

2018-19 Instructional Program Review

Program Name: Enology/Viticulture

Program Contact: Herbie Hancock

Academic Year: 2018-19

Based on work in equity, our assessment planning for the coming year includes:

- **Revise curriculum based on program assessments.** Revise AG 202 to include ethical and citizenship responsibilities in winemaking and grape growing (Fall 2018/Spring 2019). We will submit the revised course outline to the curriculum committee this fall so it is included in the 2019-20 catalog.
