## Planning, Research, Innovation and Effectiveness (PRIE)

### Overview

PRIE (Planning, Research, Innovation and Effectiveness) provides leadership in planning and research that promotes evidence-based decision making for the College. Our research helps the College understand our student needs in order to create responsive programs and services.

CSM's research agenda is driven by our mission, vision, and values that promote student equity, success, and achievement. Our Education Master Plan and Five Strategic Priorities guide our inquiry and implementation efforts.

PRIE provides the following services:

- [Planning](#)
- [Research](#)
- [Innovation](#)
- [Effectiveness](#)
