## Institutional Committees

### Overview

#### Organization of Committees:

Information about Committees at College of San Mateo is largely organized into five groups:

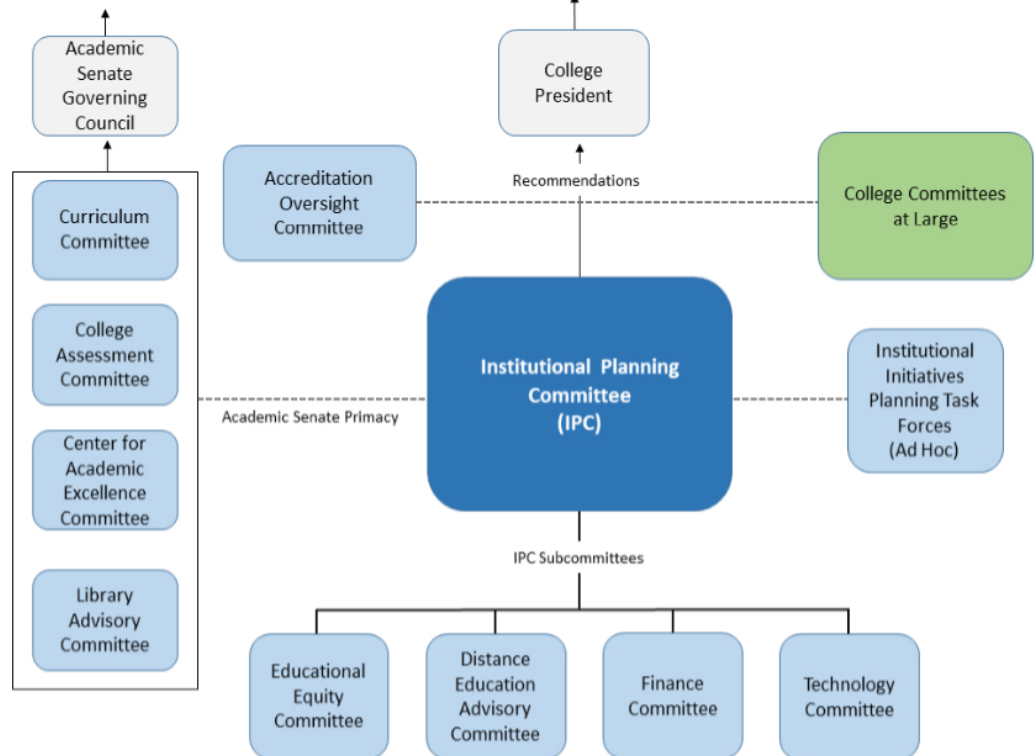

- **Academic Senate Committees** report directly to the faculty Governing Council of the Academic Senate
- **Administrative Groups** include operational management groups.
- **College Committees at Large** include a number of standing committees which address a variety of operational issues.
- **Institutional Planning Committees** include the Institutional Planning Committee (IPC) and the committees which directly report to it.
- **Committee Archive** includes committees and groups which have been suspended or disbanded over the past 5 years or ad hoc groups which have a time-limited mission.

**Institutional Planning Committee (IPC)** is currently CSM's primary planning entity. Beginning in Fall 2014, it will assume primary oversight of participatory governance.
