Demographics

The Demographic Research Unit (DRU) of the California Department of Finance is designated as the single official source of demographic data for state planning and budgeting. [Download a Unit overview brochure.](#)

Opportunity Zones

- Opportunity Zones in California

2020 Census

- Local Update of Census Addresses (LUCA)
- 2020 Census Information Collection California Department of Finance response to the Federal Register (Vol. 83, No. 111) request for comments on the 2020 Census Proposed Information Collection.

Data

- [Estimates](#) - Official population estimates of the state, counties and cities produced by the Demographic Research Unit for state planning and budgeting.
- [Projections](#) - Forecasts of population, births and public school enrollment at the state and county level produced by the Demographic Research Unit.
- [State Census Data Center](#) - Demographic, social, economic, migration, and housing data from the decennial censuses, the American Community Survey, the Current Population Survey, and other special and periodic surveys.
- [Data In Action](#) - Interactive visualizations, charts, and maps that illustrate the data that the DRU tabulates and produces. **New!**
