Program Review

Overview

Program Review is a systematic and evidence-based process of self-study, evaluation, planning, and improvement of instructional, student services, learning support centers, and administrative programs.

Program Review requires an institution to assess its own performance. Through careful review, programs will be able to identify strengths, weaknesses, and areas of growth, to assure the quality and achievement of the:

- [College Mission & Diversity Statements](#)
- [CSM Strategic Goals](#)
- [District Strategic Plan](#)
- [Educational Master Plan](#)

Program Review Roles and Responsibilities:

| Program Review Role | Responsibility |
|---|--|
| Program review process | Driven by Academic Senate, Cabinet, IPC, EEC, and DE |
| Online program review submission form | Marketing |
| Program review data needs and content | Academic Senate/Student Services Council and PRIE collaboration |
| Program review data generation & distribution | PRIE |
| Program review guidance | Academic Senate, SLO Coordinator, SLOAC, EEC, Student Services Council |
| Resource request submission deadline | VPI |
| Consolidation of resource requests | PRIE |
| Development of themes and trends | IPC |
| Program review feedback | IPC/Senate |
| Resource allocations | President, VPI, IAC |
| Feedback on resource requests | President (December to campus) |

Resources

Program Review data and submissions are available for: [Instructional Programs](#), the [College and Instructional Divisions](#), [Student Services](#), [Administrative Services](#), [Learning Support Centers](#).

- Each instructional, Learning Support Center, and student services program has its own page. As applicable, current program data sets are available along with previous program data, submissions, and distance education comparison data
- Instructional program data for the college as a whole and for instructional divisions are posted together
- For information on Educational Equity, visit the [Equity](#) website.

Supporting Data

CSM's Office of Planning, Research, and Institutional Effectiveness (PRIE) provides quantitative data for instructional programs and Learning Support Centers. For definitions of key terms used in data sets, see [Glossary of Terms](#).
