Omni Update – Catalog Production

Beginning this semester, Community Relations and Marketing will be using the Omni program to edit the catalog. This will enable Student Services and Instructional staff to directly update content in the publication.

Jennifer also reported that the Instruction Office will be utilizing the Ad-Astra program to schedule all classrooms in CSM. Launch date is to be determined.

Update on Promise Scholarship

The Promise Scholarship (PS) makes college more affordable to adults who recently received their GEDs and to students who recently graduated high school in San Mateo County. Candidates need to be full-time students at CSM with earning a certificate or degree as their goal.

The PS committee members are: Alicia Frangos, Estela Garcia, Krystal Romero, Carol Ullrich, Jennifer Taylor-Mendoza, and Allie Fasth.

PS is different from the Year One program which is designed for graduating high school seniors.

New Student Representative to SSC

Aaron Schaefer introduced Kristiana Wolf-Blakc as the new student representative replacing Gabriela Topete Eng Goon. Kristiana is a senator and the chairperson of the Advocacy Board.

Construction Updates

Reported by Jan Roecks

Building 17

The renovation of Building 17 will begin at the end of May 2017. The building will be updated an 'open and flowing' design which will house the Learning Communities Center and the Office of Student Life and Leadership Development (OSL) by summer of 2018.

During the renovation, OSL staff will relocate to Building 12 while faculty will move permanently to Building 10.

Theater

Will close in fall 2018 to upgrade amenities and add classrooms.

All Gender Restrooms

Beginning February, all single-user restrooms in CSM including staff and faculty restrooms will be converted to all-gender restrooms. Vice Chancellor Nunez and President Claire will be sending out an email memorandum.
