San Mateo County Community College District

Cañada College

College of San Mateo

Skyline College

Application of External Exams (AP, IB, CLEP) To General Education Areas in IGETC, CSU GE, Associate Degree GE 2016-2017

IMPORTANT NOTE TO STUDENTS –

If you plan to complete an associate degree and/or CSUGE or IGETC certification within the San Mateo County Community College District (Cañada College, College of San Mateo, Skyline College) you must submit official AP, IB, or CLEP exam results to the Admissions and Records Office. Be aware that college courses (taken before or after external exams) may duplicate content. Where content duplication exists, students do not get credit for both the external exam and the college course.

Cañada College, College of San Mateo and Skyline College apply external exam credit to associate degree general education requirements in the same manner as CSU applies external exam credit to CSU general education requirements. External exam results are applied to <u>GENERAL EDUCATION AREA REQUIREMENTS</u> ONLY. External exam evaluation results appear on student Web SMART Degree Works audit. The responsibility for researching if or how an external exam may be applied toward specific subjects or major requirements rests with the student.

Students are encouraged to use the following resources for additional information, limitations, and restrictions applied to external exams: The California State University Office of the Chancellor Coded Memorandum AA-2015-19 dated November 10, 2015; CSU Executive Order 1036, Section 1.2.4; Standards, Policies & Procedures for Intersegmental General Education Transfer Curriculum Version 1.6, Section 7.0 Credit By Exam dated June 5, 2015.

Advanced Placement Exams (AP)

- Column 1 IGETC: With a score of 3, 4, or 5, AP credit may be applied to Intersegmental General Education Transfer Curriculum (IGETC) certification.
- **Column 2 CSU GE**: With a score of 3, 4, or 5, AP credit may be applied to <u>California State University General Education (CSU GE)</u> certification.
- Column 3 AA/AS GE: With a score of 3, 4, or 5, AP credit may be applied to <u>Associate Degree general education</u> area requirements at Cañada College, College of San Mateo, and Skyline College.

Additional Information on External Exams:

- 1- Issues around credit for external exams are complex. Where there is common use for general education areas as noted above, the use of external exams to meet major requirements, and more, is complex and specific to the receiving transfer institution. It is up to the student to thoroughly research this information.
- **2-** The chart does not provide information about transfer credit generated by external exams for the purpose of admissions.
- 3- Students who have earned credit through AP, IB, and/or CLEP should not take a comparable college course because credit will not be granted for both the external examination and the comparable college course.
- 4- The chart does not provide information about if or how external exam results apply to major course requirements. Applying AP, IB, or CLEP credit to meet major requirements is determined by each transfer institution.
- 5- At Cañada College, College of San Mateo, and Skyline College, each instructional division determines IF OR HOW AP, IB, and/or CLEP credit is applied to associate degree major or certificate requirements. Talk to a counselor for assistance.
- 6- Students earning an AP score of 3, 4, or 5 in the physical and biological science examinations meet IGETC Area 5 and the IGETC laboratory activity, Area 5C, requirements. AP exams in Biology, Chemistry, and Physics B allow California community colleges to apply 4 semester units to IGETC area certification to cover both the science lecture and science lab unit requirements for IGETC Area 5. However, for Environmental Science, Physics C: Mechanics, and Physics C: Electricity/magnetism, only 3 semester or 4 quarter units are applied to IGETC area 5A and 5C certification which means that students who complete these AP exams are required to complete a 4 semester or 5 quarter unit course to satisfy the minimum required units for IGETC Area 5.
- 7- Actual AP transfer cred awarded for AP exams for admission is determined by the CSU and UC. The UC Policy for AP credit can be found at: http://admission.universityofcalifornia.edu/counselors/files/ap-satisfy-admission-and-igetc-req.pdf.
- 8- The CSU has a system-wide policy for AP and other exams for awarding transfer credit for admission. The CSU policy for AP can be found at http://www.calstate.edu/app/general-ed-transfer.shtml
- 9- Actual IB transfer credit awarded for IB exams for admission is determined by the CSU and UC. The UC Policy for IB credit can be found at: http://admission.universityofcalifornia.edu/counselors/exam-credit/ib-credits/index.html.
- 10- The CSU has a system-wide policy for IB exams for awarding transfer credit for admission. The CSU policy for IB can be found at: http://calstate.edu/app/general-ed-transfer.shtml
- 11- External exam policies for UC and CSU are subject to periodic modifications. The information on this chart comes from the resources under **Important Notes for Students** above.

Revised April 2016
