July 4, 2019

Sexual Misconduct & Title IX

Center for Academic Excellence (CAE)

Overview

The Center for Academic Excellence (CAE) is an Academic Senate professional development initiative that strives to enhance pedagogy and student support through innovation and collaboration, so as to increase student success, both inside and outside the classroom. CAE professional development activities, workshops and forums are open to all CSM faculty, staff, and administrators.

Funding is available and any questions and concerns should be directed to the Professional Development Coordinator, Ellen Young (younge@smccd.edu) or Academic Senate President, Jeremy Wallace (wallacej@smccd.edu). Flex credit is available for presenters and attendees following established guidelines available on the [District Academic Senate](#) website.

The CAE also houses the [Distance Education Office](#) and is used for Academic Senate meetings and may be used for committee and department meetings. To reserve the center, please contact Annie Theodos (theodosa@smccd.edu).

Upcoming Events

There are no upcoming CAE events.
