NOTE: Program Review authors are strongly urged to share a draft of the program review with their Dean at least one week prior to submission. The Dean’s perspective and input on the program review content is vital to it being as strong, accurate and persuasive as possible.

1. Description of Program
Provide a brief description of the program and how it supports the college's College Mission and Diversity Statements, CSM Strategic Goals, 2013/14-2015/16, 5 in 5 College Strategies, Spring 2011, and other Institutional Program Planning as appropriate. What is the program's vision for sustaining and improving student learning and success over the next three years?

2. Student Learning and Program Data
A. Discuss Student Learning Outcomes Assessment
   1. Reflect on recent SLO assessment results for the program. Identify trends and discuss areas in need of improvement. Specify how SLO assessment informs center development and changes to the center.

B. Program Support Indicators
   1. Review student program data and discuss any differences in student success indicators across demographic variables. Refer to Planning, Research and Institutional Effectiveness (PRIE) reports, SARS records, and other data sources as appropriate.
   2. Discuss any differences in student usage of program across modes of delivery (on-campus versus distance education). Refer to Delivery Mode Course Comparison.

C. Center Efficiency Indicators.
   1. Do we deliver programs efficiently given our resources?
   2. Summarize trends in program efficiency. Discuss no-shows, group vs. individual delivery, etc.

3. Additional Factors
Discuss additional factors as applicable that impact the program, including changes in student populations, state-wide initiatives, transfer requirements, advisory committee recommendations, legal mandates, workforce development and employment opportunities, community needs. See Institutional Research as needed.

4. Planning
A. Results of Program Plans and Actions
1. Describe results, including measurable outcomes, from plans and actions in recent program reviews.

B. Future Program Plans and Actions

1. Prioritize the plans to be carried out next year to sustain and improve student success. Briefly describe each plan and how it supports the Strategic Goals, 2013/14-2015/16. For each plan, list actions and measurable outcomes. (Plans may extend beyond a single year.) Describe the professional activities and institutional collaborations that would be most effective in carrying out the program's vision to improve student learning and success.

5. Program Maintenance

A. Course Outline Updates (as applicable)

Review the course outline update record. List the courses that will be updated in the next academic year. For each course that will be updated, provide a faculty contact and the planned submission month. See the Committee on Instruction website for course submission instructions. Contact your division's COI representatives if you have questions about submission deadlines. Career and Technical Education courses must be updated every two years.
