Accreditation Oversight Committee

Overview

The role of the Accreditation Oversight Committee is twofold:

1. To coordinate College of San Mateo's ongoing activities related to its accreditation, and
2. To provide open communication between the Accreditation Oversight Committee and the college community.

Because this website is dynamic and regularly updated, the committee members invite you to visit the site frequently.

The headings at the left direct you to sections of this site that reflect the work of the Accreditation Oversight Committee. Especially useful and informative are the meeting summaries, the reports submitted to ACCJC, and communications from the ACCJC. The Contact Us section gives you an opportunity to ask questions and to offer suggestions and comments. We want to hear from you, and we will respond to your emails.
