College Connection (Grades 9-12)

High school students can take advantage of an exciting enrollment opportunity at CSM called [College Connection Concurrent Enrollment Program](#). This enrichment program enables students who are still in high school to get an "early start" on their college experience, and benefit from advanced scholastic or vocational work. It's free - for up to 11 units per semester!

New student registration is currently open for students who have completed the [Steps to Enrollment](#).

Priority Enrollment Program (PEP) For High School Graduates

CSM has designed a unique program for high school seniors to provide an easy transition from high school to college. The [Priority Enrollment Program \(PEP\)](#) guarantees priority enrollment and early registration in classes for Summer and Fall semester classes.

We look forward to assisting you further!
