# College of San Mateo Project Summary

College of San Mateo is the oldest of the three colleges in the San Mateo County Community College District and is located at 1700 West Hillsdale Boulevard, San Mateo, CA 94402. The campus opened in 1963 at a cost of \$19.5 million. Approximately 10,000 students are currently attending College of San Mateo.

In 2001 the San Mateo County Community College District commissioned a facilities master planning process, to assess the current condition of the physical environment, identify the repair/renovation and new construction projects required to support the current and future instructional needs of College of San Mateo. The outcome of that planning process is the 2001 Educational Facilities Master Plan. The first phase of the capital improvement program (CIP1) directly addressed the most urgent needs identified in the 2001 Educational Facilities Master Plan, in support of College of San Mateo's mission.

In 2006 the District reviewed and updated the master plan. The outcome of that eight-month planning process is the 2006 Facilities Master Plan. The second phase of the capital improvement program (CIP2) will be comprised of projects identified in this updated master plan.

In 2011, the District reviewed and improved the master plan. The 2011 Facilities Master Plan enhances the original master plan.

In 2015, the District again reviewed and updated the master plan. The 2015 Facilities Master Plan amendment is intended to complete the vision started in 2001

For current information on how the Capital Improvement Construction Projects will impact the campus, click on the links below:

Project summaries are currently available for the following CSM Capital Improvement Construction Projects. Click on each project for more details:

### Current Projects

Bldg 17 Learning Communities Modernization

### Completed Projects

- Trees - Fire Mitigation and Safety Phase 3
- CSM and Skyline Roof Replacement Project
- North Gateway Project
- CSM Colonnades and District Office Deck Waterproofing Project
- Theater House Lighting Retrofit
- CSM B12 Reroofing Project
- District Wide NoX Boiler Burner Replacment Project
- North Gateway Project Part I
- Building 5N (Completed)
- Buildings 12/15/17/34 Modernization
- CSM Building 9 - 2009 Renovation Project
- Building 35 - Walter H. Moore Regional Public Safety Center
- Campus wide Utility Infrastructure Upgrades-
- Building 33 - Child Development Center Site Improvement
- Buildings 7/8/19 Roofing Replacement
- Building 33 - Child Development Center

Building 33 - Child Development Center  
Modernization  
Building 9 - KCSM Tenant Improvements  
Coastside at Shoreline Station, Half Moon Bay  
Campus wide Fire Alarm Upgrade  
CSM 9 KCSM Wheelchair Lift Project  
Building 14 - Modernization  
CSM CIP2 Design Build Project

- Building 5N (Completed)
- Building 10N (Completed)
- Sitework

Building 16 - Modernization  
Buildings 2/4 Modernization  
Districtwide Hazardous Materials Abatement  
CIP1 ACAMS Add-On Project  
Building 36 - Science Building  
Roadway and Parking Lot Fixture LED Retrofit  
Softball Field Replacement  
Solar and Energy Storage

## San Mateo County CCD

SMCCCD are a three College District located between San Francisco and the Silicon Valley. Our Colleges serve more than 40,000 students each year and offer the first two years of instruction in a wide variety of transfer programs as well as more than 90 vocational-technical programs.
