383 or email us at smac.aquatics@smccd.edu.

3. Jazz it up at KCSM

KCSM Jazz91 (91.1 FM & kcsm.org) has been broadcasting from the CSM Library for over 30 years. Professional announcers, many of whom are musicians, educators, and historians, choose music from the largest jazz radio library in the nation putting together shows in real time. Hand-picked music and personal curation are the hallmarks of what makes KCSM so very special and wholly unique. Our mission is educating the next generation of jazz enthusiasts and generating an, “Oh, wow!” in the listener.

KCSM is a public station (NPR) and mainly supported by individual members. KCSM was also early to stream the jazz format over the internet, and now boasts a worldwide reach with members from Japan to the Netherlands. Student interns are also a growing focus (they can always use more!). Furthermore, KCSM is digitizing its vast library to make it available for everyone. Tours are available and can be scheduled by contacting alisa@kcsm.net.

4. Teens: Join a Cybersecurity Day Camp

CSM will be offering two cybersecurity summer camps for high school and middle school students who want to learn about computer and network security. There are two levels of camps: beginner (July 16-20, 9 am to 3 pm) and advanced (July 23-27, 9 am to 3 pm). The advanced level is for students who have completed the beginning level.

The camps provide hands-on training in cybersecurity and are part of CyberPatriot: The National Youth Cyber Education Program. The camps are taught by two IT professionals who have strong experience in network security and cybersecurity.

Registration begins in May, but be aware that there are limited openings. Visit accounts.smccd.edu/martens/cybercamp for more information

5. Hike Around the Campus

CSM has a beautiful campus, edged by hiking trails. There are stunning views of San Mateo, San Francisco, and beyond, lined by historic redwood trees and featuring several gardens and fountains. CSM is an official Bee Campus USA member, so there are many bee- and pollinator-friendly flowers and plants. Among the wildlife you may encounter are deer, raptors, a rich variety of song birds and crows, and perhaps a lizard, if you’re lucky.

6. See Stars (and more!) at the Planetarium

This summer, there are two planetarium shows on Friday, July 7. The first take place at 7:30 p.m. and the second at 8:30 p.m., both hosted by CSM’s own Professors of Math and Science Darryl Stanford and Mohsen Janatpour. The planetarium is located on the northeast side of the campus, overlooking the San Francisco Bay. Enjoy the show!

7. Take an Art Class

This summer, CSM is offering two art courses: Drawing I and Acrylic Painting I-IV. Students don’t need to have any prior experience in studio art in order to take either class. Drawing I is a gateway class for most of the other studio art classes at CSM and is part of both our AA-T and AA Studio Art majors.

8. Take a Swim at the San Mateo Athletic Club

With a membership to the San Mateo Athletic Club, you can enjoy the outdoor pools all summer long!

Members have two pristine lap pools to choose from. CSM’s Olympic Pool is 50 meters and is kept between 78-80 degrees with a 20-lane short course on weekdays and an 8-lane long course on weekends.

The Instructional Pool is 25 yards and is kept between 86-88 degrees, with six lanes, and is available every day for lap swimming, water walking, water aerobics, children’s swim lessons and CSM’s Pre-Swim Team program.

Bookstore

Books and supplies may be purchased at the College of San Mateo Bookstore (College Center, Building 10, Second Floor, 574-6367). To purchase and find information regarding course textbooks and business hours, go to collegeofsanmateo.edu/bookstore.

9. Spruce Yourself Up

For six weeks, June 11 – July 19, CSM’s Cosmetology Department offers haircuts for only \$10! They also provide facials (\$20), scalp treatment (scientific brushing & scalp massage with essential oils for \$20), conditioning treatments, hair color & bleaching (\$25 and up), bleach & toner highlights (\$30 and up), facial waxing (\$17.50 Full face), makeup (\$10), and many other treatments!

Clients can walk in, but appointments are preferable. Call Rafael Delgado at (650) 574-6361 to schedule an appointment.

10. Kids: Join Pathways Academy (formerly College for Kids)

Bay Area Pathways Academy™ (BAPA) is a comprehensive academic, enrichment, and fitness summer program for students entering grades six to nine. It offers an exciting array of grade-appropriate academic classes, engaging enrichment classes, and fun fitness and aquatics classes. BAPA features:

- Academic preparation in math, English language arts, social studies, and science
- Exciting enrichment through pencils and pastels, pet care, website coding, intro to voice, creative writing, acting improv, virtual reality, and more
- Fun fitness through soccer, kickboxing, X-fit, yoga, tennis, water polo, beginner swim, dance, and more
- Three two-week sessions
- Full or half day (AM or PM) options, plus extended care
- Location on the beautiful CSM campus

To join, visit smccd.edu/bapa.

Parking Regulations

Parking Permit Requirements

All persons driving motor vehicles (except motorcycles) on to campus and utilizing the parking facilities during regular class hours (Monday-Friday, 7 am–10 pm), including final examinations, are required to obtain and display a parking permit on their vehicle. A parking permit is not required for students riding motorcycles and parking must be in designated Motorcycle Parking in Marie Curie Lot 5. Student parking permits are available for \$54 each for the fall and spring semesters (Fall/Spring Permit \$98) and \$27 for the summer session. Parking permits for students with California Board of Governors (BOG) waivers are \$30 per semester (fall or spring) and \$25 for the summer session.

Lost or Stolen Parking Permits

If a permit is lost or stolen, replacements are available at full price.

Purchasing Parking Permits

Students may purchase parking permits only online using WebSMART. Permits may be ordered and paid for online and mailed to the student's residence. Students may also order a permit online from computers located on the third floor of Building 10 (Admissions and Records Office and Cashier's Office) and then pay for the permit and pick it up in the Cashier's counter. Temporary parking permits are available online after purchasing a permit. Please follow online instructions on how to obtain your temporary parking permit while awaiting delivery of permit in the mail.

Displaying Student Parking Permits

Permits must be displayed in the vehicle with the number visible from the exterior of the vehicle. They may be either affixed on the inside lower left of the windshield (above the steering wheel) or affixed to a plastic hanger suspended from the inside rear view mirror. Plastic permit hangers may be obtained from the Bookstore for \$1 plus tax. Permits may be used on multiple vehicles.

Vehicles with improperly displayed permits will be subject to citation. It is the permit holder's responsibility to properly display the permit in the vehicle and to notify CSM's Department of Public Safety promptly if the permit is lost or stolen.

Daily parking permits are available for purchase for \$3 each from permit dispensers in Hillsdale Lot 1B, Beethoven Lots 2A and 2E, Galileo Lot 6B, and Stadium Lot 11. Daily permits are valid in all lots where, and when, students are authorized to park. These permits must be displayed face-up on the dashboard.

Semester parking permits and daily parking permits are valid on all three campuses of the District (College of San Mateo, Skyline College and Cañada College).

A grace period allowing for the purchase of permits will be in effect during the first two weeks of the spring and fall semesters and the first week of the summer session in **student lots only. Citations will be issued beginning on Monday, June 18 2018 for students parking without a valid permit.** All staff parking lots are strictly enforced. The grace period pertains only to student permits with all other parking regulations enforced at all times in all parking lots and roadways.

Disabled Parking

Blue Handicapped parking spaces have been provided in Lots 2, 3, 4, 5, 6, 8, 11 and 12 (see Campus Map). A vehicle must have and display a valid California State Disabled Person Placard (issued by DMV) to park. Disability parking spaces are regulated under California Vehicle Code Section 22511.5 Disabled Parking Authorized Parking Zones. No

student, staff, daily, patron or visitor parking permit required when displaying a valid CA DP placard.

Visitor Parking

Visitors to campus may park free for the first 40 minutes in visitor parking areas in Marie Curie Lot 5, Forum Lot 8, and Olympian Lot 12. Visitors must purchase a daily permit (\$3 per day) for time beyond 40 minutes at the permit machines located in the lots. These permits must be displayed face-up on the dashboard. No student parking is allowed in visitor lots.

Visitors may also park in a student lot after purchasing and displaying a \$3 daily permit. Parking permit machines are located in Hillsdale Lot 1B, Beethoven Lots 2A and 2E and Stadium Lot 11. For the location of the parking lots please see a campus map. No visitor parking permit required when displaying a valid CA DP placard.

San Mateo Athletic Club Parking

Special parking permits issued by the San Mateo Athletic Club (SMAC) are required at all times for parking in designated areas in Beethoven lot 2 (SMAC Patron parking has a 3 hour limit). All other permits are not valid. For more information, call 378-7373 or visit smccd.edu/sanmateoathleticclub.

Electric Vehicle Charging Stations

Parking in the EV charging stations is limited solely to electric vehicles that are actively charging with a maximum time limit of 4 hours per vehicle. (No parking permit is needed as long as the above conditions are met.)

Any vehicle parked in an EV space and is not an electric vehicle, not charging, or is left past the 4-hour maximum limit will be subject to a citation. Fees are assessed for vehicles plugged-in over four (4) hours. Visit smccd.edu/sustainability/electricvehiclecharging.php.

Traffic and Parking Regulations

The speed limit on the campus is 15 mph.

Parking is permitted only on blacktop surfaces in specifically marked parking spaces. Parking on unpaved areas, in roadways, in crosshatched areas, in marked end zones, in areas posted as no parking zones or in any unauthorized area is prohibited. Vehicles backed into diagonal parking spaces can create a hazard when exiting and will be subject to citation.

No student parking is permitted in the designated “Employee of the Month” parking spaces. These spots are reserved for authorized staff only and unauthorized vehicles may be ticketed.

Driving or parking within the inner campus is prohibited.

The campus is open daily from 7 am to 10 pm.

Stopped or standing vehicles on sidewalks, roadways or restricted areas will be subject to citation.

Skateboards and Bicycles

The riding of skateboards on campus is prohibited by SMCCCD regulations. Bicycles may be operated on campus. The California Vehicle Code prohibits the operation of bicycles on sidewalks.

Public Transit

SamTrans operates three bus routes to the college: Route 250 (San Mateo downtown and Caltrain), Route 260 (San Carlos Caltrain, Redwood Shores & Belmont) and Route 294 (Half Moon Bay). All buses have wheelchair lifts and accommodate two to four bikes. Route 250 provides weekday service until 10:25 p.m. Routing information is available by calling 1-800-660-4BUS or visiting samtrans.com and caltrain.com. Printed schedules and maps are also available at the Center for Student Life and Leadership Development in Building 12, Room 211.
