Revised April 2015

Article I

NAME
The name of this body shall be the Academic Senate of College of San Mateo, hereinafter referred to as the Senate. The Senate shall elect Governing Council from its membership, hereinafter referred to as the Council.

SENATE MEMBERSHIP AND DUES
Consistent with Title 5 of the California Administrative Code, Section 53200, and in accordance with Section 53202.d, all full-time and part-time faculty in the College are members of the Senate with all rights and responsibilities thereunto. Administrators, classified staff, and students are not members of the Senate. Consistent with Title 5, Section 13532, the Senate may call upon its members for payment of professional dues; however, professional dues are not to be expended on items for which taxpayers’ dollars cannot be spent; dues may be used to support approved Senate projects and functions.

Article II

PURPOSE
The Academic Senate has been established in accordance with Education Code Section 70902(b)(7), which call on the Board of Governors to enact regulations to ensure the right of faculty, as well as staff and students, to participate effectively in district and college governance. It further ensures the right of Academic Senates to assume the primary responsibility for “making recommendations in the areas of curriculum and academic standards.”

The Council, as the representative of the Academic Senate, shall make recommendations regarding academic and professional matters to Cabinet, District Academic Senate, the College and District administration, the Board of Trustees, and to other appropriate individuals and bodies. The Board of Trustees shall ensure the right of the Senate to assume primary responsibility with respect to academic and professional matters, including exercise of the authority to appoint faculty to committees or groups dealing with academic and professional matters as specified in Title 5, Section 53203(f), and to participate in all other aspects of shared governance. The Council shall inform the Senate and the District Academic Senate of current issues and hold meetings for discussion and shall uphold all designated responsibilities pertaining to Senate rules and regulations as determined by State laws.

Academic and professional matters, as summarized from Title 5, Section 53200, include the following policy development matters:

1. Curriculum, including establishing prerequisites.
2. Degree and certificate requirements.
3. Grading policies.
4. Educational program development.
5. Standards or policies regarding student preparation and success.
6. College governance structures, as related to faculty roles.
7. Faculty roles and involvements in accreditation processes.
8. Policies for faculty professional development activities.
9. Processes for program review.
11. Other academic and professional matters as mutually agreed upon.
The Senate has the **primary responsibility** for making recommendations in academic and professional matters, while Government Code Section 3540 (et seq. Rodda Act) establishes the right of exclusive bargaining agents to negotiate hours, wages, and working conditions. Title 5, Section 53204 states, “Nothing in this subchapter shall be construed to impinge upon the dues process rights of faculty, nor to detract from any negotiated agreements between collective bargaining representatives and district governing boards. It is the intent of the Board of Governors to respect agreements between academic senates and collective bargaining representatives as to how they will consult, collaborate, share or delegate among themselves the responsibilities that are or may be delegated to academic senates pursuant to these regulations.” The Senate recognizes the interests of both groups on issues with both academic and working conditions implications.
