

## ISC Student Focus Group Survey Fall 2016

Thank you for your time and contribution to making the ISC better at serving student needs!

1. What general times do you use the ISC: before class, between classes, after classes while waiting to go home?

2. What class do you study most in the ISC? \_\_\_\_\_

3. How much of your ISC time is spent: working alone, working with other students, working one-on-one with faculty, working with a group of students and faculty?

4. What resources in the ISC do you use: computers, printer, books, other?

5. What changes in the ISC would improve your learning?

6. Any other comments you have are welcome. Thank you!
