CIS Computer Lab

- Open to all registered students
- CIS, ENGR, DRAF, and BUSW students have priority to use the labs.
- If 19-124 (Open Lab) is full, try the back lab in 19-126.
- Sometimes there might be a class scheduled during lab hours.
- If class is in session and there are no computers available in the back lab, you must ask the instructor or instructional aide if you can use the lab during class time.
- All students are required to log in and log out at the stations by the entrances.

The CIS Lab has positions for lab aides each semester.
