Transcript Evaluation Complete

Dear Student,

Your transcript evaluation for Georgia State University is complete. Please see DegreeWorks under your WebSMART account to view your official transcript evaluation results. The option of a course substitution (for courses - BIOL 1110, BIOL 1120, and SPCH 1000) may be available and this option (in addition to your eligibility) can be further discussed with your counselor or nursing department representative. If you would like to consider various educational goals, you may do so by clicking the "What if" option in DegreeWorks.

After clicking "What if", choose your options and then click the Process What-if button:

Meet with a counselor from your home campus as soon as possible to review your transcript evaluation.

Your counselor will help you develop a Student Educational Plan (SEP) to identify courses and requirements you need to complete in order to achieve your educational goals, whether you are planning to earn a certificate or Associate Degree, transfer to a 4-year institution, or any combination of these.

If you have questions regarding this evaluation, please feel free to contact me (please use your G number).

I wish you the best in all your academic pursuits,

Program Services Coordinator
