Date	SI Leader	WEZ Student	WEZ Class	What did you work on? How long?	Notes
1/17/2018	John Keller	Billy Tuitavake	WEZ 110 (James)	Revision; 40 minutes from 3:15 to 3:55	Billy is having a hard time thinking of what to write. He read the book but can't seem to group his ideas in a way that makes sense to him. I told him to talk to Teeka and to use the organizer from class. I think he needs to get started earlier, but we spent a long time going over his outline.
9/10/2018	George Qobti	Rajae Johnson	WEZ 110 (Stafford)	Essay Structure/Revision; 45 Minutes	Rajae was having a hard time coming up with a thesis to set up his poetry essay. I advised him to explain what poetry means to him in his own words, in the introduction, keeping his thesis broad in order to be able to connect his points. He has good ideas on how to connect the different poems with his overall theme (gender discrimination), but just needs to do the dirty work. I also laid out a structure for him to embed his quotes followed by commentary.
9/11/2018	George Qobti	Trey Smith	WEZ 110 (Stafford)	Rough Draft/Final ; 30 minutes	Trey needs to improve on condensing his writing. We also discussed bringing his thesis together, bringing his point to a close by stating why being separated as a country does so much harm and why coming together will resolve many of our problems.
9/12/2018	George Qobti	Mack Mathews	WEZ 110 (Stafford)	Conclusion/Thesis; 30 minutes	Although Mack came to me sort of last minute, we were able to touch up his conclusion by reflecting on his focus on gender, and race discrimination. We also came up with a snazzy title!
9/14/2018	George Qobti	Rashaan F.	WEZ 110 (Stafford)	Brainstorming/Essay plan/Thesis planning; 1hour	Rashaan...There isn't much to say besides he needs to seek help earlier. Rashaan has great ideas with the potential to write some promising papers but just needs to apply himself earlier, which will only screw himself over by turning in a potentially great paper a week late.
