Learning Support Centers & Labs

Business Computer Lab

Business & Accounting classes have priority to use the labs. If 14-103 (Open Lab) is full, see the instructional aide on duty.

Sometimes there might be a class scheduled during lab times. Please note signs on door: Green for lab, Red for class in Session, Yellow for class and lab together.

If class is in session you must ask the instructor or instructional aide if you can use the lab during class time.

Also check for availability in Building 9 (Library), 10-220, 19-124.

There are no evening hours after 4:30pm - please go to the Learning Center in 10-220.
